Powering our Future Through our Actions of Today

31st Annual Conference

A Conference for RNs, LPNs, School Health Services
Stakeholders and Unlicensed Assistive Personnel

June 15, 2018

The main day conference will offer professional development opportunities provided by cutting edge professionals to prepare us for the future of school health services. Opportunities to network with other school health professionals, state, local, community organizations and vendors providing new and innovative resources for supporting health services.

June 16, 2018

Participants will be offered hands on, interactive workshops from a variety of different health related areas.

Powering our Future Through our Actions of Today-Promoting School Health for Academic Success

The School Nurses Organization of Arizona, in partnership with the Arizona Department of Education invite you to join us for the 31st Annual School Health Services Conference, June 15 and 16, 2018 at the Desert Willow Conference Center in Phoenix, Arizona. This conference will provide an opportunity to receive up to date research based education to enhance skills and obtain resources. This professional development opportunity will promote safe and quality school health services for Arizona students.
