

LOOKING FOR A REWARDING SUMMER JOB?

Nurse campers with special needs at Camp Tatiyee

Camp Tatiyee is a magical place that enriches the lives of those with disabilities through a summer camp experience that promotes emotional health, independence, self-esteem, and confidence, entirely free-of-charge.

As a RN, LPN, or EMT, your role is vital for our campers. Not only caring for their needs whether it's medications, catheters, feeding tubes, etc., but also maintaining clear communications with the guardians of campers.

Tatiyee is a team and every part of our jobs are interconnected in order for us all to develop **a community that fosters a safe and memorable experience for our campers**. You can be the reason a person with a disability becomes a happy camper.

Start Date: May 24
End Date: August 7
Break: July 2-9
Saturdays off

We are willing to have people apply and sign up for specific weeks.
