## Protect What Matters Most

### Who We Are

Saluting America's Veterans Enterprise (SAVE) is a veteran-owned consulting firm that helps businesses become veteran-ready employers by integrating veteran-specific knowledge, resources, and support into the workplace.

SAVE bridges the gap between Corporate America and the veteran community—helping employers move beyond hiring to long-term engagement, retention, and success.

### What We Do

SAVE helps employers build, launch, and sustain Veteran Employee Resource Groups (VERGs) that support veterans well beyond onboarding.

As a veteran-led organization, SAVE acts as an extension of HR, providing expert facilitation, education, and ongoing programming—without adding internal burden.

The result:

Veteran-ready workplaces where veterans feel supported, informed, and valued.
