Jades Farm Shop

Jade Ostler is a farmer, a butcher and also shopkeeper. She raises her own livestock, including sheep and pigs, and prepares the meat for sale. Her dedication shines through in the high-quality produce she offers, including homemade haslet, bacon and sausages. And the quality of this community farm-to-fork gem is absolutely superb.

Jade has the motto "Passion on a plate" and her commitment and expertise is clear for all to see. As well as top quality fresh meat, a visit to Jade's gives you the chance to pick up plenty of other goodies.
