HONOR AND RECOGNITION:

Recognized by the University of Illinois Springfield, Department of Human Services, for outstanding academic achievement.

PRESENTATION:

- Psychometrics of Psychological Tests, Augustana College (2013)
- Effective Parenting, Muscatine Community College (2014)
- Mental Health Awareness, ManorCare Health Services (2018)
- Work Stress and Self-Care, ManorCare Health Services (2018)

PUBLICATION:

Jiang, Z. (2014). Children in the Middle: Evaluation of a Divorce Education Program. Doctoral dissertation, Capella University. ProQuest Dissertations Publishing.

PROFESSIONAL MEMBERSHIPS:

- American Psychological Association (APA) | 2009–Present
- Illinois Psychological Association (IPA) | 2009–Present
- Iowa Psychological Association (IPA) | 2023–Present
- Association of Family and Conciliation Courts (AFCC) | 2016–Present

PROFESSIONAL SERVICE & LEADERSHIP:

Illinois Psychological Association (IPA)
Member, Master Clinical Task Force | August 2025–Present

- Collaborated with fellow psychologists and IPA leadership to develop professional position statements concerning master's-level clinical practice, psychologist licensure, and professional standards in Illinois.
- Participated in developing, reviewing, and refining the task force's position statement concerning psychologist licensing for consideration by IPA leadership.

PROFESSIONAL LICENSES AND CERTIFICATIONS

- Licensed Clinical Psychologist, Illinois | 2017–Present
- Licensed Clinical Psychologist, Iowa | 2023–Present
- Anger Management Specialist II | Since 2013

TEACHING EXPERIENCE

Northeastern University — Qinhuangdao, China
Teaching Assistant | 2000–2003

- Prepared instructional materials and assisted with university-level seminars.
- Facilitated and instructed courses in Oral English and English Comprehension.
- Evaluated students' academic performance, assignments, and written work.

CLINICAL AND FORENSIC PROFESSIONAL EXPERIENCE

Founder, Owner, and Licensed Clinical Psychologist
Dr. Jackie Jiang & Associates, LLC | March 2016–Present

- Conduct comprehensive psychological evaluations of children, adolescents, and adults, including assessment of ADHD, autism, intellectual and developmental disabilities, learning disorders, cognitive functioning, and personality and emotional concerns.
- Conduct forensic evaluations involving child custody and parenting time, parenting capacity, guardianship and decision-making capacity, fitness for duty, and court-ordered mental health concerns.
- Provide attorney consultation, psychological evaluation work-product review, and expert testimony.
- Have completed more than 1,200 psychological evaluation reports since 2010, encompassing supervised training and subsequent clinical and forensic practice.
- Direct a group practice providing psychological assessment and psychotherapy services; train and supervise psychological testing technicians and licensed clinicians working toward independent licensure.

Private Practice Clinician
Child and Family Psychology Center, Moline, Illinois | November 2014–February 2016

- Conducted clinical and forensic psychological evaluations under the supervision of a licensed clinical and school psychologist, primarily addressing children's and adolescents' developmental, behavioral, emotional, and diagnostic concerns.
- Provided individual, family, and marital psychotherapy, including extensive play therapy with children and anger management treatment.
- Applied accumulated assessment and treatment experience to understanding child development, parent–child relationships, and family dynamics relevant to child custody and parenting evaluations.

Postdoctoral Psychology Clinician

Child and Family Psychology Center, Moline, Illinois | October 2013–October 2014

- Completed intensive postdoctoral training in clinical and forensic psychological assessment under a licensed clinical and school psychologist, including test administration, scoring, interpretation, and report preparation.
- Developed assessment and diagnostic skills with children and adolescents presenting with behavioral, emotional, and developmental difficulties.
- Provided supervised individual, family, and marital psychotherapy, including play therapy and anger management treatment.

Doctoral Psychology Intern

Illinois Psychological Association Consortium, Chicago, Illinois | July 2012–July 2013

- Received supervised training in clinical and forensic psychological assessment, including test administration, scoring, interpretation, and report preparation in collaboration with a licensed clinical psychologist.
- Conducted child custody, Department of Children and Family Services (DCFS), and Social Security disability evaluations under supervision.
- Provided individual, family, and marital psychotherapy across age groups, including anger management treatment.

Private Practice Clinician

Child and Family Psychology Center, Moline, Illinois | March 2011–June 2012

- Administered, scored, and interpreted psychological tests and prepared evaluation reports in collaboration with a supervising licensed clinical psychologist.
- Provided individual, family, and marital psychotherapy to children, adolescents, and adults.

Doctoral Psychology Practicum Student

Child and Family Psychology Center, Moline, Illinois | July 2010–March 2011

- Received foundational supervised training in psychological assessment, including test administration, scoring, interpretation, and report preparation.
- Participated in DCFS, child custody, and court-ordered psychological evaluations under the supervision of a licensed psychologist.
- Provided individual, family, and marital psychotherapy to children, adolescents, and adults.

Therapist

Bridgeway, Galesburg, Illinois | September 2009–November 2010

- Provided individual, family, and group psychotherapy; completed clinical assessments, diagnostic formulations, treatment plans, and court-ordered documentation.
- Coordinated care and community referrals with psychiatrists, physicians, nurses, probation officers, and crisis intervention teams.

Family Therapist

DeWitt County Human Resource Center, Clinton, Illinois | October 2007–July 2008

- Provided individual and family psychotherapy, case management, and substance abuse group treatment, maintaining 25–32 hours of direct client contact weekly.
- Delivered crisis intervention and on-call services in collaboration with psychiatric, hospital, and law enforcement personnel.

- Completed clinical assessments, diagnoses, treatment plans, and court-ordered documentation.

Treatment Therapist
PF Dover Counseling, Galesburg, Illinois | March 2007–September 2007
- Provided individual and group treatment for sexual offending behaviors, substance abuse treatment, and cognitive restructuring interventions.
- Conducted clinical assessments, developed treatment plans, and participated in multidisciplinary treatment meetings.
- Provided crisis intervention to youth on crisis watch in confinement.

Community Counselor Intern
Family Service Center, Springfield, Illinois | September–December 2006
- Provided individual and family counseling, clinical assessments, and treatment planning to diverse community populations.
- Administered the Beck Depression Inventory (BDI) and Children's Depression Inventory (CDI); maintained a part-time caseload of 9–13 clients weekly

Research Analyst Intern
Illinois Department of Public Health, Springfield, Illinois | August 2005–December 2006
- Assisted in oversight of the Life Care Program covering approximately 110 Illinois healthcare facilities and communities; reviewed audited financial statements and permit applications.
- Assisted the Assistant Deputy Director with survey design and evaluation reports for subacute and postsurgical recovery care programs submitted to the State Board of Health.

ADDITIONAL PROFESSIONAL QUALIFICATIONS
- Extensive training and experience in child and adolescent development, psychological assessment, play therapy, and family dynamics.
- Integrate clinical interviews, developmental history, behavioral observations, records, collateral information, and standardized testing in psychological evaluations.
- Experience across private practice, community mental health, correctional settings, and family court-related evaluations.
- Provide training and supervision to psychological testing technicians and clinicians working toward independent licensure.
- Proficient in English and Chinese; basic knowledge of German.
