Who We Are

- Our Mission:** To equip and elevate youth to transform our global timeline.
- Our Vision:** To see a world of Global Futurists sustaining our future.
- Our Values:** Awareness | Connectedness | Creativity | Future Thinking | Global Mindset

Our Why

To prepare for post-2030 Goals, we focus on youth to ensure they are included because their world should be in their hands.

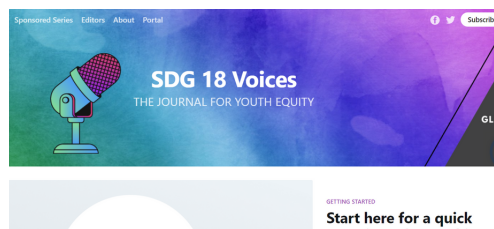

Our Work

Supporting youth to create art as a career

Launched youth journal to give platform for youth to speak on SDG-related issues

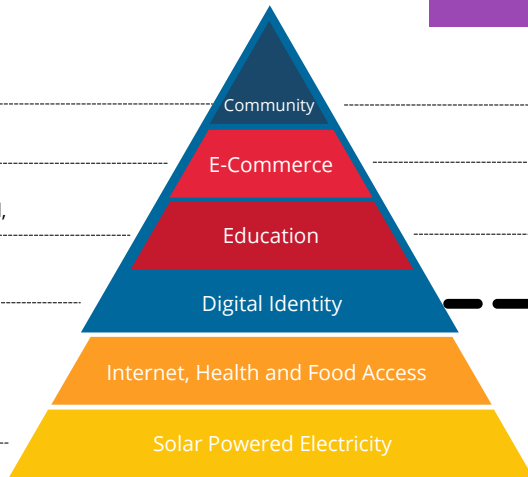

Developing marketplace that enables youth and nonprofits to benefit from SDG-related art

Our Approach

Projects

- Assembloids, SDG 18 Voices
- Data as Art and Truth
- PeaceTones, CAST 4ward, JusticeHub Innovation Lab
- The Invisibles
- Broncos

Partners

- The Trebuchet, Carij, Inc.
- Questscope
- Fashion Community Foundation
