National Association of Christian Lawmakers Welcomes Dave Dias to National Board of Advisors

Conway, AR — The National Association of Christian Lawmakers (NACL) is pleased to announce the appointment of Dave Dias to its National Board of Advisors.

Dave Dias is the co-founder of Foundations of Freedom, an organization dedicated to uniting faith-based leaders and organizations to address the growing challenges to faith, freedom, and Biblical values in America. Since its founding in 2021, Foundations of Freedom has worked to bring together leaders across ministries, policy organizations, and the private sector to collaborate in defense of foundational freedoms while pursuing excellence and God’s glory in all things.

A lifelong entrepreneur and connector of leaders, Dias has spent decades building relationships and creating platforms that foster collaboration around a Kingdom-focused vision. His work is driven by a conviction that the most effective cultural and policy impact occurs when like-minded leaders unite in purpose to serve a greater calling.

In addition to his leadership with Foundations of Freedom, Dias serves on the board of Magen David Adom, Israel’s national emergency medical service. In that role, he has helped mobilize partnerships and resources to support critical humanitarian efforts, including emergency response following the October 7 terrorist attacks in Israel.

Dias’ vision is grounded in a deeply Biblical understanding of leadership, service, and collaboration. He often describes the mission of Christian leaders through the Hebrew concept of *avodah*—a calling that unites work, worship, and service as an expression of faithful stewardship.

“Dave Dias is not only a respected leader and visionary, he is also a trusted friend,” said Jason Rapert, Founder and President of the National Association of Christian Lawmakers. “I have had the privilege of

knowing Dave personally and working alongside him, and I can say without hesitation that his heart for the Lord, his commitment to truth, and his ability to bring leaders together are truly exceptional. Dave understands that lasting impact comes through unity and faithful service, and we are honored to have him join the NACL National Board of Advisors.”

The National Association of Christian Lawmakers looks forward to working alongside Dias to advance a Biblical worldview, strengthen Christian leadership in public policy, and equip lawmakers across the nation to stand boldly for truth, faith, and freedom.
