

Ghana Shipping Rates

Shipping Rates by Volume

Our pricing is based on the total number of cubic feet being shipped. To calculate cubic feet, use the formula: Length × Width × Height (inches) ÷ 1,728.

These rates apply to Shop & Ship orders and all other cargo handled through our warehousing service.

Prices are listed in U.S. Dollars (USD). For reference, \$1 ≈ ₵10.25 (approx.)

Volume Tier	Price per cu ft	Notes
1-5 cu ft	\$12	Minimum charge of \$50 applies
6-15 cu ft	\$10	
16-30 cu ft	\$9
