

Sidney (Sid) Kaplowitz

We are sad to inform you of the passing of Sid Kaplowitz.

Sid was a long standing member of many coin clubs in the West Central Area of Florida. Sid was a past President of the West Hernando Coin Club, also serving presently as the Communication Chairman of Citrus County Coin Club. He also was a board member on several clubs and a dealer always setting up at local club coin show. Our thoughts and prayers go out to his family at this time. He will be laid to rest in Michigan and a service of life will be held here at a later date. When more information is known we will share with you.
