Wings of Refuge is a 501(c)3 non-profit organization in Iowa that has a long-term safe home providing opportunities for healing and restoration to survivors of sex trafficking. Most people are aware of sex trafficking and feel helpless in knowing what to do about it. You don't have to feel overwhelmed by this injustice - you can help end sex trafficking by supporting survivors! Exploitation ends and freedom begins when a woman comes to live at Wings of Refuge.

We are doing what we love (archery), raising money to fight what we hate (sex trafficking)! Our 40 target archery course, split in 2 20 Shot Loops, allows archery participants to help end sex trafficking. In addition, we provide free-will donation concessions, contests, an auction & raffles throughout the event. These activities are open to everyone - not just archery participants. We invite you to choose a sponsorship level, make a donation or provide an auction item.
