

Rat top
Cut 2

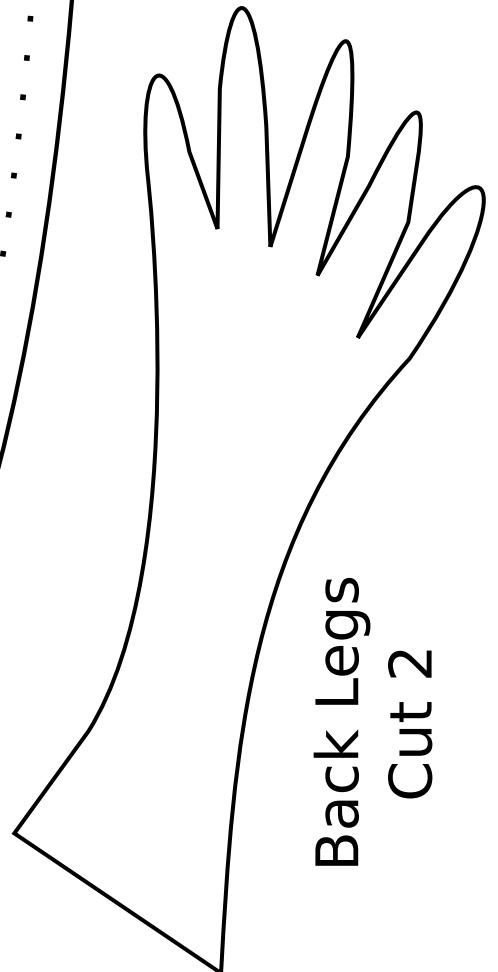

Ear
Cut 2

1. Cut 2 top pieces
2. Sew/embroidery/paint an eye on each side
3. Fold and stitch ear on each side
4. Sew top edges together with good side in.
5. Stitch bottom edge of rat top to belly making sure feet and tail are tucked inside, make sure you leave space on one side unstitched to turn rat right side out.
6. Stuff with filling/weights
7. Complete stitching top to bottom
8. Nose and Whiskers are added when done.
9. Accessorize your beast.
(Embroidery Thread Works well)

Attach tail and legs to belly and flip to middle before sewing body to belly. Sew right side in and remember to leave space to turn right side out.
