

CAPABILITY STATEMENT

OVERVIEW

Bushido Leadership™ is a firm devoted to world-class leadership practices. Through coaching, training, and consulting, our clients achieve pathways to a better mindset and authenticity. Leaders set the tone, and Bushido Leaders™ create a culture where their best players want to stay and grow.

Our Mission is to make leaders easy to follow.

How Bushido differs from coaches & consultants:

- Brain-Friendly **tools** with years of neuroscience research behind them.
- Simple **mindset** shifts requiring far less time commitment than conventional coaching & training.
- If you're not satisfied, you don't pay.

CORE SERVICES

EXECUTIVE COACHING

Coaching will show you your blind spots, improve your focus, help you better shape your ideas, and give you deeper presence with your work and family relationships.

BATTLING BURNOUT

Engage your leaders with the science behind stress, engagement, and motivation in a clinical environment. Leave your clinical leaders with a mindset that makes them energized and ready to lead in this unprecedented time.

MINDSET RESET (coaching & group work)

Three Mental Shifts: to view problems through a new lens to address change management, emotional intelligence, mindfulness, conflict resolution, quality management, teamwork and more without multiple training modules.

INTERNATIONAL SPEAKER & FACILITATOR

Book an unforgettable day with your organization's leaders. Get first-class facilitation for a strategic planning session, a SWOT, or just a day of inspiration and motivation that will forever change how your leaders see their world.
