*We encourage parents to get signed up for this as well to stay in the loop
(let's face it, we know how teens communicate)*

Betty Davis East High School Volleyball - 2025

Fundraising

A major fundraiser for us is our concession stand for home games. Without volunteers, we cannot continue to have our concession stand open. Please use the sign-up sheet to sign up for volunteer timeslots. **A parent MUST be present for each game time slot.**

Each athlete will be expected to **raise \$500** for the season. The funds that are raised go towards new apparel for the athletes and coaches, equipment, tournament fees/travel.

We will have several opportunities to do fundraising including a sponsor letter to approach businesses (see separate attachment) and a social media graphics/outreach for friends and families such as the attached "Fill my volleyball" and the "support my season" campaigns (see examples on the following pages). Text Katy Kless at 907-360-2992 and she will get the graphic personalized for you.

For the social media campaigns, we would like the athlete/parent to collect the funds using your preferred methods (cash, check, Venmo, Cashapp, etc.) and provide one check to the booster club for the total.

We will have a competition for girls who raise \$500 by September 1st. Great prizes are up for grabs! The following are the prize categories:

- **Fastest to reach \$500** – the first 5 athletes to get \$500 to the booster club will win a prize
- **Most Raised** – the athlete that raises the most money by September 1st. Last year one athlete raised over \$1,300!!!
- **1K club** – all athletes that raise \$1,000 will receive a special prize that will give you an advantage on the court.

Each athlete that turns in \$500 to the booster club will get a prize. Last year it was a EHS sport top Stanley that was engraved with their name.

Funds will be due by September 1st. This is essentially a 2-week campaign. Happy soliciting!!!
