

IN MEMORIAM

John Kelley Jr.

Treasurer • Colleague • Friend

It is with profound sadness that the National Examining Board of Ocularists shares the passing of John Kelley Jr., our longtime Treasurer, valued colleague, and deeply cherished friend, following complications from a stroke.

John was truly a ball of energy. He brought enthusiasm, dedication, and unmistakable spirit to everything he did. As NEBO's Treasurer, he was meticulous and took pride in serving the organization with care and integrity. His passion for ocularistry was evident throughout his career, and his contributions to NEBO and the profession will have a lasting impact.

Beyond his professional accomplishments, John was a deeply wonderful friend. His warmth, energy, and friendship touched so many within our community, and his absence will be profoundly felt.

The NEBO Board extends its heartfelt condolences to John's family, friends, patients, colleagues, and all who had the privilege of knowing him. We are grateful for his many years of service, his devotion to ocularistry, and the friendship he so generously shared.

John will be greatly missed and fondly remembered.
