

ABI MOULDINGS

CASING

Casing is the finishing touch to door or window installations. Adding decorative door and window casing is an easy way to compliment any room in your home. They are generally thicker than base mouldings adding a dramatic affect to any room. There are countless styles to choose from giving consumers many options!

Part No: C375 | Size: 5/8" x 2-1/2" | Finish MDF Primed

Part No: C333G | Size: 5/8" x 3" | Finish: MDF Primed

Part No: C324 | Size: 5/8" x 3" | Finish MDF Primed

Part No: C3474 | Size: 11/16" x 3-1/2" | Finish MDF Primed

BASEBOARD

Baseboards play a vital role in making your home look complete. Baseboard is trim that covers the lowest part of an interior wall. It serves a purpose in hiding the joint where the walls meet the floor, which might otherwise not be very appealing. A stylish baseboard can have a dramatic impact on the look of your room.

Part No: B2333 | Size: 1/2" x 4" | Finish MDF Primed

Part No: B224 | Size: 1/2" x 4" | Finish: MDF Primed

Part No: B2127 | Size: 1/2" x 3-1/2" | Finish: MDF Primed

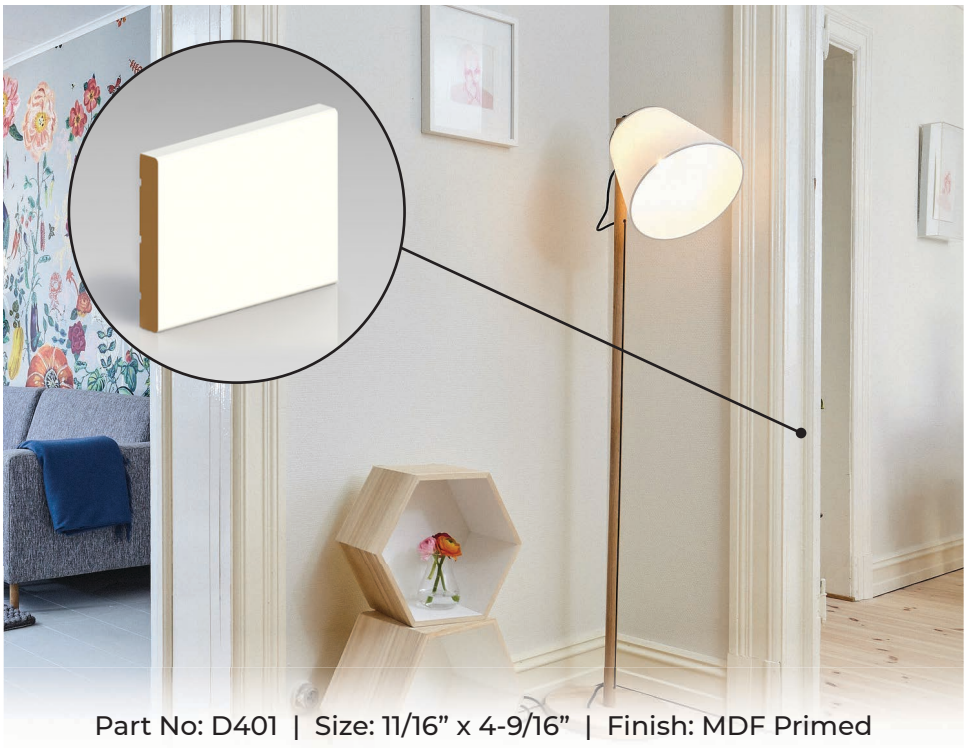

Part No: B2695 | Size: 1/2" x 6" | Finish: MDF Primed

DOOR JAMB AND STOP

A door jamb is the vertical portion of the door frame onto which a door is secured. We offer many different styles of interior door jamb to suit the needs of your project, including custom sized Dado and Rabbeting in 11/16" and 1 ¼ " thicknesses.
