PREFATORY

The Supreme Council of the Southern Jurisdiction of the United States, under whose authority we work, disclaims all jurisdiction or control over the Degrees of Entered Apprentice, Fellow Craft and Master Mason, and accepts only applicants for its degrees who are Master Masons in good standing in a Lodge recognized by the Grand Lodge of the state in which the applicant resides.

The Ineffable Degrees as conferred in this jurisdiction begin with the Fourth and extend through the Fourteenth, and are conferred in Lodges of Perfections. The Historical and Religious Degrees begin with the Fifteenth and extend through the Eighteenth, and are conferred in Chapters of Rose Croix.

The Chivalric and Philosophical Degrees begin with the Nineteenth and extend through the Thirtieth, and are conferred in the Councils of Kadosh.

The Ceremonial and Official Degrees are the Thirty-first and the Thirty-second, and are conferred in the Consistory.

CAPS – THEIR SIGNIFICANCE

As the White Lambskin is the Badge of a Mason, so is the regulation cap the badge of a Scottish Rite Mason.

A purple cap indicates that the wearer is a 33° Sovereign Grand Inspector General and Active Member of the Supreme Council.

A white cap indicates a 33° Inspector General Honorary.

A red cap means 32° Knight Commander of the Court of Honour (KCCH).

A light blue cap indicates the wearer has been a Scottish Rite Mason for fifty years or more.

A black cap indicates that the wearer has attained the 32nd Degree.

The Supreme council has set forth a rule for the correct wearing of the cap. When wearing the cap, it shall be considered to be a part of the apparel of the wearer and shall not be removed.

At the presentation of the Flag, the cap shall remain in place, and the member shall stand at attention with the right hand over the heart. During prayer the cap shall remain in place and the hands and arms shall be crossed as in the 18th Degree.

The wearing of caps is considered proper at Reunions, Scottish Rite meetings, Remembrance and Renewal services, Feast of Tishri, etc. It is improper for the cap to be worn in restaurants, hotel lobbies, airports, train/bus stations.

The Fourteenth Degree Ring

Purity of Honor, integrity of the Sword, spotlessness of the Shield—these were the three highest ideals of our ancient brethren. “Honor that never broke the faith with any one” was supreme and preserved despite danger or personal loss. “Integrity of the Sword in never failing to draw it in defense of innocent and right” was a duty embraced with fervor and acted upon with courage. “The Shield never to be sullied by protecting oppression and wrong” was the symbol of each brother’s dedication to the knighthood. When the ancient knight passed to his eternal home, he bequeathed his Honor, Sword and Shield to another, one near and dear, one he knew would carry on his quest unblemished and victorious.

The Scottish Rite Fourteenth Degree Ring symbolizes these ancient emblems. Eloquently simple, it is a flat, plain band of gold or other material resembling gold, and embossed thereon an engraved or enameled plate in the form of an equilateral triangle and within the triangle the Hebrew letter “Yod.” In it there is inscribed the Scottish Rite Motto: *Virtus Junxit, Mors Non Separabit* (Virtue has united and death shall not separate). The ring’s circle expresses the fraternal bond between all men and all generations. On its owner’s death, it should be given with dignity and pride to another Scottish Rite Mason so he can carry on a similar Masonic Honor, Sword and Shield that the ring symbolizes.

Although the ring may be altered to fit the new Brother’s finger, it need not be changed. There is no official instruction designating on what finger it should be worn. The position is irrelevant so long as the ring is worn with honor appropriate to the fallen Brother, his fraternal heir, and the Rite. As an evidence of authenticity, the wearing of the Scottish Rite ring is mandatory under our rituals, vows, laws, regulations and customs.
