

SAR Report 1/24/2025: Anaconda Pintler Search and Rescue was dispatched along with the Anaconda Fire Department. For an individual that was cross-country skiing and broke their leg up hollow creek. SAR and Anaconda Fire met and utilized the side by side with two SAR members as well as one Emt. Another emt was already with the individual. We were able to get the individual on the back of the side by side to the ambulance. The individual was taken to the hospital, and they are expected to recover from the injury.

SAR CALLOUT 6/25/2025:

APSAR was dispatched out to the Storm Lake area around 2230 on 6/25/2025 for a hiker on the CDT (Continental Divide Trail) That had lost their pack while hiking and had no equipment to spend the night.

APSAR Commander D. Miller and Members A. Santiago and M. Gorman responded to the call.

APSAR was in constant contact with the individual with live location sharing from their phone.

APSAR made contact with the individual around 2345 about ¼ of a mile from Storm Lake, walking back towards the lake. He was hungry and dehydrated when we got to him.

APSAR gave him a ride back into town, and one of the members let him borrow a sleeping bag and mat for the night.
