It should come as to no surprise how much costs have gone up in the last year. To that end, we've tried to do our best to keep costs down. Prices of beer generally go up in June so our sponsorship will cover the full offering based on barrels being priced from £80 - £115 approx.

The generosity of our members and sponsors ensures the festival can go ahead. All profits goes back directly to the club which then covers maintenance of this fantastic community club. We are extremely grateful for your support. Thank you.
