In attendance: Peter Razey, Kelly Does, Alan Cox, David Ryan, Harish Thiagaraj, and Darren Cruickshank

Absent: Travis Schoonover

Staff: Fraser Morrison

Review of 2025

Fraser – Business/Office

Karl Granlund has been operating as the LOSC Registrar since he took over from Pete Roberts in January 2025. Karl has been an excellent addition to our staff. As the former Risk Management Executive for the Beaverton School District, Karl is well positioned to ensure compliance for the club in all important matters. Karl is continuing to get familiar with the Playmetrics registration platform which is used for club registrations. Karl has also been helping with the upkeep of goals for the club. Going around and performing maintenance on them when needed.

Johnny Rodas-Hills is assisting Karl in the Registrar role to ensure everything is running smoothly.

The club does an excellent job in communicating with membership. Our coaching staff manages day to day communications more from a soccer perspective. Program Directors all do a very good job responding to messages in a timely manner and this is appreciated by our members.

Club financials were provided. After the administrative/Playmetrics registration being set up incorrectly error in the Fall of 2024 we have moved back in the right direction.

Fraser - Soccer

Club programming is running well. The club has an excellent group of coaches working with our teams.

Charlie is managing the Boys side of the Classic Program and Adrian Kemper is managing the Female side. Adrian is also working to add female staff when we can.

Fraser & Alan - Field Development

We appear to have hit a dead-end on our field development efforts

Travis – Oswego NIKE Cup

2025 Oswego Cup increased this past year with an additional 35 teams. The event ran smoothly and planning is underway for the 2026 Oswego Cup.

Travis - Oswego Juniors

Juniors is running smoothly. We have utilized older HS players as coaches to compliment our existing staff and this has worked well on both the boys and the girls side. The program continues to do an excellent job bridging the gap for our players between Fall/Spring Youth and Classic Soccer.

Election of new Officers

TREASURER – Alan Cox is up for renewal as the Treasurer. An additional 2 year term would take him up to Jan 2028.

All board members voted in favor.

As office staff Fraser did not vote.

VP – David Ryan is up for renewal as the VP. An additional 2-year term would take him up to Jan 2028.

All board members voted in favor.

As office staff Fraser did not vote.
