In attendance –

Board Members – Peter Razey, David Ryan, Kelly Deos, Harish Thiagaraj, and Darren Cruickshank

Not in attendance – Alan Cox

Office Staff: Fraser Morrison and Travis Schoonover

Minutes from the Aug 26 2026 meeting were approved

Quorum was declared

Fraser – Business

Club business continues to run smoothly. The budget is tracking well and the programs have maintained consistent numbers from last year.

Between Fraser, Karl Granlund, and Playmetrics Classic billing is well taken care of. Darren asked if PM was continuing to be effective in the management of programs and the collections side of things. PM has proven to be an excellent program for us. Karl Granlund continues to maximize the effectiveness of PM and regularly consults with the staff there in the event he has a question. Their customer service levels have remained good even with their growth.

Classic teams are off from training/games and playing indoor at the moment.

Travis Schoonover – Director of Youth Development

Juniors teams had a good fall. Program ran smoothly on the boys and the girls side and the teams are now involved in indoor soccer.

Oswego Cup had a great year with 35 more teams in attendance. Travis reported that the tournament ran well with minimal issues given the number of teams. Volunteers slots continue to be difficult to fill.

Treasurer Report – No report at this time as Alan was not in attendance.
