A first Degree Exemplification will be held at Queen of Peace Hall on Tuesday, April 17th. Our own First Degree Team, which is gaining renown, will conduct this exemplification. Let's have a big turnout and support our team.

FAILURE TO PAY DUES

Did you know that any member who shall fail to pay his dues to his council within three months after the same are levied and payable, shall forfeit his membership in the Order.

APRIL 18th MEETING

Program scheduled is being sponsored by Youth Activity Chmn. Henry Kleinhenz and is titled "Why Columbian Squires Circle."

Guest speaker will be Thomas J. Dunn, of Wiloughby Council 2886. Bro. Dunn is State Vice Chairman of the Columbian Squires Committee, entered the Order through the Cleveland Council 733 on Dec. 7, 1941, transferred to Council 2886 in 1950, joined the Moses Cleveland General Assembly in April, 1959, and is a member of St. Vincent de Paul Parish.

Plan to attend for a most interesting evening.

BITS OF PHILOSOPHY

Riches, the greatest source of human trouble. Christ alone, like his emblem, the light, passed through all things undefiled.

TO THE LAITY WHO ASSIST AT MASS DAILY

Do you feel in a rut spiritually? Do you love God more now than a year ago? If not, the reason is you have been "receiving," but not "emptying." You "receive" Communion daily, but what do you "empty"? You take the Bread of Life, but you give no wheat to be ground. You drink the chalice of salvation, but you give no grapes to be crushed.

The Eucharist is the same for everyone, because It is Christ; it is we who differ. The Lord too often rests on the surface of our souls — one might almost say on the tip of our tongues. We recite the same prayers, but we add no new cross, no new self-denial. We pray only for our petitions, not for the world. The result is we are no better; in fact, we may be a little worse because we are not better, for all life must grow or perish.

RESOLUTION

The following resolution was presented by DGK Ben Lyons at our last meeting for consideration of the members on April 18.

"Be it Resolved: that North Olmsted Council No. 4731 strengthen its youth development program.

That it comply with its advertised purposes for raising funds. That North Olmsted Council, 4731 give one hundred fifty dollars (\$150.) as a tuition grant in aid to a St. Richard's Grammar School student in 1962.

"Be it further resolved: That North Olmsted Council 4731 plan to raise funds in future years to cover the cost of at least four (4) one hundred fifty dollar tuition grants in aid."

DOOR PRIZE and DRAWING

The door prize on April 4th, was a bottle of liquid nourishment donated by one of our Advertisers, MOINARS Delatessen and was won by none other than Bro. Dick Kuskus, your Assoc. Editor. The drawing for the \$39. was won by Bro. J. P. Kubik, who was conspicuous by his absence. Prize for next meeting will be \$42.00.

ISABELLA HIGHLIGHTS

The next event scheduled is the "Luncheon is Served" program on May 9, at 1:00 P. M., North Olmsted Community Cabin. In addition a bake sale and white elephant sale will be held. Bring your white elephant to the luncheon and make your ticket returns during April to Chmn. Myrtle Zarr. Get-Well wishes are extended to Jo Glorioso and Donna Gallagher.

Logical thought for today: "To your own self be true, and it must follow as the night the day, you cannot then be false to anyone."

DUES ARE D!

The quarterly dues and insurance payments are again upon us. Have you paid yours? Why not check and find out; -possibly this important matter has been overlooked. If you have any questions about your status, please call our Financial Secretary, John Martin, Spring 7-5836.

COMMUNICATIONS

Communications is a vital part of any organization and it is an essential requirement in getting any job done. Real communication takes place when each of the parties involved contributes to the thoughts and understanding of the other.

Communications is a broad field. It covers all aspects of human interchange - ideas, facts, opinions, plans, methods, etc., - any exchange of meaning either oral or written. Nothing in this world can be done, no action taken, no decision carried out without communications.

Communications is not only what you say, write or do. It is also the understanding which results from what you don't say, don't write, or don't do. It's the impressions gained from reading between the lines. It's not just what we say or do, but also the way it is done.

The ability to communicate to other people is a priceless asset. No matter what ideas, plans, or systems we conceive, they are all valueless until expressed and accepted by others.

Most all human problems are manifestations in one form or another of a breakdown in communications.

What needs to be communicated? Generally speaking, anything which affects the organization should be communicated, either orally or written. It includes unfavorable information as well as favorable - the problems as well as the opportunities. So don't keep it under your hat.

BITS OF PHILOSOPHY

Self-love is the greatest of flatterers. The first sigh of love is the last of wisdom. When one runs after wit, he is sure to catch nonsense.

W TO KILL

Want to kill an organization? The National Management Association lists the ways. . . .

"Don't come to meetings.

If you come, come late.

If you do attend, find fault with the work of the officers and other members.

Never accept an office or committee appointment as it is easier to criticize.

Nevertheless, get sore if you are not appointed to some committee.

If asked by the chairman to give your opinions regarding some important matter, tell him you have nothing to say. After the meeting, tell everyone how things ought to be done.

Strive for constant attention. Sound important. Get up and speak at all meetings even though you have nothing pertinent to say.

Do no more than is absolutely necessary, but when other members roll up their sleeves to help matters along, howl that the association is run by a clique.

Don't bother about new members, let the secretary (or committee) do it.

When a banquet (or function) is given, tell everybody that money is being wasted on blow-outs which make a big noise and accomplish nothing.

When no banquets (or functions) are given, say the association is dead and needs a can tied to it. Don't ask for a ticket until all are sold.

Then swear you were cheated out of yours.

If asked to sit at the speakers table, refuse.

If you are not asked, resign from the association."

YOUTH ACTIVITY CIVIC NIGHT

30 young ladies and gentlemen joined Youth Activity Chmn. Kleinhenz and his committee in a trip to Mayor Cassidy's night court at Parma Hts. City Hall on Wednesday, March 28.

"We were greeted on arrival by Safety Director, Ernest Warnke and the court bailiffs and extended all possible courtesy. A series of slides, supported by commentary, was shown of the fatal traffic accidents which occurred on Route 42. This was followed by a safety talk by Director Warnke. At 8:35 P. M. court was in session and we were all witnesses to the wheels of justice in motion.

To say the least, this was a most educational and instructive evening. Present were the Misses Jonathan Heiderling, Marie Tafel, Carol Platt, Barbara Spakowski, and Karen Sawchak. They were of course outflanked by the young men; Denis Molner, Bill Brehm, Terry Truffin, Andy Mishian, Phil Molner, Art Reitz, John Schneider, Tom Zoldesky, Tom Wilson, Mike Scanlon, Jim Tafel, Bob Paradis, Den Skitzki, Bud Mesker, Leo Hill, Tim Tyler, Dave Kalick, Russ Krecic, Tom Hollis, Myron Klimkovicz, Chris Kane, Mark Kane, Jim Majeros, Joe Reznik and Rick Krecic."
