ADVANTAGES OF PARLIAMENTARY LAW

The God-Given right of every person to be heard is respected.

Matters that affect the common good of all can be discussed in a courteous, dignified and competent manner.

Discussion is limited to one issue at a time. Group decisions can be reached within a reasonable period of time.

The will of the majority prevails, but the minority has ample opportunity to voice its viewpoint.

The fraudulent methods of those bent on graft, corruption or subversion can be quickly exposed and restrained by alert members.

Individuals with high ideals and ability can take constructive steps to integrate divine charity and justice into the running of human affairs.

REMEMBER

Halloween Dance Party at Olmsted Lodge, Saturday, October 28th, which is being handled by Chairman Wayne MacPherson. Put this date down on your Social Calendar.

PARLIAMENTARY PROCEDURE RULE

- 6. Point of Information - If issues become obscure or involved, you can seek clarification by asking the chairman for a "point of information".
- 7. Motion to Divide the Question - It is often possible that a motion may contain two or more parts. You can ask that each part be considered separately. By such consideration you can often help clarify the entire motion and salvage those portions that will benefit the group.

MESSAGE FROM PAT GAREAU, P.G.K.

First permit me to express my regrets that I have not been able to take a more active part in our council, since the State Youth Drive.

After attending the first meeting in August, I see that the old spirit is still ever present and GK Spakowski has a "sure fire" organization, full of working brothers.

As the program for the coming year was unfolded, I found myself becoming excited with anticipation - we can all well appreciate the tremendous job of planning that has been done. Undoubtedly, this year will be the greatest of all.

If you haven't had the chance to attend a meeting recently - better come along and see for yourself. I'll be there - will you?

MANY THANKS

To Brother Freeborn, for the wonderful job in obtaining ADS for our news bulletin.

To Brother Kusak, for his diligence in preparing our new Membership Roster.

To Brother Ellis and his many volunteer (by request) Brother Knights for services rendered at the North Olmsted Homecoming.

BIRTHDAY GREETINGS

Congratulations to our Brother Knights on having reached another milestone in their life. May they enjoy many more years of God's Blessing.

EDITORIAL

In this present day world, which seems to be constantly beset by strife and conflict, and the ever present threat of communism, I believe the following excerpts from a speech given by Jesuit Father Riccardo Lombardi, is most appropo and worthy of serious thought and consideration by all Catholics:

"In this darkest moment of history, we must change this mentality and make charity the center of our lives. We must learn to love God by loving man.

"Catholics remember the first precept - to love God - but they are inclined to forget the second - to love neighbor.

"Communism is a terrible, terrible danger. It is a unity of hate. God permits it as He permits hell and the devil. And we will never overcome it with our little mentality for little things.

"Charity is the giving of the soul, mind, heart - the giving of all.

"If we ask, what is it to be a Catholic, too many would say 'keeping the commandments!' That is not right. To be Catholic is to have charity."

Father Patrick Peyton who conducts a Family Rosary Crusade in Latin America, said in a recent speech: "A nation that prays, cannot sink or be crushed."

\$\$\$ BE THE BIG NO. 20 \$\$\$

Our slogan for the 1961 State Youth Campaign, which starts on Sept. 8th. Nineteen automobiles will be given away and first prize is a Family Package - a 1962 Cadillac for Him and a 1962 Falcon Station Wagon for Her.

Distribution of tickets to Captains and Team Leaders will be accomplished on Saturday, Sept. 9th - more details later. Ample prizes will be awarded to the Bros. doing the best job in selling tickets.

This is a splendid opportunity for our Council to replenish the depleted coffers of our treasury and most important to help finance the Youth Activity program in the State of Ohio.

Each member is urgently solicited to take an active part, by doing his share in selling these tickets. This campaign can only be a tremendous success, if each one of us sells his quota of tickets - as a minimum effort.

Council Activity Chairman Kacvinsky, has appointed 20 ticket Chairman who will contact the membership for tickets. All reservations must be made by the DEADLINE
