COUNCIL PAPER

This issue of the Narrator, as well as the next two or three issues, will arrive with this format. We have run into a number of problems---the supply of pre-printed Narrator backs listing the advertisers, etc. has been exhausted. We are currently in the midst of renewing ads and securing new ones. Bob McFarlane has assumed the task of working on the ads and is busy, engaged in this project which is an undesirable job to say the least.

Yours truly has been occupied in family matters which limited his time. All in all, everything will come out in the wash and publication will again be on a regular basis in the near future.

The advertisers (bless their generous hearts) will not have their time bought start until such time as they are listed on backs of the paper.

Since this paper will be reproduced by direct, offset image, it comes to you just as it is typed (mistakes, erasures, and all). I would appreciate your comments---do you prefer we continue with the old format (more expensive) or would you just as soon we stay with this? It is possible to incorporate more news doing it this way as more than one sheet can be included.

Thanks for your patience in sweating this publication out.

MSGR. KORAB

We are most privileged and honored that the Knights of Columbus, North Olmsted Council has been extended an invitation, as an Organization, to attend the Reception of our own Brother Knight, Msgr. Korab, on the occasion of his 40th Anniversary of his Ordination into the Priesthood.

When: Sunday, June 2nd  
Where: St. Richard Parish Hall  
Time: 7 to 10:00 P.M.

To you, Bro. Msgr. Korab, we extend our most sincere congratulations on attaining this momentous milestone. Our Prayers are with you that God may grant you many more years of service to Him and to Holy Mother Church---and selfishly from our own standpoint, that you will be around for a long, long time as a Brother Knight.

The Sir Knights of the Fourth Degree will be in attendance.

COUNCIL SLOW-PITCH SOFTBALL

We believe that it is unofficially official (figure that out) that the Men's Slow-Pitch Softball League, sponsored by the North Olmsted Recreation Dept. will be in action again this year.

The Dept. is going thru a shake-up, and there has been a lack of information concerning the various programs. I have no definite knowledge when the League is to start play. It has been on the first Wednesday of June in the past.

We intend to field a team again this year (remember the Orange jerseys?). So, this is a call for players, and hurry up---time's running short. We may not get a practice in before the season starts. I'm assuming temporary managership to get things rolling. Call me, Bill Bonner, at 777-1533 if interested. Games are on Wednesdays at 7:00 P.M. (occasionally on Thursdays. So far we've recruited Bill Harmon, Joe Arnold, Lenny Lucas, Ted Mack, Bob McFarlane, John Bovenzi, and Dick Waytko. I'll be surprised if half of them show up, however. In the meantime, let's get in shape. OK? The above includes Bill Cech and Jerry Chodyna

Excuse me for a moment--have to turn the page.

## KNIGHTS OF THE MONTH

Fraternal Activity Chmn., Henry Kobak, announced at the last meeting on 5-15, the selection of the following as Knights of the Month:

- February -- Jim Wilkins  
March -- Ed Majoros  
April -- John McLaughlin  
May -- John Dodd

Presentation of a gift was made to each of the men by GK Hepner. The honor of being selected as a knight of the Month should be cherished as it symbolizes to all that a recipient has done an outstanding job. We congratulate you men and humbly say thanks. We're proud to be associated with you. Actually, these men were not selected for one job they did well. They have been faithful and dedicated performers in many areas.

## NEW FINANCIAL SECRETARY APPOINTED

GK Hepner has announced the appointment, by Supreme Council, of Bro. Frank Costanzo to the position of Financial Secretary for our Council. Congratulations, Frank, and may you weather the storm in this demanding task. We have always felt that the Fin. Secy. has the toughest job in any Council. So, fellas let's cooperate with him.

## ENTERTAINMENT GUIDE BOOKS

Remember last year when we sold those Entertainment Guide Books to raise money for an education scholarship? Well, we're doing it again this year for the same purpose. Bro. John Bovenzi has these books for sale at \$5.00 each, and the Council keeps \$2.50.

Briefly, these books contain coupons for bowling, eating, plays, etc. and are well worth the price. An example: If you eat at one of the restaurants, you pay for 1 dinner and your companion receives free a dinner at the comparable cost. The N.O. Jr. Chamber of Commerce sponsors these Books, and offers them to organizations for 50% of the cost. A good deal! See John, OK?

## COUNCIL RAMBLINGS

The Council is participating with other groups in St. Richard Parish in the construction of a large room on the side of the gym to house tables, chairs, outdoor equipment, etc. Needed are bricklayers, carpenters, etc. We cannot ask that Brothers residing outside the Parish help, but, we'll say this-the hardest worker at the site is Bro. Bob Gamola who isn't even a member of St. Richard. He is followed closely in effort by our own Grand Knight, Ray Hepner, and Bros. Kucharik, Majoros, Schwarzwalder, and Frolo. There'll be more of our men there when they start on the project.

Our Chaplain, Fr. John Lesniak, was briefly honored at our May 15th Meeting. GK Hepner presented Father John with two stereo tapes from the Council in appreciation and recognition of his fine guidance and work.

Have you noticed the new addition to our road sign on Lorain Rd. at the County Line? A bright new listing of the local parishes and Mass times. The one on Brookpark Rd. at the City limit will be put on soon, weather permitting.

Henry Kobak announced that he collected over 25 pairs of glasses in the Council in the recently concluded drive to provide glasses for the world's needy.

Many thanks from Elaine Bonner and myself to our friends in the Council for their prayers, thoughts, cards, and gifts and deeds received while Elaine was hospitalized. She's recovering nicely, getting stronger by the day-which means I have to watch what I say and do.

Our sincere condolences and prayers are offered to Bros. Fran Murray, Vince Amadio, and Fran O'Neill and to Mrs. Ray (Gladys) Lieb who lost loved ones during March and April. Bro. Murray, O'Neill and Gladys Lieb lost their Mothers, and Bro. Vince lost his Father. May they rest in peace.

Our GPC Dick Waytko officially retired from the Air Force on April 30th after serving his country well for 22 years. He was mustered out in an impressive ceremony in Columbus. Dick is now employed fulltime at a bank, but more importantly, he is the weekend newscaster for Station WHCB in Canton, Ohio. Try to pick up this station and listen to his dulcet tones.

Some Lucky people: Bro. Steve Sharkin who won \$1,000 at St. Brendan in the 250 Club drawing. Bro. Bill Cech who won \$11.25 on 4-3 in our 50-50 Drawing. Bro. Bob McFarlane who won \$15.50 on 3-20 for the same thing. Bob Rehbarg who won the monthly free lube job, etc. donated by Bro. John Horchy's Marathon Station. Bro. Rehbarg was also elected as Treasurer of St. Brendan's Holy Name Society.

DON'T FORGET THE ELECTION OF OFFICERS AT OUR NEXT MEETING ON JUNE 5TH !!!
