A Personal Invitation To Our Learning Community

Before We Welcome 2027

One year passes whether we prepare for it or not. Some enter a new year hoping things will become different; others prepare before it arrives. DE WAY 2026 was created for those who choose to prepare.

Fifteen pairs have already claimed their seats — bringing thirty people into the circle. Only 15 pairs remain.

Q1 2027 — Through Every Lens

DE WAY 2026 brings together every tool in our practice to map the first quarter of 2027 — BaZi, I Ching, and Face Reading, read side by side.

- | | |
|---------------------|--|
| BaZi | Timing & direction for career and wealth, specific to your Day Master. |
| I Ching | The governing hexagram of the quarter, read as guidance, not a verdict. |
| Face Reading | A living complement to the charts — reading present signs alongside destiny. |

A Circle Of Gratitude

Each registration already brings two people into the circle — a spouse, a parent, a friend, a mentor. Wisdom becomes more meaningful when shared, and your seat already includes theirs.

A Note For Our Existing Students

Many of you have been learning with me for months — and some, for years. Thank you. As a small gesture of appreciation, existing students may continue to register using the student pricing stated in the attached PDF. ICC Members, please refer to your ICC Telegram group for your exclusive arrangement.

One Question

Before I see you on 1 November, I'd love to ask you something — what is one question you hope to answer before entering 2027? Simply reply to this email. I read every response personally, and your reflections help shape the conversations we'll have together at DE WAY.

德道

One year passes whether we prepare for it or not. The question is not whether time moves. The question is who we become while it does.

Fifteen pairs have already chosen to begin preparing for 2027 together in 24 hours. We'd be glad to have you — and the person you're grateful for — join the circle too.
