Food Truck \$50 to Latino Unidos Plus City of Newton Application Process and Fees

Mobile food vendors operating in Newton must have licenses from the Kansas Department of Agriculture and the City of Newton. Before a City license is issued, the truck or mobile unit must be inspected for fire safety and other provisions of City Code. The vendor also may submit valid proof of inspection from another participating central Kansas fire department. Next, complete a Mobile Food Vendor License Application(PDF, 1MB) via PDF or the online form below. The completed application and \$50 annual license fee should be submitted to the City Clerk on the 3rd floor of City Hall, 201 E. 6th St.

Please Visit for more information and to complete the City of Newton's Application:
