

# *Hello Neighbor*

Aloha,

We at Emergency Animal Care & Help are saddened that you need to seek our services, but we are hopeful that we can provide you with some compassion and support during this difficult time.

We are here to try to find solutions and help our clients avoid pet euthanasia due to financial constraints, the surrendering of animals who need care to Maui's already overwhelmed animal resources, or neglect of a pet's medical needs when there is an unforeseen emergency or sudden illness. In some cases, we are here to allow our clients to be with their pets as they say goodbye, instead of having to give them away in their final moments.

Know that we want nothing more than to keep people like you together with your companions.

Please fill out our set of client intake forms so that we can assess and see how we can best help you. We will respond to you as soon as possible.

We look forward to working with you!

Mahalo,

*The Each Team*  
Your Neighbors
