

Holiday Greetings Las Senoras Ladies,

It's been quite a year! Certainly it has not gone as expected, however we are resilient. After some creative thinking our annual Home Tour evolved into our Cactus Garden Tour. The weather cooperated and we had a beautiful day for this outdoor event. Many of you helped behind the scenes and some out front and center. Betty Watt, you are one amazing Chairperson! To all of you, thank you!

We have one more event to finish our year and meet our fundraising goals. On December 5th we are planning a Shop and Support. Many of our previous sponsors and some new businesses are generously giving Las Senoras a percentage of the sales. Make your gift list and know that your purchases help us support DCWM.

We want you to understand that we are still moving forward with plans for the upcoming year. Our Annual Meeting is scheduled for January 18, 2021. Our plan is to have it at the Saguaro Theatre with social distancing factored into our seating. Check in will be at 11:15 followed by elections and voting on our newly revised bylaws. The bylaws will be provided to our membership in early January. We have a fascinating, short film documentary on Castle Hot Springs and are planning a gourmet boxed lunch from European Kitchen. We do have a plan B if it becomes necessary. Please watch your emails.

Membership is one of the ways we support DCWM. So if you have not paid your dues this year please do so. It is not too soon to renew for 2021. There is a link on our website to make it easy!

I personally would like to thank my fellow board members for their dedication. They have worked hard to keep up our fund raising efforts and none of this could have happened without them. I am eternally grateful to each and every one of them.

In Friendship and Service,
Deb Potect, President
