

Introducing the E-Series Widespan Shelving System !

Made in in North America

Featuring the best weight capacity of the Metalware storage systems, the E-Series Widespan Shelving is a versatile solution !

What offering the E-Series Widespan Shelving to your client will do...

- Provides double-sided picking with easy access to products
- Allows for the addition of shelving up to 8' wide and 4' deep
- Permits vertical (2-tier) and lateral expansions/additions using the 12 GA roll-formed posts
- Offers you the choice of wood, wire or metal shelving

E-Series Widespan Shelving application for a third-party distribution centre

Multi-tier system using E-Series Widespan Shelving customized for conveyors in a facility with uneven floors
