EXECUTIVE SUMMARY

Shevz Inc., a certified Service-Disabled Veteran-Owned Small Business (SDVOSB), delivers agile, high-performance solutions across aerospace, defense, logistics, manufacturing, and facility operations. Backed by decades of military aviation, UAS, VR training, and advanced manufacturing experience, we support complex DoD and government projects with precision and compliance. Our team specializes in firm-fixed-price contracts, offering services in aerospace ground systems, VR parachute simulators, secure IT infrastructure, and facility maintenance. While we operate with a lean footprint, our strength lies in rapid coordination, skilled personnel, and strategic partnerships that allow us to mobilize quickly and deliver reliable results. Built on trust, accountability, performance and always ready to serve.
