

SHEVZ INC

Capabilities Statement

Company Data

- **Legal Name:** SHEVZ INC
- **Incorporated:** November 17, 2022 | Arizona
- **Structure:** S-Corporation
- **UEI:** FDD3HGJCHS78
- **CAGE Code:** 9FLP2
- **EIN:** 88-4289152
- **Certifications:** SDVOSB (SBA Verified)
- **Website:** <https://shevz.net>
- **Corporate Address:** 5785 N Escondido Ln, Tucson, AZ 85704

Core Competencies

SHEVZ INC is a mission-ready, Service-Disabled Veteran-Owned Small Business (SDVOSB) delivering agile and full-spectrum solutions across federal, state, and international procurement ecosystems. Headquartered in Arizona, our veteran-led team combines aerospace R&D, virtual reality simulation systems, mission-critical logistics, and integrated infrastructure services under one execution model. With a proven record supporting the U.S. Air Force, U.S. Army, Navy, and allied foreign defense forces, SHEVZ brings certified compliance, advanced technology, and rapid deployment capabilities to high-priority government programs.

Our key competencies include:

- Military Free-Fall (MFF) & Parachute Simulation Installations (PARASIM)
- Aerospace Recovery Systems, R&D, and Unmanned Platform Support
- Engineering & Systems Integration for VR/AR Government Training
- Tactical Logistics & Infrastructure Services for DOD/FEMA
- Secure Facility Deployment, Field Training Site Design, and Retrofit

Differentiators

- Certified SDVOSB | SBA-Verified | Sole-Source Ready
- Veteran-operated with real-world DoD and airborne ops experience
- 100% past performance compliance on multi-year, multi-agency contracts
- Rapid response mobilization and installation capability across U.S. and international zones
- Actively engaged in Qatar/UAE-based simulation and special forces training support

NAICS Codes

- **541715** – R&D in Physical, Engineering & Life Sciences (**Primary**)
- 334511 – Aeronautical & Guidance Systems Manufacturing
- 541330 – Engineering Services
- 561210 – Facilities Support Services
- 541512 – Computer Systems Design Services (VR/AR)
- 611430 – Professional and Management Development Training
- 541519 – Other Computer Related Services
- 484220 – Specialized Freight (Logistics/Asset Transport)
- 238990 – Specialty Trade & Mission-Ready Installation
- 541611 – Admin & Management Consulting Services

PSC Codes

- **R425** – Engineering & Technical Support (**Primary**)
- R408 – Program Management/Support
- U012 – Simulation-Based Training
- U009 – Specialized Training & Readiness
- 6910 – Training Aids & Simulators
- D399 – IT & Other Special Technical Services
- S215 – Support Equipment: Parachutes, Airdrop
- Q601 – Technical Representation/Onsite Services
- A099 – Architect & Engineering (Other)
- Z2SB – Engineering Services – Systems Build Support
