

Mark Mavrikos

Mark Mavrikos was in the liquor industry for over 18 years. After his wife experienced a health scare, Mark discovered the benefits of CBD and decided to leave the liquor industry with a new take on life. With a passion for helping people, Mark opened up the very first CBD store in Richardson, TX called “CBD American Shaman of Richardson,” which is a part of the largest CBD franchise in the United States. Within under a year of opening his first location, Mark opened up his second location called “CBD American Shaman of Lake Highlands.”

Mark resides in Wylie, TX with his wife, two dogs, and a baby girl coming soon in November.
