

March 13, 2020

Dear preschool families,

The health and safety of your child, caregivers and our faculty is of utmost importance for us during this challenging time. We have received notice that Downey Unified School District will be closing beginning March 16-27, 2020 as a safety measure to help stop the spread of COVID-19. Other schools are also following this safety precaution during this outbreak. We are committed to providing a safe environment and are hopeful that by taking this social distancing we will be able to return to normal schedule after the two week period. We are closely monitoring the situation following the Centers for Disease Control (CDC) and World Health Organization (WHO) guidelines as well as guidance from our local school district to make informed decisions. We will keep you informed as things are changing quickly.

We ask that everyone stays safe by following proper hygiene methods everywhere.

As always, we appreciate your continued support.

Many blessings,

Margot Villa
Preschool Director
