

A low-angle, wide shot of a street in Universal Studios CityWalk. On the left is a large, ornate building with classical architectural details like columns and a balcony. A massive, detailed dragon sculpture is perched on the roof of this building, its head facing right. On the right side of the street are several other buildings, including one with a colorful, multi-faceted sign that says 'PEP' and another with a 'WAX' sign. The sky is bright blue with scattered white clouds.

# TRAVEL PROTECTION OPTIONS

- Final payment is the last chance to add travel protection through Universal. It's \$57.00 per person.
  - Can cancel up to 24 hours before check-in and get Universal components refunded.
  - **This is only pre-arrival insurance and doesn't cover issues after 24 hours before check-in.**
  - I don't recommend adding this until final payment because it is non-refundable.
  - Here is more info
- An alternative that I prefer, is to get coverage through Allianz. I personally like them because their customer service is awesome, kids are free on many of their plans and they can answer questions about COVID coverage and exclusions that you may have for airfare etc. You can change dates if necessary.
  - Use our ACAAM number to get agency pricing if you call in to get info about this option #F208053 1-866-884-3556

I'll help you with each element of your vacation.

You'll have me as your concierge experienced agent making your vacation enjoyable and magical!

My services are 100% FREE! I get the exact same pricing and promos as booking directly with Universal. Universal pays my commission, clients don't pay ANYTHING more to use my services than they would to book directly through Universal.

I do require guests purchase a package with a 2 day park ticket **minimum** and on-site Universal resort.

All payments are made through me by calling me with your credit card. Your deposit is due to lock in pricing, and is \$50 per person for packages. Deposits are 100% refundable until 46 days before travel. Final payments are due 45 days before travel.
