

September 2024 Newsletter

We had an amazing inaugural Tech Connect Gaming night on Sept 7th. We had over 21 gamers show up to socialize and play. We had so many gaming systems running that we tripped the power breakers!

Join us on October 5th for our next Tech Connect: Bridging the Gap through Esports and Technology meetup.

These events are Free and open to students ages 12 to 20 and are held on the 1st Saturday of each month at The Performers Academy. We will have sign up sheets to join our upcoming after-school esports clubs.

We will once again transform the Black Box theater into an esports and gaming lounge for the night. Special Guests include FSCJ Computer Networking Instructors!

And our good friends at Leaderboard Arcade will be providing Pizzas!

Tech & Gaming in the "BLACK BOX"

Special Thanks to Club Challenge of Orange Park for providing snacks and drinks and to FSCJ Computer Networking Instructors for showcasing some cool networking gear. They will be bringing Raspberry Pi systems for the October 5th Event!

Attention Students & Young Adults (16-25)

Are you interested in developing skills and knowledge to work in the Live Events Industry?

We are seeking interested students that want to join our cohort of learners to train along side our event management team to gain experience by producing a live show at the end of a 10 week interactive training program. Examples of live shows may be concerts, comedy shows, fashion shows or gameshows.
