## Tuition and Enrolment Agreement for Academic Year 2025

Full Name of Learner: \_\_\_\_\_

### Primary

#### 1. Tuition Policies

- (a) Sending a learner to City Montessori School represents a significant financial investment for the average family. At the same time, running a School like ours, with all of our classes, excellent staff/learner ratios and facilities, is a costly exercise. Our families are very special people who recognize and appreciate that an investment in education truly does pay the best dividends.
- (b) We have found that the most reasonable solution is to keep the basic tuition as low as possible by assigning only those costs directly related to teaching and education in the establishment of Annual Tuition Fees. All extra services, such as After Care and Extra Mural Activities are optional extras and shall be charged accordingly.
- (c) A supply list shall be given to parents/guardians in order to make practical contributions and keep fees as low as possible. The contents of this supply list will need to be handed in during the first week of School. Failure to do so will result in the parent/guardian being billed, and being held liable for, the equivalent monetary value of this supply list. The required list for 2025 is included in addendum 3.

- (d) Please keep in mind that enrolment in the School is for the full School year 2025 subject to what is set out hereunder. All independent Schools have countless expenses of a continuing nature that must be met, such as maintenance, salaries and supplies. To keep tuition as reasonable as possible, we have to operate on a carefully prepared budget. City Montessori School's tuition fees are calculated as one learner's share of the annual operating expenses; therefore it is essential that our annual income from tuition be assured.
- (e) As the parent(s) or guardian(s) of the above named learner (hereinafter referred to as the "Learner"), I/We hereby enrol the Learner at City Montessori School (hereinafter referred to as the "School") for the full 2025 School year.

## **2. Period of Enrolment**

- (a) I/We understand and agree that the period of enrolment shall be for the entire School year, or in the case of a Learner entering the School after the School year has begun from the date of admission to the last day of School in that year.

## **3. New Learners**

- (a) The primary aim of the School is to ensure an ideal match between School, Learner and Parents/Guardians. All new learners shall be enrolled, subject to a one month "settling in" period, during which time the School and the Parents/Guardians may mutually agree to terminate this contract with immediate effect should either the Learner, the School or the Parents/Guardians show legitimate reasons to do so.

## **4. Notice of Cancellation**

I/We understand and agree to assume full liability for tuition fees in respect of the learner for the 2025 academic year (or portion of such in the event of the learner entering the School after the School year has begun), subject to the following conditions:

- (a) In the event of the learner, for whatever reason, not being able to complete the year's Schooling, I/We shall be liable for the fees owing to the School for the remainder of the year, subject to the following:
- (i) I/We shall immediately give written notice to the School upon circumstances arising which occasions me/us to withdraw the learner from the School;
  - (ii) The balance of the fees for the year shall immediately become due and payable;
  - (iii) The School, in the discretion of the Principal, shall endeavour to replace the learner so withdrawn and, if such learner is replaced, the School may consider refunding the portion of the fees paid by me/us, commensurate with the fees paid by the substituted learner.

- (b) In the event of no written notice being given, and/or the School being obliged to institute legal proceedings against the parent/guardian, such parent/guardian shall be liable for the fees for the full outstanding balance of the year regardless of whether or not the School is able to mitigate the loss.
- (c) In the event of the School having to institute legal proceedings for the recovery of fees, the full outstanding balance of the fees for the remainder of that year shall immediately become due and payable, and the parent/guardian shall be liable for costs on the scale as between attorney and client.
- (d) In the event of a learner being withdrawn from the School at the end of an academic year, the parent/guardian of such learner shall give notice to the School on or before the last day of the second term of the year 2025, which notice shall be in writing, and the failure to furnish such notice timeously shall render the parent/guardian liable for the fees for the first quarter of the following year. Such payment shall become due and payable immediately upon written notice being submitted.
- (e) Verbal notice is not acceptable under any circumstances.

**5. Exclusion of Learner from Attendance at the School**

The School shall have the right to exclude, with immediate effect, any learner from attendance, temporarily or permanently, under any circumstances deemed in the sole and exclusive discretion of the School to be interfering with the health, safety, or educational development of the Learner, or any other learner/s in the School. Any such exclusion, whether temporarily or permanently, shall only be valid if in writing and signed by the Principal. In the event of this, any prepaid tuition will be refunded on a pro-rata basis, less the enrolment and registration which shall remain non-refundable.

**6. Commitment of Support for the School's Program and Activities**

- (a) I/We understand and agree that the educational model at City Montessori School is based on a two-way partnership, between the School and the Family. It requires an investment of trust, cooperation, time and energy in support of each learner's education both at home and at School.
- (b) Further, as a Montessori School, I/We understand and agree that I/We will be expected to actively participate in the life of the School, including scheduled, individual parent meetings, meetings of the families of the learner's class and community meetings.
- (c) I/We agree to support and promote the School's general approach, policies and values as set forth by the School from time to time.

- (a) Everyone's assistance is required in ensuring the gates are securely closed upon entry and exit. Please close the gate.
- (b) The class directress must be notified of any changes to the person collecting/dropping off the learner at School. If necessary, please provide the School with a list of people who may/may not collect the learner/learners.

## **9. Changes in Emergency and Contact Details**

- (a) Parents/guardians shall notify the School, IN WRITING, of changes to telephone and postal detail changes. Please give these by letter or by email. Do NOT SMS these changes, as they do not provide permanent record.
- (b) Parents/guardians shall notify the School of changes to people collecting/dropping off the learner/learners at School.
- (c) Parents/guardians shall notify the School of any changes to the learner's health, especially in respect of new illnesses and allergies.

## **10. Illness/absence from School**

- (a) Please phone the School if the learner is sick and will not be at School. For the benefit of everyone, please keep the learner at home until he/she is fully recovered. This will prevent a vicious circle of infection and re-infection.
- (b) A STRICT POLICY OF NOT ALLOWING SICK LEARNERS AT SCHOOL WILL APPLY. Please consider the needs of the learner, staff and other learners during these times.
