

Pack the Container of Hope: Join Our Supply Drive!

August 25, 2025 - September 25, 2025

Help Us Fill Lives with Essential Supplies

Join the Figi Jezi mission to bring relief and joy to the Haitian community. Your contribution can make all the difference. Let's fill every corner of our container with hope, one item at a time! Due to the immediate need and limited container space, we are only able to accept the items listed on the back or similar (new or gently used).

Shop with Ease

We would also be delighted if you visit our shopping list on Amazon to purchase some of these items for a hassle-free donation. Your generosity can help us provide support to those in need and shopping online makes it easier than ever to contribute. Scan the QR code on back or visit:
