

Refund Policy for NursingElevated.com

Last Updated: November 2025

Thank you for choosing **Nursing Elevated LLC**. We are committed to delivering high-quality digital products and educational resources. Because of the nature of digital goods, access is granted immediately upon purchase, which limits the ability to revoke content once delivered.

Please review our refund guidelines below.

Digital Products (Workbooks, Toolkits, PDFs, Templates)

All digital product sales are **final**.

We do not offer refunds, cancellations, or exchanges on:

- Downloadable PDFs
- Interactive workbooks
- Digital templates
- Toolkits
- Guides
- Study materials
- Curriculum or modules

Once access is delivered, the sale is complete.

Membership Programs

Membership fees are billed on a recurring basis as described at checkout.

- You may cancel anytime.
- Cancellations apply to **future** billing cycles.
- Past payments are non-refundable.

If a free trial is offered, cancellation must occur prior to the end of the trial period to avoid charges.

Courses or Digital Training (if applicable)

Unless a specific course offering includes a stated guarantee (e.g., “7-day refund”), all course purchases are final.

Refund guarantees, if offered, must meet the requirements listed in the product description.

Accidental Purchases

Because products are delivered instantly, accidental purchases are generally **not eligible for refunds**.

If you believe a technical issue occurred, please email **support@nursingelevated.com** and we will review your case.

Duplicate Purchases

If you accidentally purchased the same digital item twice, contact us with proof and we will issue a refund for the duplicate charge.
