

# Cobras 9U - Intake Sheet

Welcome everyone to kid pitch. As the coaching staff prepares for the summer we need a little input to help with the planning for the summer months ahead. This summer we will try to have practices on Tuesdays and Thursdays and one on the weekend. We are working on a summer schedule and want to make the **top priority the children's arm health**. We will do our best to work around private instruction the children may have scheduled or you plan to schedule. If any of the information changes over the summer please let a coach know. We are also working on coordinating with outside coaching and want to do our best to make sure the boys are in attendance when a specialty coach is scheduled for practice. The cost for the summer will be \$125.

Does your child

- have private hitting instruction? Yes or No
- private pitching lessons? Yes or No
- If so, what day of the week? \_\_\_\_\_
- attend a summer baseball camp? Yes or No
- If so, is it all week, all summer long? Yes or No
