WELCOME

We invite you to be involved in our 13th annual charity golf tournament, whether it be as a sponsor or a golfer. The day will consist of golf, food, fun, and various prizes and awards.

Every year we choose a charity that benefits our surrounding areas. This year we are raising money for Veterans Community Initiatives (VCI).

Veterans Community Initiatives is a non-profit organization that has provided services and programs to all veterans for free as a compliment to services offered by Veterans Affairs for over 30 years. The program is funded purely by community donations, fundraising, and grants.

Some of the programs offered by VCI include career counseling, a rural veterans outreach program, a court program, long-term care and aging education services, and much more. VCI also maintains the Murtha Statue and the beautification of the Veterans Park. They sponsor many veteran-related events including Vietnam Veterans Recognition Day, Military Spouse Appreciation Day, a Memorial Day wreath laying program, and the Veterans' Day Parade. The VCI also participates in the Van Zandt Veterans Advisory Council.

With your help, we would like to be able to beat our donation records in the past to be able to donate to this wonderful program.

All of us here at G.A.P. FCU are looking forward to this year's golf tournament and raising funds to go straight to Veterans Community Initiatives (VCI), which in return puts it back into the local community to help those in need.

Thank you and we hope to see you on September 21st!
