THE TRANSEW FARMERS MORE THAT BEATS A

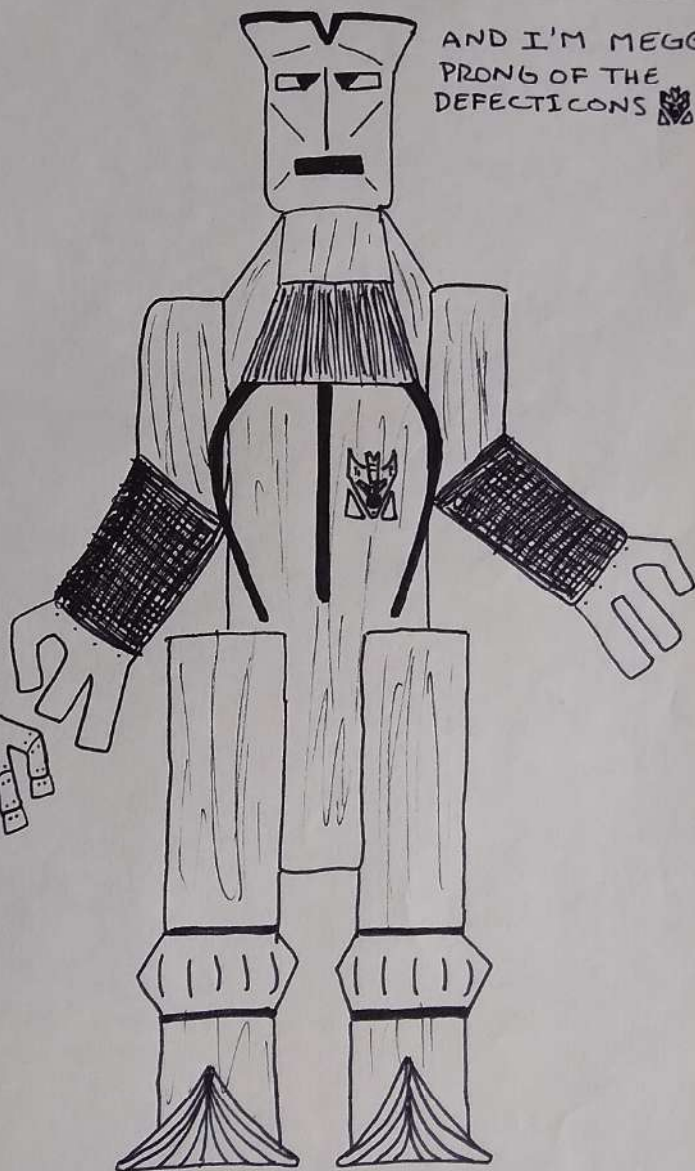

LII!

GREETINGS. I'M OPTIMUS SWINE OF THE AUTO-FLOPS  ...

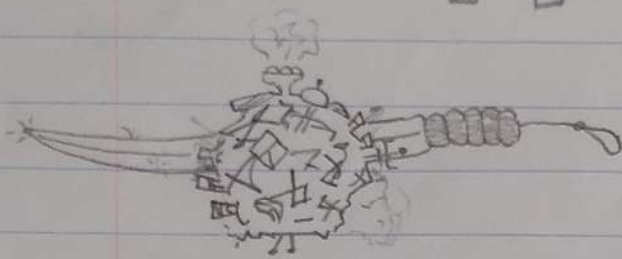

AND I'M MEGGA-PRONG OF THE DEFECTICONS .

TO LEARN MORE ABOUT US AND OUR EXCITING **BATTLES** JUST TURN THE PAGE !

TRANSFORMERS FARMERS

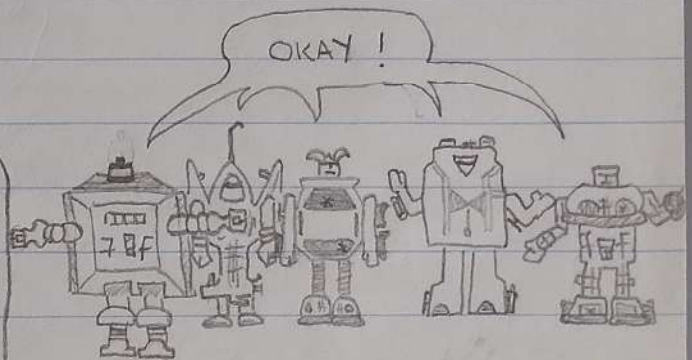

MANY BILLIONS OF
YEARS AGO ON THE
PLANET SABERTRON...

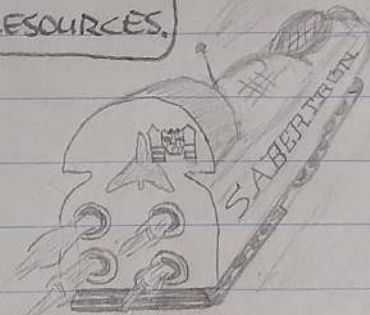

THERE WAS LIFE,
BUT NOT LIFE LIKE
US: THESE "BEINGS"
WERE STUPID ROBOTS.

AUTOFLOPS, WE ARE
GOING TO HAVE TO
MAKE A JOURNEY
TO ANOTHER PLANET
TO "STEAL" ITS RESOURCES.

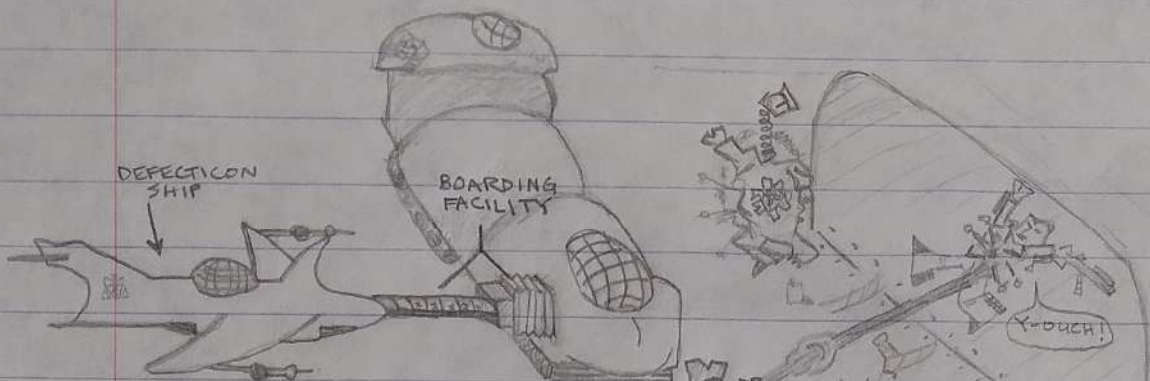

OKAY!

THE AUTOFLOPS TAKE OFF
IN A SABERTRONIC SPACE-
SHIP...

... AND HEAD TOWARDS THE
PLANET EARTH.

HOW GHASTLY! THE
DEFECTICONS ARE
INTERCEPTING AND
INVADING THE AUTOFLOP

AND, INSIDE, THERE
WAS HAVOC...

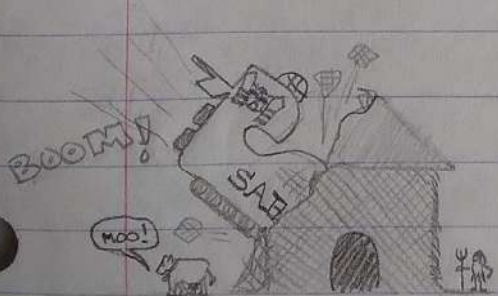

BUT, OPTIMUS SWINE
DEFEATS MEGA-PRONG,
AND THE AUTOFLOPS ARE
SAFE... OR ARE THEY?

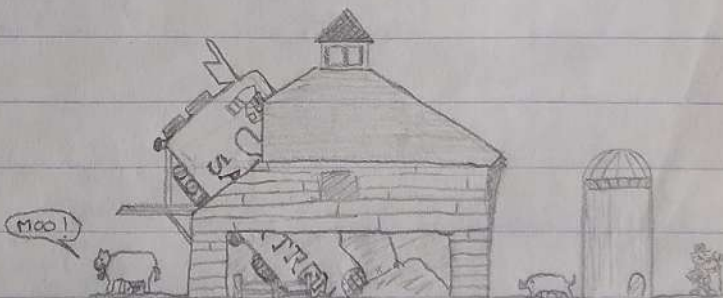

WHEN THE DEFECTICONS INVADED
THE SHIP, THEY DISRUPTED THE
CONTROL PANEL, SETTING THE AUTOFLOP
SHIP ON A DIRECT COURSE FOR DOOM...

500,000 B.C.

AD. 1985

THE AUTOFLOP SHIP CRASHED INTO
A STONE AGE BARN...

AND REMAINED DORMANT EVEN AS
THE BARN CHANGED.

THEN, ONE DAY, A FARMER
CAME IN TO SHOVEL SOME
HAY. APER HE WAS DONE, HE
THREW THE PITCHFORK INTO

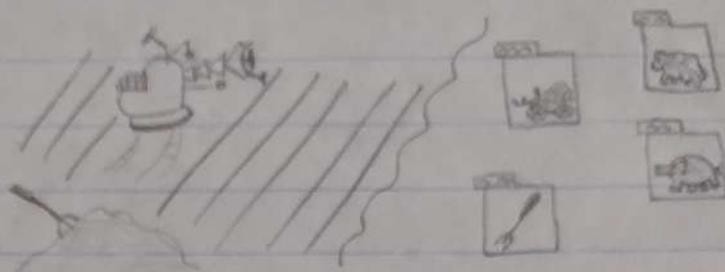

THE PILE OF HAY. IT STRUCK
THE SIDE OF THE SHIP, RE-
AWAKENING A FULLY-
OPERATIVE REPAIRING MODULE.^(FORM)

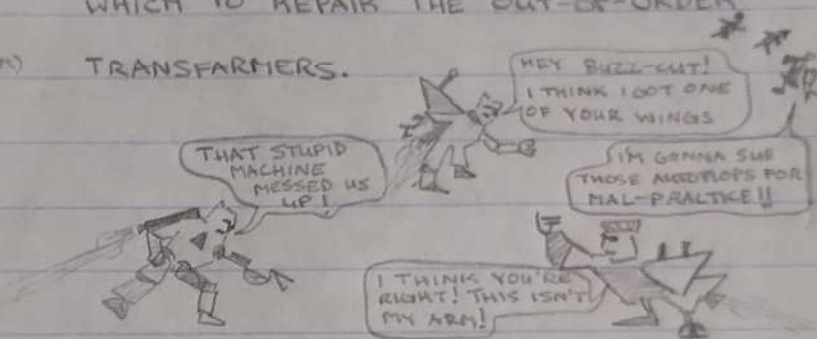

UNFORTUNATELY, THE
MODULE REPAIRED THE
DEFECTICONS FIRST

THE DEFECTICONS LOCATED
THEIR SHIP, AND SET TO WORK
REPAIRING IT AND THEMSELVES.

THIS MODULE SENT OUT A PROBE,
WHICH COLLECTED DATA WITH
WHICH TO REPAIR THE 'OUT-OF-ORDER'
TRANSFARMERS.

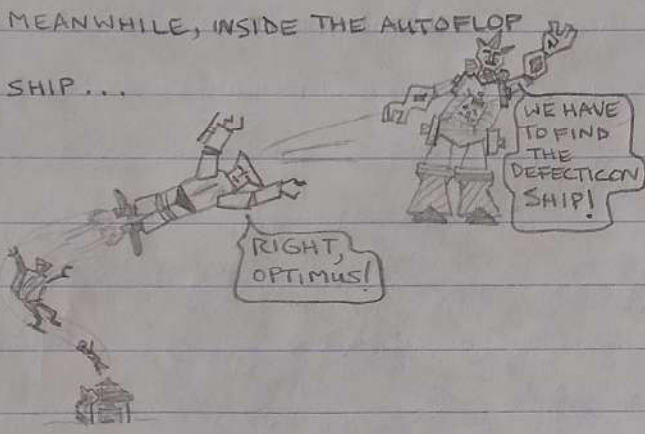

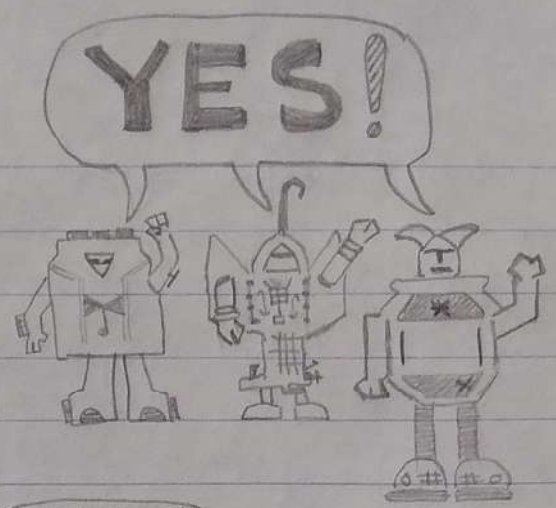

THEY FLEW AWAY, LOOKING
FOR THEIR SHIP, WHICH HAD BROKEN
AWAY FROM THE AUTOFLOP SHIP ON IMPACT.

BEFORE

AFTER

INSIDE THE DEFECTICON
SHIP...

SO, THE AUTOFLOPS LEAVE IN SEARCH OF THE DEFECTICON SPACESHIP...

... AND EVENTUALLY FIND IT...

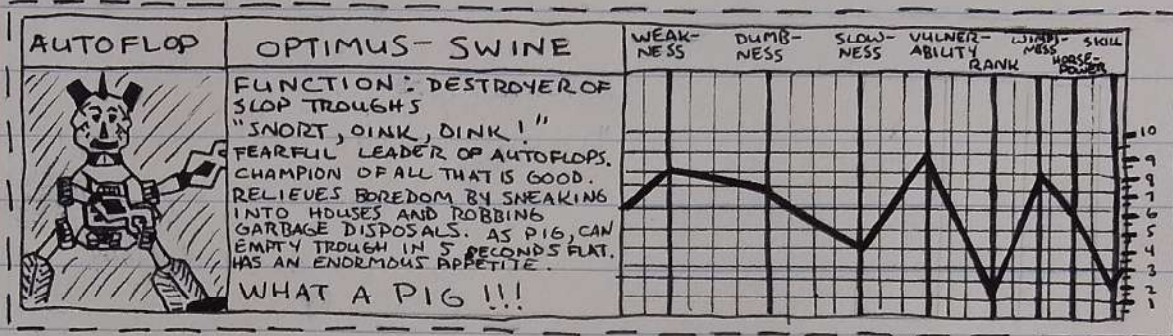

AND ATTACK !! (?)
