The Association and its officers however, shall retain at all times the powers and duties provided in Chapter 720, Florida Statutes, as amended from time to time.

#### **ARTICLE FOUR** **COVENANT FOR MAINTENANCE ASSESSMENTS**

4.01 Creation of the Lien and Personal Obligation of Assessments. Declarant, for each Lot, hereby covenants, and each Owner of any Lot, regardless of how his or her title has been acquired, upon acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, (2) special assessments for capital improvements to the Common Area, and (3) the lien for assessments for capital improvements to the Common Area by any governmental entity ("Governmental Assessments"), as such assessments are hereinafter established and shall be collected as hereinafter provided. The annual, special, and Governmental Assessments, together with interest, costs, an administrative late fee not to exceed the greater of \$25 or 5% of the amount of each installment that is paid past the due date, and reasonable attorneys' fees, shall be a charge on the Lot and shall be a continuing lien upon the property against which each such assessment is made. Any payment received and accepted by the Association shall be applied first to any interest accrued, then to any administrative late fee, then to any costs and reasonable attorney's fees, and then to the delinquent assessments. Each such assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall pass to successors in title.

4.02 Purpose of Assessments. The assessments levied by the Association shall be used exclusively to provide for the management, care and maintenance of the Common Area and any improvements constructed thereon, including provision for appropriate insurance against

casualty and liability. The Association shall have the obligation to maintain the Common Area (including, without limiting the generality of the foregoing, any and all easements, drainage facilities, landscaping, structures, holding and retention ponds, and the like, whether denominated as such or otherwise, excluding, however, the Stormwater Management Facility and any drainage facilities and holding and retention ponds, if any, conveyed to and accepted by any public or quasi-public entity in accordance with this Declaration) and shall pay all ad valorem property taxes assessed upon them. The Association may fund in the Reserve Account such sums as it determines in good faith are necessary and adequate to make periodic repairs and improvements to any part of the Common Area.

4.03 Annual Assessments. To provide the total sum necessary for the insurance, Reserve Account and improvements within the Subdivision, each Member for each Lot owned shall pay a portion of the total amount necessary for such purposes to the Association equal to one-sixty second (1/62) of such total amount. The amount of assessment assessed against each Member as provided under the foregoing sentence shall be assessed by the Association as a lien at the beginning of each annual assessment period.

4.04 Special Assessments for Capital Improvements Upon Common Area. In addition to the annual assessments authorized above, the Board of Directors may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area and any entrance wall or signage, including fixtures and personal property related thereto; provided, however, that the total of all such special assessments for any given calendar year shall not exceed \$500 per Lot, unless such special assessments in excess of such total are approved by the affirmative vote of the Members holding a majority of the voting rights in the Association. Notwithstanding the foregoing, before Turnover, the Board of Directors may not levy a special assessment unless a majority of Members, other than the Declarant, has approved the special assessment at a duly called special meeting.

4.05 Date of Commencement of Annual Assessments and Due Dates. The annual assessments provided for herein shall commence as to a particular Lot upon conveyance of the Lot to any Owner who is not Declarant or a Builder. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors, and one-fourth (1/4<sup>th</sup>) of any annual maintenance or other special assessment shall be due each calendar quarter. Within thirty (30) days after a written request, the Association shall, for a reasonable charge as established by the Board of Directors, furnish a certificate signed by an officer of the Association, setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

4.06 Effect of Nonpayment of Assessments and Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest thereon at a rate

to be set by the Board of Directors but in no event greater than the maximum percentage rate as may then be permitted under the laws of the State of Florida. The Association may bring an action at law or in equity against the Owner personally obligated to pay the same, foreclose a lien against the property or seek injunctive relief. Interest, costs, and reasonable attorneys' fees of any such action shall be added to the amount of such assessment. Each such Owner, by his acceptance of a deed to or other conveyance of an interest in a Lot, hereby expressly vests in the Association the right and power to bring all actions against such Owner personally for the collection of each charge as a debt and to foreclose the aforesaid lien by all methods available for the enforcement of such liens, including foreclosures by an action brought in the name of the Association in a like manner as a mortgage lien on real property. The lien provided for in this section shall be in favor of the Association and shall be for the benefit of all Owners. The Association, acting on behalf of the Owners, shall have the power to bid for an interest foreclosed at foreclosure sale and to acquire and hold, lease, mortgage, and convey the same. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of said Owner's Lot. The Board of Directors may also suspend the use rights of any Owner of the Common Area in the event of a failure to pay any assessment within thirty (30) days of the applicable due date. Prior to such suspension, any Owners will be given 14 days' notice of the suspension and an opportunity for hearing, if required, pursuant to Florida law.

4.07 Subordination of the Lien to Mortgages. All sums assessed by the Association for common charges applicable to any Lot remaining unpaid will constitute a lien on the Lot prior to all other liens except, subject to Section 4.08 below, any amounts unpaid under first mortgages and trust deed instruments duly recorded in the public records prior to the Association's recording of a claim of lien in the public records. The lien of the Association is perfected upon recording a claim of lien in the Public Records of Escambia County, Florida, stating the description of the Lot, the name of the record owner, the name and address of the Association, the assessment amounts due and the due dates.

4.08 Acquisition of Lot at Foreclosure or Other Sale; Effect.

- (a) An Owner, regardless of how his or her title to a Lot has been acquired, including by purchase at a foreclosure sale or by deed in lieu of foreclosure, is liable for all assessments, including any Governmental Assessment, which come due while he or she is the Owner. Additionally, an Owner is jointly and severally liable with the previous owner for all unpaid assessments, including any Governmental Assessment, that came due up to the time of transfer of title. This liability is without prejudice to any right the Owner may have to recover from the previous owner the amounts paid by the Owner.
- (b) Notwithstanding any contrary provision in Section 4.07 or Section 4.08(a) above, a first mortgagee, or its successor or assignees as a subsequent holder of a first mortgage, who acquires title to a Lot by foreclosure or by deed in lieu of foreclosure shall be liable for payment of the unpaid assessments that became due before the mortgagee's acquisition of title, up to, but not exceeding, the lesser of:

1. The Lot's unpaid common expenses and regular periodic or special assessments which accrued or came due during the 12 months immediately preceding the acquisition of title and for which payment in full has not been received by the Association; or
2. One percent (1%) of the original mortgage debt.

The limitations set forth in subparagraphs 1 and 2 of this paragraph (b) shall apply only if the first mortgagee joined the Association as a defendant in the foreclosure action; otherwise, a first mortgagee's liability for unpaid assessments that became due before the mortgagee's acquisition of title shall not be limited by said subparagraphs 1 and 2. Joinder of the Association is not required if, on the date the complaint is filed, the Association was dissolved or did not maintain an office or agent for service of process at a location which was known to or reasonably discoverable by the mortgagee.

4.09 Estoppel Letter. The Association shall, within thirty (30) days after receiving a written request therefor and for a reasonable charge, as established by the Board of Directors, certify to the amount of any unpaid assessments constituting a lien on a specified Lot. A certification letter signed by an officer of the Association or the Association's managing agent, if any, as to the amount of assessments due with respect to a Lot shall be binding upon the Association.

## **ARTICLE FIVE**

### **MAINTENANCE AND REPAIR**

5.01 Maintenance. The Association shall provide maintenance of the Common Area. In addition, the Association shall have the right, but not the obligation, to maintain other property not owned by the Association, whether within or without the Subdivision and to enter into easement and covenant to share costs agreements regarding such property where the Board has determined that such action would benefit the Owners. The Association shall not be liable for injury or damage to person or property: (x) caused by the elements or by an Owner or any other person; (y) resulting from rain or other surface water which may leak or flow from any portion of the Common Area; or (z) caused by any street, pipe, plumbing, drain, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association, becoming out of repair. Each Lot Owner shall maintain his or her respective Lot and shall also maintain and repair, at such Owner's sole cost and expense, said Owner's House, patio and yard area keeping the same in good condition and making all structural repairs and maintenance, external and internal, as may be required from time to time, including, but not limited to maintenance and repairs of any enclosed patio area, screens and screen doors, exterior door and window fixtures, glass, and other hardware. Each Owner shall also be responsible for the maintenance and repair of any fence or fences erected on such Owner's Lot and gates appurtenant thereto.

5.02 Failure to Maintain. In the event an Owner shall fail to maintain and repair his Lot and the improvements situated thereon, as provided for herein and provided that the failure to so maintain shall cause damage or injury to the adjoining Lot or to common structural elements which affect an adjoining Lot, the Association, after approval by a majority vote of the Board of Directors, shall have the right, through its agents and employees, to enter upon said Lot and to repair, maintain, and restore the Lot and the House and any other improvements erected thereon. The cost of the same shall be added to and become part of the assessment to which such Lot is subject; provided, however, if a dispute arises concerning the foregoing between the Lot Owner and the Association, the matter may be submitted to arbitration in accordance with the mutual agreement of the parties.

5.03 Damage to Common Area. Notwithstanding anything contained in this Article Five to the contrary, each Owner shall be personally responsible and personally liable for any damage to the Common Area, or any portion thereof, caused by the Owner and/or the Owner's family members, guests, invitees, lessees or licensees as a consequence of the negligence, recklessness or willful misconduct of such person. The cost of repair for any damage so caused by the Owner, the Owner's family members, guests, invitees, lessees or licensees shall be a special assessment against the Owner responsible therefor and the Lot of such Owner.

## **ARTICLE SIX** **ARCHITECTURAL CONTROL**

6.01 Submission of Plans and Specifications. No House, building, fence, wall, or other structure or improvement shall be constructed, erected, or maintained upon any Lot, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted by a Lot Owner to and approved in writing as in harmony with this Declaration and the external design and location of the surrounding structures and topography by the Architectural Review Committee. Two (2) copies of the final building or construction plans, specifications, and plot plat showing the location of each building, structure, or improvement (collectively, the "Plans") shall be submitted to the Architectural Review Committee. Prior to commencement of any construction activities on a Lot, a Lot Owner's Plans must be approved by the Architectural Review Committee as to conformity and harmony with this Declaration and of external design with the existing or planned structures in the Subdivision and as to location of the building, structure, or improvement with respect to topography and finished ground elevation. The Architectural Review Committee may, from time to time, establish additional written design guidelines for the Subdivision.

6.02 Approval or Disapproval. The Architectural Review Committee shall indicate its approval or disapproval of such plans and specifications by delivering, in writing, notice of such approval or disapproval to the requesting Lot Owner. In the event the Architectural Review Committee fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval shall be deemed automatically given.

6.03 Right of Inspection. The Architectural Review Committee shall have the right, but not the obligation, to inspect the Owner's Lot and improvements during construction and prior to occupancy to insure construction in accordance with the construction plans submitted and approved by the Architectural Review Committee. Failure of an Owner to comply with the provisions of this Section 6.03, or failure of an Owner to carry out construction in accordance with the provisions of this Article, shall subject such Owner to such remedies as might be available at law or in equity (including, but not limited to, specific performance and injunction, payment of the prosecuting parties' reasonable legal fees and expenses).

6.04 Limited Review. The scope of review by the Architectural Review Committee is limited to appearance only and does not include any responsibility for structural soundness, suitability of construction or materials, compliance with building or zoning codes or standards, this Declaration, or any other similar or dissimilar factors.

6.05 Waiver of Liability. Neither the Architectural Review Committee nor any architect nor agent thereof nor the Association nor any agent or employee of any of the foregoing shall be responsible in any way for the failure of any improvements to comply with the requirements of this Declaration, nor for any defects in any plans and specifications submitted, revised or approved in accordance with the foregoing provisions, nor for any structural or other defects in any work done according to such plans and specifications, and all persons relying thereon or benefiting therefrom agree not to sue or claim against the entities and persons referred to in this Section for any cause arising out of the matters referred to herein and further agree to and do hereby release said entities and persons for any and every such cause.

## **ARTICLE NINE**

### **RESERVED DECLARANT RIGHTS**

9.01 General Reserved Rights. Until Turnover, Declarant reserves unto itself, its successors and assigns:

- (a) A right-of-way and easement for ingress and egress and easement for utilities, drainage, maintenance, repairs and other related uses over, along, and across the Common Area for all purposes relating in any manner to the subdividing, developing or aiding in the development of the Subdivision or any parts or parts thereof or additions thereto by Declarant or others.

- (b) The right to grant easements and rights-of-way of ingress and egress and for drainage, utilities, maintenance and repairs along, over, across and under the Common Area to any person, firm, corporation or entity for use as ingress or egress or for drainage, utilities, maintenance and repairs.

All of the above rights and interests reserved by Declarant may be exercised by Declarant without the consent or concurrence of the Association or any Member.

9.02 Right to Add Property. Declarant hereby reserves the right, exercisable in its sole and absolute discretion, to (a) make any real property adjacent to the Subdivision (the "Additional Property") subject to all or any of the terms and conditions of this Declaration and/or (b) permit owners of Additional Property to become Members of the Association. No assurances can be made as to whether any Additional Property will be added. Furthermore, Declarant expressly reserves the right to exercise this right on multiple occasions until Turnover. No assurances can be made with respect to the boundaries of any portions of any Additional Property that might be added. Declarant's option to add any Additional Property in accordance with this Section shall expire upon Turnover. The Additional Property may be added in accordance with this Section by an amendment to this Declaration, which amendment may be made and entered into by Declarant in its sole and absolute authority and discretion without the consent, approval or signature of the Association or any Member (except for the consent rights granted in Section 9.05). Notwithstanding anything contained in this Section to the contrary, no Additional Property shall be subject to this Declaration unless and until Declarant executes and records in the amendment to this Declaration affirmatively exercising Declarant's rights hereunder in the office in which this Declaration is recorded.

9.03 Amendment of Declaration by Declarant. Until Turnover, Declarant reserves unto itself the right, authority and power to amend this Declaration in any manner Declarant deems necessary and appropriate. Any amendment to this Declaration made in accordance with this Section shall require only the signature of Declarant and shall not require the signature of any other Lot Owner or any mortgagee of any Lot Owner.

9.04 Insurance on Common Area. The Association shall obtain the insurance coverage necessary to satisfy the requirements of the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the U.S. Department of Veterans Affairs, and the U.S. Department of Housing and Urban Development, as applicable to the Subdivision. Accordingly, the Board shall obtain casualty insurance for all insurable improvements, whether or not located on the Common Area, which the Association is obligated to maintain. This insurance shall provide, at a minimum, fire and extended coverage and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The Board shall obtain a public liability policy applicable to the Common Area covering the Association and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents, and, if reasonably available, directors' and officers' liability insurance. Policies may contain a reasonable deductible as determined by the Board. In addition to the other insurance required by this section, the Board shall obtain worker's compensation insurance, if and to the extent necessary to satisfy the requirements of applicable laws, and a fidelity bond or bonds on directors, officers, employees

and other persons handling or responsible for the Association's funds, if reasonably available. If obtained, the amount of fidelity coverage shall cover the maximum funds that will be in the custody of the Association or its management agent at any time while the policy is in force, or any lesser amount of fidelity coverage allowable under the applicable Fannie Mae guidelines. Fidelity coverage shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation. All such insurance coverage shall be written in the name of the Association.

9.05 Individual Insurance. By virtue of taking title to a Lot subject to the terms of this Declaration, each Owner acknowledges that the Association has no obligation to provide any insurance for any portion of individual Lots and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry all-risk casualty insurance on the Lot and all structures constructed thereon and a liability policy covering damage or injury occurring on a Lot. The casualty insurance shall cover loss or damage by fire and other hazards commonly insured under an all-risk policy, if reasonably available and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The policies required hereunder shall be in effect at all times.

9.06 Damage and Destruction – Insured by Association. Not later than ninety (90) days after damage or destruction by fire or other casualty to any portion of any improvement covered by insurance written in the name of the Association, the Board or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within 120 days after the casualty, a proposal not to repair or reconstruct such property is approved by at least seventy-five percent (75%) of the voting interests of the Members. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed one hundred eighty (180) days. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Members, levy a special assessment against the Owner of each Lot. Additional assessments may be made in like manner, as necessary, at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit of the Association. In the event that it should be determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, the property shall thereafter be maintained by the Association in a neat and attractive condition.

9.07 Damage and Destruction – Insured by Owners. The damage or destruction by fire or other casualty to all or any portion of any improvement on a Lot shall be repaired by the Owner thereof within ninety (90) days after such damage or destruction, or, where repairs cannot be completed within ninety (90) days, they shall be commenced within such period and shall be diligently and continuously pursued until full completion, but in no event shall completion of such repairs take longer than two hundred seventy (270) days from the date of such damage or destruction. Alternatively, the Owner may elect to demolish all improvements on the Lot and remove all debris therefrom within ninety (90) days after such damage or destruction. Upon demolition of all improvements on the Lot, the Owner shall ensure that the Lot does not become overgrown with weeds or other nuisance vegetation (as reasonably determined by the Association), shall maintain the Lot free and clear of all debris, and shall maintain the Lot in accordance with any written guidelines for the Subdivision established by the Architectural Review Committee.

9.08 Turnover. All rights of Declarant under this Article shall automatically terminate upon Turnover, except those rights that Declarant holds as an Owner and not by virtue of being the declarant under this Declaration, which shall continue as long as Declarant is an Owner.

complain of any act or to declare any Person in default hereunder, irrespective of how long that failure continues, does not constitute a waiver by that Person of its rights with respect to that default.

10.06 Interpretation. 10.07 Notice. All notices required or desired under this Declaration to be sent to the Association shall be sent certified mail, return receipt requested, by hand delivery or by a recognized overnight courier who maintains verification of delivery, to the Secretary of the Association, at such address as the Association may designate from time to time by notice in writing to all Owners.
