This Declaration (herein referred to as the "Declaration" or "Revived Declaration") is made by the written agreement of a majority of the affected parcel owners in Silverleaf (a residential subdivision according to the plat thereof recorded in Plat Book 13, Page 50, Public Records of Escambia County, Florida) pursuant to Chapter 720, Part III, Florida Statutes.

SILVERLEAF DEVELOPMENT CORPORATION, a Florida Corporation (herein referred to as "Declarant") recorded the covenants, restrictions, reservations and servitudes on the forgoing described property in Official Records Book 2350, Page 765 as amended in Official Records Book 3656 Page 612; all in the Public Records of Escambia County, Florida. These covenants, conditions, restrictions and servitudes expired pursuant to Chapter 712 of the Florida Statutes, also known as the Marketable Record Title Act.

Pursuant to authority granted under Chapter 720, Part III, Florida Statutes, the organizing committee consisting of Alan Bint, Sarah Andrasik, and William Taylor does hereby submit these covenants, restrictions, reservations and servitudes for revival (hereinafter referred to as the "Revived Declaration"). The attached Exhibit "B" more particularly identifies each Lot and other real property that is to be subject to the governing documents by its legal description, and by the name of the parcel owner or the person in whose name the parcel is assessed on the last completed tax assessment roll of the county at the time when the proposed revived declaration is submitted for approval by the parcel owners. The Articles of Incorporation for the Silverleaf Homeowners' Association, Inc. ("Association") are attached as Exhibit "C". The Bylaws for the Association are attached as Exhibit "D". The graphic depiction of the real property subject to the Revived Declaration is attached as Exhibit "E". All attachments are incorporated into and made a part of this Revived Declaration.

The real property encumbered by this Declaration, as described herein and governed by the Association (as defined herein) shall be subject to and operated in accordance with Chapter 720 and Chapter 617, Florida Statutes. The voting interest of each parcel owner shall be the same as the voting interest of the parcel owner under the previous governing documents. The proportional-assessment obligations of each parcel owner shall be the same as proportional-assessment obligations of the parcel owner under the previous governing documents. The respective amendment provisions are the same as those contained in the previous governing documents. This Revived Declaration contains no covenants that are more restrictive on the affected parcel owners than the covenants contained in the previous governing documents, except as permitted under Section 720.404(3). This Revived Declaration complies with the other requirements for a declaration of covenants and other governing documents as specified in Chapter 720.

### **ARTICLE I. DEFINITIONS**

**Section 1.** "Association" shall mean and refer to Silverleaf Homeowners' Association, Inc., a Florida corporation not for profit, its successors and assigns.

**Section 2.** "Owner" shall mean and refer to the record owner, whether one or more persons or entities, of a fee simple title to any Lot which is a part of the Properties, as well as the contract vendee under a contract for deed, but excluding those having such interest merely as security for the performance of an obligation.

However, the Association conveyed Parcel F to the City of Pensacola in 1992 in that Warranty Deed recorded at Official Records Book 3281, Page 326, and conveyed private streets in Silverleaf to the City of Pensacola in 1996 in that Warranty Deed recorded in Official Records Book 4068, Page 1004, all in the Public Records of Escambia County, Florida.

(a) the right of the Association to suspend the voting rights of any Owner for any period during which any assessment against his Lot remains unpaid; and for a period not to exceed sixty (60) days for any infraction of its published rules and regulations;

(b) the right of the Association to grant permits, licenses, and easements over the Common Areas for utilities, roads, and other purposes reasonably necessary or useful for the proper maintenance or operation of the project.

**Section 2. Delegation of Use.** Any Owner may delegate, in accordance with the By-Laws, his rights of enjoyment to the Common Area and facilities to the members of his family, his tenants, or contract purchasers who reside on the property.

### **ARTICLE III. MEMBERSHIP AND VOTING RIGHTS**

**Section 1.** Every Owner of a Lot which is subject to assessment shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to the assessment.

**Section 2.** The Association shall have one class of voting membership: All Owners shall be entitled to one vote for each Lot owned. When more than one person holds an interest in an Lot, all such persons shall be members. The vote for such Lot shall be exercised as determined by the Owners thereof, but in no event shall more than one vote be cast with respect to any Lot.

### **ARTICLE IV. COVENANT FOR MAINTENANCE ASSESSMENTS**

**Section 1. Creation of the Lien and Personal Obligation of Assessments.** Each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for the delinquent assessments shall not pass to the successors in title of that Owner unless assumed expressly by them.

**Section 2. Purpose of Assessments.** The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents, and for the improvement and maintenance of the Common Area. The Association shall have the obligation to maintain all common areas, such portions of lots and improvements thereto as may be determined by the Association, including but not limited to landscaping of the entrance way, maintaining the sign and lighting at the entrance way, and street lighting throughout the subdivision, and shall pay all ad valorem real property taxes assessed upon it. The Association shall fund such sums as are necessary to make periodic repairs and improvements to the Common Area roadways and holding pond.

**Section 3. Maximum Annual Assessment.** For 2019, the maximum annual assessment shall be \$195 per year per Lot.

(a) The maximum annual assessment may be increased each year not more than fifteen percent (15%) above the maximum assessment for the previous year without a vote of the membership.

(b) The maximum annual assessment may be increased above fifteen percent (15%) by a vote of two-thirds (2/3) of the members who are voting in person or by proxy at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

(d) Regardless of the provisions above, the Association shall be obligated to pay all ad valorem real property taxes unpaid upon any Common Area, and in no limitation above shall ever prohibit the Association from increasing the annual assessment to an amount sufficient to pay such taxes.

**Section 4. Special Assessments for Capital Improvements.** In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of the members who are voting in person or by proxy at a meeting duly called for this purpose.

**Section 5. Notice and Quorum For Any Action Authorized Under Sections 3 and 4.** Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 or 4 shall be sent to all member not less than ten (10) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast fifty percent (50%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-third (1/3) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

**Section 6. Uniform Rate of Assessment.** Both annual and special assessments must be fixed at a uniform rate for all Lots. All assessments shall be payable on a monthly basis unless the Board of Directors determines reasonably that because of the small amount of monthly payments, or for other good and valid reason, it would be a convenience to the Owners to pay on a quarterly, semiannual, or annual basis.

**Section 7. Date of Commencement of Annual Assessments: Due Dates.** The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The

Association shall, upon demand, and for a reasonable charge furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

**Section 8. Effect of Nonpayment of Assessments: Remedies of the Association.** Any assessment not paid within fifteen (15) days after the due date shall bear interest from the due date at the rate of eighteen (18%) percent per annum. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the property.

**Section 9. Subordination of the Lien to Mortgages.** The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall be extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. Notwithstanding anything to the contrary in this Section, the provisions of Section 720.3085, Florida Statutes, as amended from time to time, are incorporated herein by reference.

**Section 10. Limitation on Association.** The Association may elect to provide any other services to promote the health, safety, and welfare of the residents of the subdivision. In addition, the Association may elect to procure other properties, whether adjacent to the subdivision or not, for recreational or other purposes. Provided, however, that no activity of the Association shall be commenced without approval of sixty-seven percent (67%) of the Owners in the subdivision (as heretofore stated, each Lot to have one vote) if the activity shall necessitate more than a nominal expenditure of funds.

**Section 11. Reserve Fund.** The Association is required to establish and maintain an adequate reserve fund for the periodic maintenance, repair, and replacement of improvements to the common areas, which fund is to be maintained out of regular assessments for common expenses.

**Section 12. Right of Entry.** The Association has a reasonable right of entry upon any Unit and/or Lot to make emergency repairs and to do other work reasonably necessary to the property maintenance and operation of the project.

#### **ARTICLE V. ARCHITECTURAL CONTROL**

No building, fence, wall or other structure shall be commenced, erected, or maintained upon the Properties, nor shall any exterior additions to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height materials and location of the same shall have been submitted to and approved in writing by the Architectural Control Committee as to harmony of exterior design and location in relation to surrounding structures and topography, and compliance with the intent of these restrictions. In the event that the Architectural Control Committee, or a member designated by it, fails to approve or disapprove such plans and specification within thirty (30) days after plans and specifications have been submitted to it,

approval will not be required and this Article will be deemed to have been fully complied with. Without limitation, the plan submitted to the Architectural Control Committee shall show the elevation and other matters above set forth of the front, rear, and both side walls of the structure, including location of windows. No tree or large bush shall be planted or cut down without prior approval of the Architectural Control Committee. The Architectural Control Committee shall consist of five (5) persons who are owners of lots in the subdivision who have been appointed to serve by the Association

It is contemplated that some buildings in the subdivision will be placed on or near the lot line of the lot upon which the building is constructed. Declarant, Silverleaf Development Corporation, reserved and transferred an easement is hereby reserved over the abutting lot in favor of any owner who places his building within four (4) feet of the lot line, which easement shall be four (4) feet in width running parallel to the wall of the house, and which easement shall be solely for purpose of maintenance of the building of the owner and for overhang of roofs and eaves.

The Architectural Control Committee shall have the right to require privacy walls on one side of any building in the subdivision. Any owner acquiring title to a lot in the subdivision shall expect that the Architectural Control Committee will deny approval to a proposed building or other improvements if the location type, and style are not compatible with the existing use of homes in the subdivision, or that portion of the subdivision. IN ORDER TO MINIMIZE THE COST AND EXPENSE OF ARCHITECTS AND ENGINEERS ON PLANS WHICH ARE LATER DENIED BY THE ARCHITECTURAL CONTROL COMMITTEE, OWNERS OF LOTS IN THE SUBDIVISION ARE INVITED TO SUBMIT PRELIMINARY PLANS OR IDEAS FOR THEM TO THE ARCHITECTURAL CONTROL COMMITTEE, SO THAT OWNERS WILL INCUR THE LEAST EXPENSE POSSIBLE ON DESIGNS WHICH ARE FOUND TO BE UNACCEPTABLE BY THE ARCHITECTURAL CONTROL COMMITTEE.

The Architectural Control Committee shall have the right to waive any violation of these restrictions if it determines that the violation is insubstantial and does not adversely affect the value of any other lot in the subdivision.

#### **ARTICLE VI. BUILDING SETBACK LINES AND BUILDING ON PORTIONS OF TWO LOTS**

The front lot line setback of the residence on any lot shall be no less than the setback line shown on the recorded plat, but the Architectural Control Committee may require a greater setback or, if it determines that a variance will not diminish the value of other lots in the subdivision, it may waive the front lot line setback.

Eaves or other overhangs and chimneys shall not be considered a part of the building for the purpose of side setback compliance. Eaves, overhangs, steps, open porches and decks, and other like building improvements shall not be considered a part of the building for purpose of front line setback and rear lot line setback.

The Architectural Control Committee, in its sole discretion may permit the erection of a building on a portion of one (1) platted lot or on portions of contiguous platted lots, and the

building sites may be smaller in area than the platted lots, provided that the covenants and restrictions otherwise herein contained are not otherwise violated. The Architectural Control Committee shall be cognizant of trees in the subdivision and in its discretion shall require building in such locations as to save as many trees as possible in the subdivision.

In the event of destruction of any buildings, the type, size, shape and location of any reconstructed building shall be similar substantially to the building being replaced.

#### **ARTICLE VII. GENERAL PROVISIONS**

**Section 1. Enforcement.** The Association, or an Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration, as well as all currently existing restrictive covenants affecting the development. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

**Section 2. Severability.** Invalidation of any one of these covenants or restrictions by judgement or court order shall in no wise affect any other provisions which shall remain in full force and effect.

**Section 3. Amendment.** The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date this Declaration is recorded after which time they shall be extended automatically for successive periods of ten (10) years. This Declaration may be amended by an instrument signed by Owners of not less than ninety percent (90%) of the Lots.

**Section 4.** No structure of any kind shall be erected, altered, placed, or permitted to remain on any residential building Lot other than a residence designed to accommodate no more than two families, and such building shall not exceed two and one-half (2 ½) stories in height. No dwelling shall be constructed in Blocks A, B, C, D, or E with a living area of less than 1,000 square feet. No building shall be constructed in Blocks F, G, H, or I with a living area of less than 1,200 square feet.

**Section 5.** No noxious or offensive trade or activity shall be carried on or permitted upon any Lot, nor shall anything be done on any Lot which may become a nuisance or annoyance to Owners in the development.

**Section 6.** No permitted animals shall be kept in such numbers as to be an annoyance to any Lot Owners in the development. No animals, livestock, or poultry of any kind shall be raised, bred, or kept on any Lot, except that dogs, cats, or other ordinary domestic household pets may be kept, provided that they are not kept, bred, or maintained for any commercial purpose.

**Section 7.** No motorhome, mobile home, trailer, boat or disabled car shall be parked or stored in a residential driveway or on the street for longer than 72 hours. The 72-hour time period cannot be circumvented by temporary removal of said items from the subdivision. Thirty (30) days must elapse from the end of the 72-hour time period for any item affected by application of this

covenant. The Association at its discretion may assess to the lot owner violating this covenant all costs associated with towing and storage of the above-named items as well as legal fees pertaining thereto.

**Section 8.** No garbage, rubbish, trash or other miscellaneous unsightly objects shall be dumped or allowed to be dumped in any Lot.

**Section 9.** Pursuant to Section 207 of the Telecommunications Act of 1996, the Federal Communications Commission adopted the Over-the-Air Reception Devices ("OTARD") rule concerning governmental and nongovernmental restrictions on viewers' ability to receive video programming signals from direct broadcast satellites ("DBS"), broadband radio service providers (formerly multichannel multipoint distribution service or MMDS), and television broadcast stations ("TVBS"). The rule (47 C.F.R. Section 1.4000) prohibits restrictions that impair the installation, maintenance or use of antennas used to receive video programming. The rule applies to video antennas including direct-to-home satellite dishes that are less than one meter (39.37") in diameter (or of any size in Alaska), TV antennas, and wireless cable antennas. Therefore, any such devices approved in writing by the Architectural Control Committee and must be located to eliminate or minimize visibility from the or adjoining Lots to the extent that such restrictions do not: (1) unreasonably delay or prevent installation, maintenance or use; (2) unreasonably increase the cost of installation, maintenance or use; or (3) preclude reception of an acceptable quality signal. To protect the health and safety of all Owners and occupants, any such installations must comply with applicable fire codes, maintain a safe distance from power lines, and be properly secured.

**Section 10.** A committee of the Board of Directors of the Homeowners' Association is granted the right to waive minor violations of these covenants upon written determination by the committee or the Board that the violation waived is minor and does not adversely affect the value of the Lots in the remainder of the development.

**Section 11.** If any Owner or occupant of any Lot in the development shall violate any of these covenants and restrictions while in force and effect, it shall be lawful for the Association to prosecute any proceedings at law or in equity against any person violating or attempting to violate such covenants or restrictions and either to prevent them from doing so or to recover damages for such violations.

**Section 12.** Each Owner shall maintain his building, all fencing abutting his property, yard, landscaping and other property in a neat, clean and attractive manner, failing which the Association may cause such maintenance or repair and assess to the lot Owner for all costs incurred by the Association in causing such maintenance or repair. The Association in its discretion may pro-rate the cost of maintaining, including painting, of a fence of use to more than one (1) Lot, and assess such cost against the several Owners. Any fencing abutting common areas only shall be maintained by the Association. All assessments under this paragraph shall be enforced by filing liens in the same manner as an assessment lien mentioned in Article IV.

**Section 13.** The Association shall keep Parcel C landscaped in such a manner that no vehicle can easily traverse that area from this or any other subdivision.

**Section 14.** No fencing shall be allowed in the subdivision except wood or brick fencing. Chainlink fencing, or any type of wire fencing, is strictly prohibited.

**Section 15.** All garbage containers shall be placed in a non-visible area at all times except when being serviced for pickup. All lots in the subdivision shall have the front yards (from front of building to pavement) completely sodded.

**Section 16.** No sign of any kind shall be displayed to the public view of any lot except one sign of reasonable size advertising the property for sale or rent or used by a builder to advertise the property during the construction and sales period.

**Section 17.** These covenants and restrictions are to run with the land and shall be binding on all parties until these restrictions are waived in writing by a majority of the then record Owners of Lots in the subdivision.

**Section 18.** In no event and under no circumstances shall a violation of any covenant or restriction herein contained work a forfeiture or reverter of title.

**Section 19.** Invalidation of any of these covenants or restrictions or portions thereof by judgement or court order shall in no wise affect any other provision, which shall remain in full force and effect.

IN WITNESS WHEREOF, by written agreement of a majority of the affected parcel owners in Silverleaf pursuant to Chapter 720, Part III, Florida Statutes, Silverleaf Homeowners' Association, Inc., a Florida not for profit corporation, has caused this instrument to be executed by its president and secretary as required by Section 720.407, Fla.
