Mailing address: _____

E-mail address: _____

Telephone number: _____

On how many patent applications has your name been listed before? _____

For determining the amount of Patent Office filing fees to be paid, did you have a gross income last year of more than \$150,000? Yes No

Are you 65 or older? Yes No

Have you worked with an attorney before? Yes No

c. Name: _____

Mailing address: _____

E-mail address: _____

Telephone number: _____

On how many patent applications has your name been listed before? _____

For determining the amount of Patent Office filing fees to be paid, did you have a gross income last year of more than \$150,000? Yes No

Are you 65 or older? Yes No

Have you worked with an attorney before? Yes No

4. COLLABORATION. Was anyone else involved in creating or developing the invention?
 Yes No If yes, complete the rest of No. 4.

a. Name: _____

Mailing address: _____

E-mail address: _____

Telephone number: _____

b. Name: _____

Mailing address: _____

E-mail address: _____

Telephone number: _____

5. OWNERSHIP. Has the invention been assigned to another person or company, or is there an obligation to assign the invention to another person or company? Yes No
If yes, to whom?

Name: _____

Mailing address: _____

E-mail address: _____

Telephone number: _____

Website address: _____

Please provide a copy of the assignment agreement or ownership transfer document.

6. CONCEPTION DATE OF INVENTION.

a. What is the date that you first thought of the invention? ____/____/____

b. What is the date of the first written description of the invention?

____/____/____

c. What is the date of the first drawing or sketch of the invention?

____/____/____

7. DISCLOSURE OF INVENTION.

a. Has the invention been disclosed to the public or published? Yes No

If yes, when was the earliest disclosure? ____/____/____

If yes, where was it disclosed? _____

b. Have you described or shown the invention to potential investors, employer/employee(s), manufacturers/suppliers, family, friends, or other third parties without a non-disclosure agreement? Yes No

If yes, when was the earliest disclosure? ____/____/____

If yes, how much details of the invention were disclosed?

If yes, did the person(s) to whom you disclosed the details of the invention believe you shared the information in secret? Yes No

c. Have you disclosed (or shown) the invention to anyone with whom you do have a non-disclosure agreement? Yes No

If yes, when was the earliest disclosure? ____/____/____

If yes, do you have the signed disclosure agreement? Yes No

If yes, please provide a copy.

d. Has the invention been used in your own business or in someone else's business? Yes No

If yes, when was the earliest date of use in the business? ____/____/____

8. SALE OF INVENTION.

a. Has the invention been sold or offered for sale anywhere? Yes No

b. If yes, when was the earliest sale or offer for sale? ____/____/____.

c. If yes, have you made any modifications or improvements to the invention within the last year? Yes No If yes, please provide details about the improvements.

9. FOREIGN FILING. Do you want information about filing a patent application in a foreign country or internationally? Yes No If yes, which countries?

10. How do you distinguish your invention from those that came before you? (If the answer is, "My invention is better than [another invention]," explain the differences)

11. Please list all the components, connections, parts and/or elements that make up the invention.

12. Please describe how to assemble or make the invention.

13. Please describe how to use your invention.

14. Please provide a short list of common industry phrases and words to help facilitate the patent search.

15. Please provide sketches, drawings and photos from various angles (where applicable) and label the different parts of the invention to help me understand your invention.

16. Do you have a prototype or model of the invention? Yes No

17. Will any significant changes need to be made before the invention can be made or manufactured? Yes No If yes, please provide details about what changes need to be made.

18. Identify and describe the closest technology, or product that has a similar function, component(s) as your invention?

19. Other comments:

Inventor's signature and date

Inventor's signature and date

If you have any questions, please let us know. For potential clients submitting this form before a Strategy Session and after you have paid the Strategy Session fee, please email form to us at info@NormentLawFirm.com. For current clients, please upload to the Client Portal.

*Please note that I am not your attorney and I (nor Norment Law Firm) do not represent you until after an Engagement letter has been signed and you have paid the retainer fee; however, I do keep the information provided to me during Strategy Sessions confidential.
