MESSAGE FROM THE BOARD

We are finally back in league action today 5 months and welcome Bradford Town to the Poplar Insulation Stadium. We hope their players, officials and supporters enjoy their brief stay with us and have a safe journey home.

Thank you to all the people who have purchased advanced tickets for the games so far we really appreciate it.

It was great to see over 200 spectators come and watch the FA Cup game vs Cadbury Heath the biggest crowd we've had in a long while now. It's a shame the result went against us.

We are trying our best as a club to ensure you feel safe when you visit Brislington FC. Please respect our Covid-19 measures and respect other people's space around the ground.

We would like to thank our sponsors for your continued support especially during these difficult times.

FROM THE DUGOUT

It was our 1st competitive game at home since December and unfortunately it did not go our way and we missed out on a tie at home to Bristol Manor Farm. Perksy gave debuts to Kye Simpson & Ruben Nuevo - Draper. The game was played in front of a big crowd of 221. The game was a tight affair to begin but played at a frantic pace. Our best chance fell to Reeko Best but blazed his chance over the bar.

On 29mins we fell behind when the visitors striker found space in the box and gave Dorrington no chance. We were still creating chances and the visiting keeper made a great double save from birthday boy Nielsen. Plummer then had a good chance but hit it straight at the keeper. Then on 43mins the moment that made our task more difficult Barwood was caught flat and in trying to make a challenge was deemed to have committed a professional foul and was shown a straight red. From what was said it was more a tangle of legs. HT 0-1

Even though we had 10 men we still gave it a go. And went close when Plummer hit the post and their keeper was forced to make a couple of decent saves. The away side made sure of victory with a late goal to take them into the next round.

The away defence held strong throughout but if we had taken our chances it may have been so different.

Today we welcome Bradford Town who over the last couple of seasons have been a bit of a bogey side for us so surely our luck needs to change. We then travel to Bitton on Tuesday night.

We would like to wish club Captain Kye Thomas a speedy recovery after a serious injury sustained in pre season.]

Player Profiles 2020 / 21

George Dorrington - Goalkeeper

Signed from Odd Down just before the season was cut short. Has a great pedigree having played for Man U & Huddersfield U23s. A very vocal keeper & great shot stopper. As with recent Bris keepers seems to like a pint.

Mitch Greenslade - Defender

Came through the junior section before spells at other clubs. Strong defender who can play right back or centre half. Was unlucky last season with a couple of harsh red cards.

Mark Fear - Defender

2nd season at the club after signing from Hengrove. Plays at left back strong in a tackle and good with the ball at his feet. Scored either the luckiest or great winning goal at Bridport last season.

Scott Lewis - Defender

Previously at Hengrove. Strong no nonsense vocal centre half who is a good leader on the pitch. Thought to be the club joker. Scored the last goal of last season with a last minute header vs Wellington.

Conor McCormack - Defender

New signing this season previously at Frome Town & Chippenham Town. Has looked strong and confident and will strengthen the back four.

Ashley Barnard - Defender

New signing this season previously at Seymour United & Longwell Green. Strong centre half who will get stuck in. Looks comfortable on the ball as well.

Kye Thomas - Defender

4th season at the club after being at Yate & Bridgwater. Footballing defender who is comfortable with the ball at his feet. Current club captain

Danny Barwood - Defender / Midfield

Apart from a short spell at Hengrove has been at Bris since he was a teenager. Another strong grappling defender who will get stuck in where it hurts.

Lewis Dunn - Defender / Midfield

Has been at Bris since he was 7. Has had spells at Hengrove, Welton & Odd Down but always come back home. Good with the ball at his feet and decent in the air as well.

Conor O Sullivan - Defender

New signing this season after 2 years out due to work. Was previously with Clevedon & Weston and has looked decent in pre season and looks like he will be a good addition.

Ruben Nuevo Draper - Midfield

New signing previously at Cadbury Heath & Bitton. Midfield playmaker with loads of energy. Always looking for the ball.

Jayden Nielsen - Midfield

3rd season with us after breaking into the side at 16. Great left foot and skill to go with it never seems to score an easy goal. Never set your watch buy him as he's always late.

James Peart - Midfield

Teams longest serving player been at Bris for about 18 years. Will always give 100% and never let you down. Still one of the fittest players in the team.

Reeko Best - Midfield

Signed from Odd down last season tricky player who loves to run at players and will chip in with important goals.

Kriss Miller - Midfield

Back after a short spell last season clever player who can unlock defences with one pass will also chip in with spectacular goals as well.

Cameron Brown - Midfield / Forward

New signing from Lebeq but has played for Aldershot & Bristol City. When he is fit will be a asset to the team always wants the ball and looking to unlock defences.

Frank Gingell - Midfield / Forward

Leaves the club but always comes back. Quick player who will cause full backs problems. Also has an eye for goal and regularly scored 20+ goals from wide positions.

Mason Dagger - Forward

3rd season at the club but missed most of last season when he went travelling. Has a bit pace, decent in the air and will chip in with goals.

Neikell Plummer - Forward

3rd spell at the club and virtually guaranteed to get you 20+ goals a season not many better finishers in the league and loves pens & free kicks. Known to like a bit of a winge.

Kye Simpson - Forward

New signing from Roman Glass. Pacy forward who has a keen eye for goal which he has shown in pre season.

Management

Lee Perks - Manager

Starting his 5th season in charge after stepping up from the Reserves. Was a prolific goal scorer in local football. Works hard to get decent players to the club.

Rich Ford - Assistant Manager

Was on the books of Notts Forest when was younger and played professionally for Torquay as well as a host of local clubs. This his 3rd season at the club.

Kevin Hazell - Assistant Manager / Physio

Been at the club nearly 20 years as a player & Manager. Is the club secretary, kit man & now Covid officer. Has great passion for the club

Introduction

Brislington Football Club recognise that operating during the Coronavirus Pandemic requires us to ensure we are protecting our members and users whilst minimising the risk of spreading infection.

The systems implemented are intended to introduce consistent measures in the football club in line with the Government's current recommendations on social distancing.

These are exceptional circumstances and Brislington Football Club and our members recognise that we must comply with the latest government & FA advice on Coronavirus at all times.

The health & safety requirements the football clubs must not be compromised at this time. If an activity cannot be undertaken safely due to lack of suitably qualified personnel being available or social distancing being implemented, it should not take place.

NOTE

Brislington FC club management will monitor the systems implemented and if it is not consistently implementing the measures set out below. It may be required to shut down.

5. Hand washing

- Provide additional hand washing / sanitizer facilities in various places around the ground.
- Ensure soap and fresh water is readily available and kept topped up.
- Regularly clean hand washing facilities and check soap / sanitizer levels.
- Provide suitable and sufficient rubbish bins for hand towels which are regularly emptied. Bins should be cleaned after the club is shut.
- Turn off warm air hand dryers.

6. Toilet facilities

- Operate a one out one in policy for use of toilets unless social distancing can be maintained.
- Enhance cleaning regimes for toilets (at least every hour)
- Provide suitable and sufficient rubbish bins for hand towels which are regularly emptied. Bins should be cleaned after the club is shut.

7. Avoiding close contact

- Try to avoid close contact. Brislington FC recognise there may be situations where it is not possible to maintain social distancing and to limit close contact to the minimum time that is possible.
- Try to ensure that non essential physical work that requires close contact should not be carried out.
- Any work that involves skin to skin contact will not be carried out.
- Ensure single use PPE is available and disposed of correctly.
- Increase ventilation in enclosed spaces.

8. Cleaning

Brislington FC recognise that enhanced cleaning procedures will have to take place particularly in communal areas and touch points.

- Taps & washing facilities.
- Toilet flushes & seats.
- Door handles & push plates.
- Handrails.
- Machinery & equipment.
- Phones, televisions, CCTV.
- Deep cleans carried out at regular intervals.

1. Self isolation

Anyone who meets one of the following criteria should not come to the football club.

- Has a high temperature, new persistent cough or has experienced loss of taste or smell - follow guidance on self isolation.
- Is a vulnerable person (by virtue of their age, underlying health condition or clinical condition).
- Is living with someone in self - isolation.
- Has been contacted by the government track & trace department.

2. Procedure if someone falls ill.

If anyone who has been present at the club falls ill with any coronavirus symptoms then that person needs to contact the club's COVID-19 Officer immediately. That person needs to arrange for a coronavirus test straight away.

The club's COVID-19 officer will then check the club signing in book and contact the government track & trace department to inform them of a possible infection within the club. The procedures set out by the government must be followed.

The football club will then receive a deep clean.

3. Travel to and from the football club.

Whenever possible club members & players should travel to the football club using their own transport.

- If possible members & players should avoid public transport.
- If traveling in the same car is unavoidable then the persons in the car should wear face coverings. The car should be cleaned thoroughly after use.

4. Access points and pedestrian routes.

- If possible arrange staggered entry and exit times for arrivals at the football club ie :- home / away teams / officials arriving at pre arranged times.
- Monitor entry / exit points to ensure social distancing is being maintained at all times. If needed mark lines at least a metre apart.
- All persons entering the ground wash or sanitize their hands.
- Arrange deliveries for off peak times eg before players / officials arrive or a different day.
- If possible mark out a designated one way pedestrian route around the ground to avoid the need for customers, staff & players to pass each other i.e one way in one way out.

10. Use of clubhouse.

Government guidelines for bars and clubs should be followed at all times. These to include.

- Signing in book for anyone entering the club.
- One entry & one exit point for the clubhouse.
- Use of contactless payment where possible.
- Maximum of 6 people per table.
- No standing at the bar.

11. Playing games & use of equipment.

- Changing rooms - only use when it is essential and for a limited time only. Only a limited number of persons to which social distancing allows.
- Showers - only to be used if essential and then with social distancing in place.
- Kit - if possible players to wash own kit
- Balls - to be cleaned when possible during the game.
- Goalposts / corner flags to be wiped down at before game / half time / after game.
- Players bring their own drinks bottles which are labelled.
- Physio / first aid only to be administered with full PPE inc masks, gloves and visor if possible.
