MESSAGE FROM THE BOARD

Tonight we welcome Clevedon Town to The Poplar Insulation Stadium and hope their player, officials and supporters enjoy their brief stay with us and have a safe journey home after.

Lee Perks has made a couple of signings since our last home game and we would like to officially welcome Eddie Appleton, Harry Tobin & Zack Littlejohn to the club.

Please be aware that due to the current constrictions the bar will close at 9.30. The club we close at 10pm story but there will be no exceptions to this rule.

We ask that you follow the COVID-19 prevention measures we have in place and respect other supporters' space while visiting the club. Please do not put any club official in an awkward position by disregarding these measures and possibly being asked to leave the ground. The guidelines have been set out by the Government & FA and we have to adhere to them.

As you may have noticed we are constructing new changing rooms on the far side of the ground. We do not have a completion date yet but I am sure those of you who know the club will agree they are much needed.

We would also like to thank all our other generous sponsors for their continued support

FROM THE DUGOUT

This will be a summary of our last 4 games (otherwise it will be a long report if I do each match)!

First up was the visit of Buckland. I was not at the game but it was a game played in difficult conditions we suffered numerous injuries during the game and ended up losing 2-1 with a Jayden Nielsen penalty and finishing with 10 men (only 9 fit men) with all the subs used up.

Next up was the long trip to St Blazey in the FA Vase it was a game we were more than capable of winning and welcomed new signings Ed Appleton & Harry Tobin. Despite the home side being reduced to 10 men they out fought us and deserved their 3-0 victory.

We then travelled to Cribbs and another new signing was introduced Defender Zack Littlejohn. We were 2 down in 15mins before we changed formation and started to cause the home side problems. But we could not take our chances and with Nielsen missing a penalty we ended up losing 2-0.

Next up was Shepton Mallet where we probably put in one of our best performances this season.

We went 1-0 down to a penalty but hit back straight when McCormack headed home a corner. Harry Tobin made it 2 - 1 just before half time with a well worked move involving Miller, Nielsen and Simpson allowed Harry to pop up for a neat far post finish.

We were soon 3-1 up after HT when Kye Simpson finish well after another good move decent work by Nielsen, & shear will from Plummer. The home side fought back to reduce the arrears to make it 3-2 before an equaliser in the 94th min. Always a hard one to take but we did not lose the game against a decent side.

Tonight we welcome Clevedon who are always tough opponents. A youthful side who are drilled well.

Saturday's game against Bradford is postponed due to Covid issues within Bradford team

Playing Squad & Management:

George Dorrington – Goalkeeper: Signed from Odd Down just before the season was cut short. Has a great pedigree having played for Man U & Huddersfield U23s. A very vocal keeper & great shot stopper. As with recent Bris keepers seems to like a pint.

Ben Payter – Goalkeeper: Still only 18 and showed last season he has a bit of quality. Put in MOM performances at Parkway & Tavistock last season.

Eddie Appleton – Defender: New signing from Burnham Ramblers and has just moved to Bath Uni. We've heard good things about him.

Mitch Greenslade – Defender: Came through the junior section before spells at other clubs. Strong defender who can play right back or centre half. Was unlucky last season with a couple of harsh red cards.

Mark Fear – Defender: 2nd season at the club after signing from Hengrove. Plays at left back strong in a tackle and good with the ball at his feet. Scored either the luckiest or great winning goal at Bridport last season.

Scott Lewis – Defender: Previously at Hengrove. Strong no nonsense vocal centre half who is a good leader on the pitch. Thought to be the club joker. Scored the last goal of last season with a last minute header vs Wellington.

Conor McCormack – Defender: New signing this season previously at Frome Town & Chippenham Town. Has looked strong and confident and will strengthen the back four.

Zack Littlejohn – Defender: 2nd signing from Burnham Ramblers. Only 19 and has played at step 3 & 4. Strong defender who is comfortable with the ball at his feet.

Danny Barwood - Defender / Midfield: Apart from a short spell at Hengrove has been at Bris since he was a teenager. Another strong grappling defender who will get stuck in where it hurts.

Lewis Dunn - Defender / Midfield: Has been at Bris since he was 7. Has had spells at Hengrove, Welton & Odd Down but always come back home. Good with the ball at his feet and decent in the air as well.

Harry Tobin – Midfield: Been playing his football with Guernsey and in London. Has just moved back to Bristol with other clubs looking at him.

Clark Taylor – Anywhere: Versatile Box to box style midfielder who has been at the club for many years. Can also play at the back or further forward.

Ruben Nuevo Draper - Midfield: New signing previously at Cadbury Heath & Bitton. Midfield playmaker with loads of energy. Always looking for the ball.

Jayden Nielsen – Midfield: 3rd season with us after breaking into the side at 16. Great left foot and skill to go with it never seems to score an easy goal. Never set your watch buy him as he's always late.

James Peart – Midfield: Teams longest serving player been at Bris for about 18 years. Will always give 100% and never let you down. Still one of the fittest players in the team.

Reeko Best – Midfield: Signed from Odd down last season tricky player who loves to run at players and will chip in with important goals.

Mason Dagger - Forward 3rd season at the club but missed most of last season when he went travelling. Has a bit pace, decent in the air and will chip in with goals.

Neikell Plummer - Forward 3rd spell at the club and virtually guaranteed to get you 20+ goals a season not many better finishers in the league and loves pens & free kicks. Known to like a bit of a winge.

Kye Simpson - Forward New signing from Roman Glass. Pacy forward who has a keen eye for goal which he has shown in pre-season.

Kriss Miller - Midfield Back after a short spell last season clever player who can unlock defences with one pass will also chip in with spectacular goals as well.

Cameron Brown - Midfield / Forward New signing from Lebeq but has played for Aldershot & Bristol City. When he is fit will be an asset to any team always wants the ball and looking to unlock defences.

Management:

Lee Perks - Manager Starting his 5th season in charge after stepping up from the Reserves. Was a prolific goal scorer in local football. Works hard to get decent players to the club.

Rich Ford - Assistant Manager Started career & Brian Clough's Nott's Forest and played professionally for Torquay, Yeovil, Forest Green, Yate and Clevedon Town. In his 3rd season at the club.

Kevin Hazell - Assistant Manager / Physio: Has been at the club nearly 20 years as a player & Manager. Is the club secretary, kit man & now Covid officer. Has great passion for the club

Introduction

Brislington Football Club recognise that operating during the Coronavirus Pandemic requires us to ensure we are protecting our members and users whilst minimising the risk of spreading infection.

The systems implemented are intended to introduce consistent measures in the football club in line with the Government's current recommendations on social distancing.

These are exceptional circumstances and Brislington Football Club and our members recognise that we must comply with the latest government & FA advice on Coronavirus at all times.

The health & safety requirements the football clubs must not be compromised at this time. If an activity cannot be undertaken safely due to lack of suitably qualified personnel being available or social distancing being implemented, it should not take place.

NOTE

Brislington FC club management will monitor the systems implemented and if it is not consistently implementing the measures set out below. It may be required to shut down.

5. Hand washing

- Provide additional hand washing / sanitizer facilities in various places around the ground.

6. Toilet facilities

- Operate a one out one in policy for use of toilets unless social distancing can be maintained.
- Enhance cleaning regimes for toilets (at least every hour)
- Provide suitable and sufficient rubbish bins for hand towels which are regularly emptied. Bins should be cleaned after the club is shut.

7. Avoiding close contact

- Try to avoid close contact. Brislington FC recognise there may be situations where it is not possible to maintain social distancing and to limit close contact to the minimum time that is possible.
- Try to ensure that non essential physical work that requires close contact should not be carried out.
- Any work that involves skin to skin contact will not be carried out.
- Ensure single use PPE is available and disposed of correctly.
- Increase ventilation in enclosed spaces.

- Is living with someone in self - isolation.

2. Procedure if someone falls ill.

If anyone who has been present at the club falls ill with any coronavirus symptoms then that person needs to contact the club's COVID-19 Officer immediately. That person needs to arrange for a coronavirus test straight away.

The clubs COVID-19 officer will then check the club signing in book and contact the government track & trace department to inform them of a possible infection within the club. The procedures set out by the government must be followed.

The football club will then receive a deep clean.

CLEVEDON TOWN FC – A Short History

Clevedon FC are one of the oldest clubs in the West Country and were founder members of the Western League in 1892, having played friendlies and in county competitions up to that point. They only stayed in the Western League for 3 seasons before dropping into local leagues until returning for a second spell up until World War One. They played their early matches at the local cricket ground at Dial Hill before moving to a new site at Old Street (later named Teignmouth Road) in 1895, remaining there until 1992. After the Great War, they played in the Bristol & District and Bristol & Suburban Leagues before moving to the more senior Somerset Senior League in 1933, staying there until the outbreak of the Second World War. They continued to play throughout the war years, mainly in local leagues, before returning to the Western League after the war, remaining there, other than for one spell away, until they won the League title for the first time ever in 1992/93, when they were elected to the Southern League.

The period after World War 2 was to be one of their best spells and they achieved some national recognition for their exploits in the FA Amateur Cup during the 1950's in particular. For a small West Country club they enjoyed many excellent runs in that competition, playing some of the then giants of the amateur game such as Harwich and Parkeston, Pegasus and Billingham Synthonia, even enjoying a cameo appearance on the emerging television network, with notable victories being achieved against Salisbury, Briggs Sports and Ilford. It was in cup competitions that Clevedon had already gained success and they won the Somerset Senior Cup several times throughout their early history, going on to win the more senior Somerset Premier Cup as well in the 1980's and 90's.

Clevedon spent much of their history playing at junior level, during their early years and in the 1960's, or in the more senior Western League competition. However they finally achieved the next stage of their development when they won the Western League in 1992/93 and were promoted to the Southern League. The 1992/93 season also saw them move home for the first time in nearly a century when they moved to a purpose built stadium, The Hand Stadium, named after the Hand family who had been instrumental in the running of the club from the 1890's. In their first season at The Hand they went unbeaten and took their first Western League title, in front of an average gate of 421, breaking all kinds of scoring records on the way.

In their first ever season in the Southern League they finished in a very creditable fifth place under manager Steve Fey, all the more remarkable when considering that he took over the side in June with just three players remaining from the championship squad. The club settled into the Southern League and the 1998/99 season saw them win the Midlands Division and gain promotion to the Premier Division, where they remained for two seasons before suffering relegation. The club again gained promotion to the Premier Division under manager Phil Bater in 2006/07 and, in the same season, reached the 1st Round of the F A Cup for the first time in their long history, losing out to Chester City in front of a club record crowd of 2,261 at The Hand Stadium.

However, in common with many clubs, gates and income gradually fell and the club slipped back into Division One in 2009/10. Worse was to follow in summer 2011 when The Hand Stadium was sold outright and the club found themselves as tenants of their former home. There was however some success to cheer in 2011/12 when the club won the Red Insure Southern League Cup beating Premier Division team Banbury United 2-1 on aggregate under manager Micky Bell. Despite finishing 18th in 2014/15 Clevedon Town were demoted back to the Western League due to problems with their floodlights but the club is looking to build new foundations and emerge on a more stable basis. In October 2015 a sponsorship deal was agreed with a personal fitness company and the Hand Stadium was renamed The Everyone Active Stadium

Clevedon Town FC – Playing Squad & Management 2020/21

Joel Bayliss – Joined the club in August 2019 after returning to the area after studying at Nottingham University, where he briefly played for Beeston Hornets.

Finlay Biggs – A member of the 18/19 Under-18 squad who has been promoted to the first team squad.

Syd Camper – Syd first joined Clevedon in October 2015 from Weston-super-Mare Academy, making his 1st XI debut in their Conference side in December 2013, after loan spells with Yate Town, Shepton Mallet and Larkhall Athletic. After leaving Clevedon at the end of 2015/16 he went on to play for Bridgwater '84, re-joining us in September 2018.

Mike Dangerfield - Signed in July 2019, Michael is an experienced goalkeeper who joined us from Cheddar having previously appeared for Patchway Town, Bedford Town, Weston St Johns and Wells City.
