From The Dugout

Last week saw us face Westbury Utd midweek. The game was a cagey affair against a team who have started the season well. A Debut start was given to Ashley Bernard in a largely unchanged team. The game was a cagey affair with both sides probing to find an opening. On 18 mins a defence splitting pass from Nuevo-Draper found Simpson whose finish was ruthless. The away side then pressed well before half time but failed to capitalise on their pressure. Half Time 1-0.

The 2nd half started evenly and Westbury who looked very direct and a threat from set pieces, eventually equalised from one of their corners when the home side failed to clear the ball (although there was some contention for a high foot on the Brislington defender) drawing the game level. Brislington began to dominate the ball and looked the busier side and on 93 minutes with time nearly up the best move of the game saw Neilson and Dunn combine wide left feeding Plummer who layed the ball off to Captain Miller whose thunderous right foot shot from the edge of the box gave the keeper no chance.

Next up was the FA Vase away to Odd Down. With starts for Fear and the returning James Peart we dominated the early exchanges however with little to show for it until Neilson converted a free kick that he had won himself with a sublime top corner finish. The profligate play continued with Brislington's wasteful play was then punished by a resurgent Odd Down side who scored 2 goals in quick succession to go in at half time 2-1 up.

We rallied in the second half and again forced chance after chance substitute Gingell could have scored with his first touch and then hit the post with a header. The young goalkeeper was the home sides MOM but was eventually beaten when Plummer wasn't content to give up on the ball and eventually bundled in a scrappy equaliser. FT 2-2. With George Dorrington making two penalty saves and conversions from Plummer, Neilson & Gingell we progress to the next round and a lengthy trip to St Blazey on the 10th October.

Today we welcome leaders and overwhelming favourites Plymouth Parkway before a return to Odd Down in the league on Tuesday night.

Enjoy the Game.

George Dorrington - Goalkeeper

Signed from Odd Down just before the season was cut short. Has a great pedigree having played for Man U & Huddersfield U23s. A very vocal keeper & great shot stopper. As with recent Bris keepers seems to like a pint.

Mitch Greenslade - Defender

Came through the junior section before spells at other clubs. Strong defender who can play right back or centre half. Was unlucky last season with a couple of harsh red cards.

Mark Fear - Defender

2nd season at the club after signing from Hengrove. Plays at left back strong in a tackle and good with the ball at his feet. Scored either the luckiest or great winning goal at Bridport last season.

Scott Lewis - Defender

Previously at Hengrove. Strong no nonsense vocal centre half who is a good leader on the pitch. Thought to be the club joker. Scored the last goal of last season with a last minute header vs Wellington.

Conor McCormack - Defender

New signing this season previously at Frome Town & Chippenham Town. Has looked strong and confident and will strengthen the back four.

Ashley Barnard - Defender

New signing this season previously at Seymour United & Longwell Green. Strong centre half who will get stuck in. Looks comfortable on the ball as well.

Kye Thomas - Defender

4th season at the club after being at Yate & Bridgwater. Footballing defender who is comfortable with the ball at his feet. Current club captain

Danny Barwood - Defender / Midfield

Apart from a short spell at Hengrove has been at Bris since he was a teenager. Another strong grappling defender who will get stuck in where it hurts.

Lewis Dunn - Defender / Midfield

Has been at Bris since he was 7. Has had spells at Hengrove, Welton & Odd Down but always come back home. Good with the ball at his feet and decent in the air as well.

Conor O Sullivan - Defender

New signing this season after 2 years out due to work. Was previously with Clevedon & Weston and has looked decent in pre season and looks like he will be a good addition.

Ruben Nuevo Draper - Midfield

New signing previously at Cadbury Heath & Bitton. Midfield playmaker with loads of energy. Always looking for the ball.

brislingtonfc.net

Jayden Nielsen - Midfield

3rd season with us after breaking into the side at 16. Great left foot and skill to go with it never seems to score an easy goal. Never set your watch buy him as he's always late.

James Peart - Midfield

Teams longest serving player been at Bris for about 18 years. Will always give 100% and never let you down. Still one of the fittest players in the team.

Reeko Best - Midfield

Signed from Odd down last season tricky player who loves to run at players and will chip in with important goals.

Kriss Miller - Midfield

Back after a short spell last season clever player who can unlock defences with one pass will also chip in with spectacular goals as well.

Cameron Brown - Midfield / Forward

New signing from Lebeq but has played for Aldershot & Bristol City. When he is fit will be a asset to the team always wants the ball and looking to unlock defences.

Frank Gingell - Midfield / Forward

Leaves the club but always comes back. Quick player who will cause full backs problems. Also has an eye for goal and regularly scored 20+ goals from wide positions.

Mason Dagger - Forward

3rd season at the club but missed most of last season when he went travelling. Has a bit pace, decent in the air and will chip in with goals.

Neikell Plummer - Forward

3rd spell at the club and virtually guaranteed to get you 20+ goals a season not many better finishers in the league and loves pens & free kicks. Known to like a bit of a winge.

Kye Simpson - Forward

New signing from Roman Glass. Pacy forward who has a keen eye for goal which he has shown in pre season.

Management**Lee Perks - Manager**

Starting his 5th season in charge after stepping up from the Reserves. Was a prolific goal scorer in local football. Works hard to get decent players to the club.

Rich Ford - Assistant Manager

Was on the books of Notts Forest when was younger and played professionally for Torquay as well as a host of local clubs. This his 3rd season at the club.

Kevin Hazell - Assistant Manager / Physio

Been at the club nearly 20 years as a player & Manager. Is the club secretary, kit man & now Covid officer. Has great passion for the club

Introduction

Brislington Football Club recognise that operating during the Coronavirus Pandemic requires us to ensure we are protecting our members and users whilst minimising the risk of spreading infection.

The systems implemented are intended to introduce consistent measures in the football club in line with the Government's current recommendations on social distancing.

These are exceptional circumstances and Brislington Football Club and our members recognise that we must comply with the latest government & FA advice on Coronavirus at all times.

The health & safety requirements the football clubs must not be compromised at this time. If an activity cannot be undertaken safely due to lack of suitably qualified personnel being available or social distancing being implemented, it should not take place.

NOTE

Brislington FC club management will monitor the systems implemented and if it is not consistently implementing the measures set out below. It may be required to shut down.

- Enhance cleaning regimes for toilets (at least every hour)
- Provide suitable and sufficient rubbish bins for hand towels which are regularly emptied. Bins should be cleaned after the club is shut.

7. Avoiding close contact

- Try to avoid close contact. Brislington FC recognise there may be situations where it is not possible to maintain social distancing and to limit close contact to the minimum time that is possible.
- Try to ensure that non essential physical work that requires close contact should not be carried out.
- Any work that involves skin to skin contact will not be carried out.
- Ensure single use PPE is available and disposed of correctly.
- Increase ventilation in enclosed spaces.

8. Cleaning

Brislington FC recognise that enhanced cleaning procedures will have to take place particularly in communal areas and touch points.

- Taps & washing facilities.
- Toilet flushes & seats.
- Door handles & push plates.
- Handrails.
- Machinery & equipment.
- Phones, televisions, CCTV.

- Is a vulnerable person (by virtue of their age, underlying health condition or clinical condition).
- Is living with someone in self - isolation.
- Has been contacted by the government track & trace department.

2. Procedure if someone falls ill.

If anyone who has been present at the club falls ill with any coronavirus symptoms then that person needs to contact the club's COVID-19 Officer immediately. That person needs to arrange for a coronavirus test straight away.

The clubs COVID-19 officer will then check the club signing in book and contact the government track & trace department to inform them of a possible infection within the club. The procedures set out by the government must be followed.

The football club will then receive a deep clean.

3. Travel to and from the football club.

Whenever possible club members & players should travel to the football club using their own transport.

- If possible members & players should avoid public transport.
- If traveling in the same car is unavoidable then the persons in the car should wear face coverings. The car should be cleaned thoroughly after use.

4. Access points and pedestrian routes.

- If possible arrange staggered entry and exit times for arrivals at the football club ie :- home / away teams / officials arriving at pre arranged times.
- Monitor entry / exit points to ensure social distancing is being maintained at all times. If needed mark lines at least a metre apart.
- All persons entering the ground wash or sanitize their hands.
- Arrange deliveries for off peak times eg before players / officials arrive or a different day.
- If possible mark out a designated one way pedestrian route around the ground to avoid the need for customers, staff & players to pass each other i.e one way in one way out.

10. Use of clubhouse.

Government guidelines for bars and clubs should be followed at all times. These to include.

- Signing in book for anyone entering the club.
- One entry & one exit point for the clubhouse.

Following an outstanding season in 2017-18 which saw Plymouth Parkway promoted as League Champions of the SWPL, losing just one game during the season.

2018/2019 was another fantastic season for Parkway, which commenced their first campaign within the Western League. The season proved to be nearly as good as the previous year, as we finished runners up in the League and Devon St Luke's Bowl but winning the coveted Les Phillips League Cup.
