From The Boardroom

“Good afternoon and welcome to Ironmould Lane for our final fixture of the 2024/25 Jewson Western League Premier Division season. Today we host Brixham AFC, and we extend a warm welcome to their players, staff, and supporters who have made the journey up from South Devon.

When we visited Brixham’s Wall Park Road ground back in March, we came away empty-handed after a narrow 2-1 defeat. Brixham have enjoyed a strong season and currently sit 3rd in the table, while we find ourselves in 14th. That said, we’ll be aiming to end our season on a high this afternoon in front of our home supporters and finish with a performance that reflects the character and determination of this group.

Today also marks the final game in charge for our First Team Manager, Lee Perks. Lee has given his all to this club over recent seasons, guiding us through promotions, play-offs, and countless memorable performances. His passion, commitment, and belief in developing young talent has left a lasting legacy at Brislington FC. On behalf of everyone at the club, I want to sincerely thank Lee for his service and leadership - he leaves with our utmost respect and very best wishes for the future.

Wednesday night brought one of the proudest moments of the season as our U18s lifted the Roger Stone Memorial Cup, beating Bristol Manor Farm U18 in the final. It was a fitting end to a remarkable campaign, and it confirms what we already knew - this is one of the most successful youth teams in Brislington FC history. Congratulations to the entire squad, their brilliant management team, and to the families and supporters who have backed them all the way.

As we bring the curtain down on this season, it’s a time to reflect. This year has had its ups and downs - injuries and inconsistency made parts of the campaign challenging, but it’s also been a year of exciting progress. We’ve seen a record number of youth players graduate to the First Team, launched our Arts and Design Residency - with visible progress like the rejuvenation of the Colin Arnold Stand and turnstile block - and continued to strengthen our partnership with Brislington Juniors, laying important foundations for the club’s future.

I’d like to close by offering my heartfelt thanks to everyone who has supported the club this season - our loyal supporters, volunteers, sponsors, players, coaching staff, and committee members. Your dedication and passion are what keep this club moving forward.

Enjoy today’s game, and as always...

Up the Foxes!

Jack Rogers

From The Boardroom

Brislington FC is proud to announce a new sponsorship partnership with local Bristol-based business, Limber, further strengthening the club's ties to the local community. Limber, a tech platform that matches empty hospitality shifts with local staff, has joined the club as part of a shared commitment to supporting grassroots football and community initiatives.

Chris Sanderson, Founder of Limber, shared his excitement about the partnership: "It's great to support grassroots local football in the first city we launched in eight years ago. The whole residency project is a fantastic and innovative idea, and the work being done by the dedicated volunteers at Brislington is fantastic. We hope we'll be one of many Bristol-based businesses supporting the club's continued development."

Club Chairman Jack Rogers welcomed the deal: "We're absolutely delighted to welcome Limber to the Brislington FC family. Their support represents more than just a sponsorship—it's a shared belief in the power of community, the importance of grassroots football, and the value of innovative initiatives like our residency project. Collaborations like this mark another positive step in our ongoing efforts to build a strong, sustainable future through local engagement and support. We're thrilled to have Limber on board and look forward to growing together in the seasons ahead."

Limber is a Bristol-born platform helping hospitality sites thrive by providing access to flexible talent. Designed to help businesses flex their teams up and down, Limber enables operators to increase profitability whilst also providing workers with a way to fit work around their other commitments. "On behalf of everyone at the Brislington Football Club, I want to express our gratitude to Lee Perks, who has decided to step down as first team manager at the end of the season. Lee's association with our club stretches back to 2008, during which time he has been a player, first team assistant manager, reserve team manager, and, most memorably, our first team manager. His loyalty, passion, and commitment to this football club have been nothing short of extraordinary.

Lee has been at the helm for some of the most defining moments in our history. From becoming Champions of the Western League Division One, and last season's unforgettable play-off victory that secured our return to the Premier Division, to reaching the final of the Somerset Premier Cup, his leadership has delivered countless highs. However, he has also stood firm during some of the club's toughest challenges. These include the incredibly difficult decision to take voluntary relegation, as well as the unprecedented challenges brought by the Covid-19 pandemic, which saw many clubs and teams fold. Through it all, Lee's resilience, dedication, and love for the club have been an inspiration and integral to the club's survival.

This decision, made by Lee himself, has been reluctantly and regretfully accepted by the board. There are few who have shown such unwavering devotion to our club, and we are delighted that Lee has assured us of his continued involvement on the committee. His expertise and deep connection to the club will remain an invaluable asset as we move forward.

We are proud of the long-term commitment and stability that defines this club, having had just two managers in the past 20 years. This tradition will guide us as we search for Lee's successor, with further details to come in due course.

For now, we want to extend our heartfelt thanks to Lee, as well as to Richard, Neil, and Ash, for the immense time and effort they have given to the club over the years. We wish Lee the very best for the remainder of the season and look forward to continuing to work with you as part of the club's future."

Chairman: Jack Rogers

I'm not good with words but I'd like to say that all football clubs rely on good people, and Perksy, your one of the very best. The club will be forever thankful for the time and effort that you've put in over the years as will I. Not only from a football perspective but as a friend, and ally. I've enjoyed the journey, for the success that we've fought so hard to achieve. I look forward to a continued friendship as we watch on together.

All the best brother - Lee

Lee Perks, it only feels like yesterday we had the conversation at the club confirming you as the next Brislington FC manager, there's been some lows and a lot of highs since then but on the whole it's been an absolute blast, thank you Lee for all you have achieved, every amateur football club needs a Lee Perks.

UP THE FOXES

I was involved with Perksy from 2014/15 when he took the Reserve Team over. I then stepped up to the 1st team with him for the 2015/16 season. There were certainly some tough times, heavy defeats, struggling for players. I know he questioned himself on numerous occasions but his heart was always at Bris. Many a long phone call or long chat in the car were had over the years. Perksy always knew he had my support no matter what. And even when I was away he would phone me "Kev we need this player signed on". And then the call when I was in Jamaica. "Kev we need to get voluntary relegation or the club is dead" following the league restructuring. We took the relegation and the following season we stormed our way to the title. This was my time to bow out after 9 years but it was no more than Perksy deserved for sticking at it when I know on occasions he was ready to go. He got more reward last season with that incredible win against Wincanton in the play offs

Off the pitch he is a great friend to have and enjoy a beer or 2 with.

He's everyone's friend in the bar but for 2/3 hrs on a Saturday he is Brislington FC manager & players respect him for that. Lee has put his heart & soul into the club in so many ways.

I don't think there is anything the club can do to repay what he has done & believe me there is so much. Things that others no little about!

Perksy you truly are a Bris legend & a good mate. Take all the plaudits you get at the end of this season you deserve them mate"

Kev Hazell

I joined the management team at the end of the 21/22 season after another injury of mine which unfortunately been a case of alot of my football life. I have played for bris at junior level, floodlit, reserves and first team and when Perksy asked me to come and join him to help out on Saturdays what has followed has been right up there with the best times being involved in football. Obviously the 22/23 season stands out for obvious reasons with winning the league but I can honestly say alongside Perksy and Fordy it's been a privilege to be involved these last 3/4 years with the first team. I may only be the water boy as im known but I have met some life long friends and can honestly say I've enjoyed every Saturday and every player that's been involved along the way has been class as a person. But there is 1 person that stands out and that's the gaffer. Honestly every player would tell you that he goes beyond what any manager I have known does. I been lucky to call him a friend for many a year and for people that don't know him you ain't got a clue because this bloke does everything and more for people. It's been a absolute pleasure to help Lee out and hopefully me and him can enjoy many a Saturday now having a beer and watching the foxes.

Thanks lads love Dev

Neil Graydon

From The Bench

Good Afternoon all

I'd like to welcome everyone to Ironmould Lane, in particular the Management, players and supporters of Brixham AFC, hopefully they'll have a safe journey from and to Devon, and I wish them all the best in the pending play offs.

As with Lee, today is also my last game on the bench and I'd just like to take the opportunity to say thank you to every body at the club behind the scenes who welcomed me into the fold seven years ago, there are too many people to thank individually, but Lee Williams in particular has played an integral part in my love for Briz. You can't help but be inspired by his unrelenting energy and passion.

I aim to remain part of the club helping out where possible, and that wouldn't be the case if it wasn't for all the brilliant people who already put their time and effort into this great club, so thank you all, and let's keep driving forward.

I'd very much like to thank Neil 'Devon' Graydon who is also stepping back, Kev Hazell, and Everett who have all been integral parts of the management team and whose company and input I have very much valued, and all of whom I would consider friends first and foremost.

I'd also like to acknowledge the lads that I've had the pleasure be around, in particular the group, most of which are still here, that were playing from the 21/22 season. For me that was the start of a really tight 'squad' on and off the pitch which is vital for any success, which in turn changed the whole outlook of the club. They won the 22/23 1st division title by an almost record margin and gained promotion back to the JW Premier division via the play off's a year later. There's nothing like a dressing room/training ground environment, and despite the lows of the defeats there are the highs of the memorable wins, but ultimately it's the people around you that share those wins and defeats that make you want to turn up again, and again, a feeling that I thought would never relive when my playing days ended. If some of the performances have no doubt 'aged me' I can genuinely say that the dressing room banter has helped slow the ageing process even if it doesn't show on the outside!

Most importantly, I'd like to say a massive thank you to Lee for asking me to be part of his team.

My role has been simple and enjoyable, turn up, chat about football, give my opinion, then go home after a few pints; sometimes happy, sometimes boiling inside (because you do carry your defeats with you), but always looking forward to the next training session or game.

All of the 'heavy lifting' has been done by Lee for which he has earnt my utmost respect and admiration, the phrase 'if only you knew' springs to mind as I write! Unless you have done the job, it's very hard to verbalise quite how difficult and frustrating it is! I don't want to embarrass him but it really has been his relentless driving force that has changed not just the team, but the club! He's taken on his shoulders the negative forces and nay-sayers, who criticise every move, and continued to facilitate the needs of club and players alike.

To the nay-sayers, I say, Lee's contribution has been enormous and until you've put yourself into the arena; shut up!! .

In the time that I have been involved Lee's gone way, way above and beyond what should be expected of a manager at a football club. In the years to come he should be very much revered for his time at the helm.

Lee is a top man, and a good friend and I'll miss our days in the dugout.

For the last time, UTF 🐾

I hope you all enjoy The Game - Fordy

From The Bench

Good Afternoon all

Today we welcome Brixham AFC to the Poplar Insulation Stadium.

This is a very poignant one for me as it is my last 1st team match, and I'm sure after 10 years as 1st team manager it is going to be quite an emotional day.

I've met some special people along the way of course, all amateur clubs need the people who give their time and effort to make things run (I won't add smoothly, as things rarely run without one problem or another rearing its head). With that said I'd like to thank all of the current members who backed me from the beginning, Jenks, Chris Elston, Aggie, Phil, Steve & Lee, including the ones we have lost along the way, Fred Hardwell, 'Mad Ern', & Frank Bishop.

I'd like to thank Jeff Meacham, who brought me in to first team management as his assistant and all of the people that have helped me to manage the match days, in particular Kev Hazell, Fordy & Devs who have been with me the longest.

You can't do this job alone so that's for sure!!

When I started out as 1st team manager I had no idea that I would last as long as I have however 10 years on here I am. I can honestly say that I enjoyed the ride. No matter how low the lows were, I still had the highs that keep you coming back for more. Those epic wins that no one expects like Plymouth Parkway away, or Bitton at home, coming back from 4 nil down against Bristol Rovers and the 8-0 away win v Wincanton are all fond memories. These games give you the desire to keep going when things are tough. As do the players that you remember too many to mention but Danny Barwood, James Peart and Lewis Dunn have been loyal to me over the years, I've always known that I could count on them to give me everything.

The voluntary relegation was unfortunate but necessary and I am in no doubt that it was the difference between the club folding and the successful years that followed. When you factor in the reality that the extended travel brings, that there's only so many players, and that your competing with lots of other clubs to try to get them to play for you, well that's something I won't miss quite so much. This year in particular has been tough mainly because of the injuries which has been off the charts! Having to use 8 goalkeepers has been attritional to say the least, and has played a big part in my decision to step away. When you lose it burns inside in a way that's hard to describe, but you have the hunger to put it right; when you win, well there's not too many better feelings. As players you only have to have the desire and energy to lead yourself, as a manager you have to have the desire and energy to lead players and staff alike which definitely takes its toll.

I'm confident that I'm handing over the reigns to Ash with the club in a far better place than we were 5 years ago, the new changing rooms, ground renovations, social media and in particular the under 18's who have provided me with some excellent, no doubt future top Western League players (possibly higher) have all started to come together, and the future looks bright.

I fully intend to stay connected with the club helping out where I can and I'm sure that I'm going to miss the match days to some degree, however I'm looking forward to watching from the stands and playing more golf.

Before I finish there's one person that I would like to make a special mention of, and that's Lee Williams. Without Lee alongside me I know I would have finished sooner, and probably wouldn't have had the successes that we did in recent years. Lee has backed me like no other and for that I will be eternally grateful. He really is the lifeblood of this club so thank you mate.

I started my reign with a win, and that's how I'd like to end it, so for the last time

I hope you all enjoy The Game - Perksy

Player Profiles

2024/25

George Dorrington – Goalkeeper

3rd Spell at the club after going into retirement last year. Very vocal keeper who brings loads to the changing rooms. Known for his liking of an after match drink.

Jordan Schofield – Goalkeeper

Jordan joined us from Oldland when George & Ryan were injured but has hit the ground running and definitely helped steady the ship, pardon the pun but he's been a much needed safe pair of hands!

Ben Withey – Defender

Was at Frome Town last season and Perksy was quick to get his signature, Usually plays off the right but has shown his versatility and chipped in with a couple of goals.

Jude McCarthy - Defender

Came in mid way through last season, a tough tackling defender with bags of energy Jude usually operates from right back but can also play central.

Danny Barwood – Defender

The clubs longest serving player with close to 400 games. Solid no nonsense defender who loves a tackle.

Lewis Dunn – Defender

Also came through the juniors but has had spell at other clubs since. However, always comes back home. Wide midfielder who has converted to centre half. Very confident on the ball.

Asa White – Defender

22/23's top goalscorer with 25 goals (not bad for a defender)! Probably one of the best headers of the ball in the league and dangerous from set pieces. Asa continues as club Captain this year.

Harry Tobin – Defender/ Midfield

4th Season at the club after signing from Guernsey FC. Good footballer at either left back or in midfield. Will chip in with goals as well.

Joel Smith – Midfield

Signed from Bristol Telephones, the 19 year old defensive midfielder shows composure way beyond his years. Has all the tools to progress higher up the non league ladder.

Jordan Ricketts – Midfield

A real class act, Jordans composure makes his game look effortless, but has grit and quality in abundance. Rightly won players players & managers player of the season in 22/23.

Mason Ball -Defence / Midfield

Mason is a versatile young player who's been starring in our reserves, but his outstanding performances have warranted the chance at a higher level. A strong tackling hard worker who has good awareness on the pitch.

Lee Perks – Manager

Starting his football career at Bristol Rovers, Lee has been at Brislington for over ten years as a Player (goalscorer), reserve team Manager, first team Assistant Manager and first team Manager. With extensive knowledge of the now Jewson Western League Lee has used his years of experience to steady & maintain the ship on and off the pitch, and was rewarded with the team winning the league in 22/23 when the club was ineligible for promotion, but gained promotion back to step 5 last season through the play offs. Enters his 10th Season as manager.

Richard Ford – Assistant Manager

Richard has been at the club for 6 seasons, he has experience as a player of both the professional and non-league scene with Nottingham Forest, Torquay Utd, Hereford Utd, Trowbridge Town, Yeovil Town, Forest Green Rovers, Yate Town, and Clevedon Town.

Ashley Kington – Player Coach

Recovered and refreshed from the ACL injury which ruled him out after 12 games in 22/23, Ashley has played at a good level with Bristol City, Bath City & WSM. Loves to have the ball & known to score the odd spectacular goal.

Neil Graydon – Coach

Sweet connoisseur Neil has been around the non-league scene for many years after youth football with Bristol Rovers. Senior clubs include Brislington & Welton Rovers. Neil suffered a ruptured ACL for the reserves and has come in to provide a much valued extra voice, and is a motivational figure in the dressing room

Everett Welch - Pitchside Physio

A brilliant guy on and off the pitch Everett has a wealth of experience in non-league football most recently with Southern League Paulton Rovers. Everett played as a goalkeeper in Western League football, and served as a matchday physio at Ashton & Backwell and Odd Down.

From The New Gaffer

Firstly I would like to say a massive thank you to Perksy, for the entire time that I've been involved with football I've never come across a manager so generous and willing to help out, and look after his players as much as Perksy does. He has deserved every bit of success we had over the last 3/4 seasons.

Recently the club has been building on and off the pitch, with the U18's now running well (and winning), a new social media team and the ground improvements we're in a healthy position as I take over the managerial reigns next season.

I am grateful for the Perksy and the club to give me this opportunity and I'm excited to see what the future holds for us all at Brislington.

UTF 🦊

Ash Kingston

From The Skipper

I joined Bris in the 21/22 season just as the league merged with SWP and it was tough season for everyone. We then took voluntary relegation to division one. That year Perksy made me captain of the first team and it's something that I still am to the day. It's been a honour to lead the team as captain during some great times, one league win, one promotion and a runners up in the Somerset cup.

It goes without saying what a bloke the gaffer is, what he's done and is still doing for the club is nothing short of incredible. He's one of the most genuine and generous blokes I've ever known. He

will be truly missed in the dressing room and dug out and hopefully we still see him the bar so he can get the drinks in.... again. Thanks for some great times gaffer you will truly be a friend for life. Asa

Club History

The club was established in 1956 as an under-16 team, and initially played in the Bristol Church of England League, winning the Somerset Intermediate Cup in 1961-62 and 1962-63, and the Somerset Junior Cup in 1963-64. By 1965 the club were playing in the Senior Division of the Bristol & Suburban League.

During the 1970s we moved up to the Somerset County League, winning the League Cup in 1976-77, and finishing as runners-up in the Premier Division in 1979-80, 1983-84 and 1984-85.

The club went on to win the Premier Division and the Somerset Senior Cup in 1988-89, and after finishing as runners-up and winning the Senior Cup in 1990-91, they were promoted to Division One of the Western League.

Brislington won the Somerset Senior Cup again in 1992-93, and after a third-place finish in Division One in 1993-94, they won both Division One and the Senior Cup the following season and were promoted to the Premier Division.

After winning the Somerset Premier Cup in 1995-96, the club were Premier Division runners-up in 2002-03 and again in 2012-13.

Due to the escalating travel costs of the Toolstation Western League Premier Division, which forced Odd Down to take voluntary relegation, and with a sideways move to the Hellenic Premier ruled out, the club decided to follow Odd Down's lead and take the step down to the Toolstation Western League Division one.

This proved to be a decisive move as the 2022/23 Season saw the Foxes win the league, scoring 130 goals in the process, and reach the Semi Final of the Les Phillips Cup.

Brislington were unable to return to the Premier Division, although this was a blessing in disguise as that season saw the demise of Ashton & Backwell as a Western league club and Bitton, who failed to fulfil their fixtures, pulling out midway through the season, both falling foul of the increased running costs.

Club History *(Cont'd)*

The 2023/24 Season saw the reintroduction of an U18s side as the club look to rebuild a pathway to adult football from within.

Unfortunately the season was plagued by poor weather, far too many games were cancelled due to persistent rain, leaving all three teams a far-from-ideal heavily-backloaded schedule. Despite that however, all three teams were to gain a level of success on the pitch.

The first team were promoted back to the Premier Division albeit via the play-offs, after finishing a very disappointing seventh in the table (despite finishing the league's leading goalscorers). However they redeemed themselves by beating Radstock Town away in the semi-final then Wincanton Town away 2-3, where a dramatic second-half comeback saw a two-goal first-half deficit overturned with the winner coming in the 93rd minute, curtesy of Lewis Dunn!!

They also reached the Final of the Somerset Senior Cup although that game wasn't played due to the backlog of league fixtures, both the semi-final and final were due to be played before July 31st 2024!

The reserve team made it to their cup Final. Unfortunately they would lose to opponents Haywood Village, missing out on penalties after the game couldn't be settled in 90 minutes.

The U18s, lead by John Smallwood, Phil Wiltshire & John Lovell were a revelation, winning their league losing only one game in the process.

More importantly from a club perspective, 10 young players were to feature for the first team, unsurprisingly none looking out of place, with a few excelling, proving the decision to reintroduce an 18s set-up was a very good one.

Last Wednesday, 23rd April, the young Foxes made their way to the Hand Stadium at Clevedon to face Bristol Manor Farm in the League Cup final. With Brislington being one of the Premier Division leaders, they were undoubtedly the favourites going into the match. However, Manor Farm were no pushovers—having gone 14 matches unbeaten and fielding players who had featured for their First team, they were sure to provide a stiff challenge.

The atmosphere was electric, with a lively 'Army Army' cheering their side on, creating an entertaining backdrop for what would turn out to be a thrilling encounter.

Brislington dominated the match early on, creating numerous chances. Yet, despite their control, it was Manor Farm who struck first. A long ball played through four Brislington players fell kindly for a Manor Farm striker, who slotted the ball past Smallwood, giving them a 1-0 lead.

At halftime, the Foxes were down, but the team talk was clear: they'd been in similar situations before and had always found a way back.

In the second half, Brislington did exactly that. Lovell got the equaliser after pouncing on a loose ball from a free kick, blasting it into the net. Just four minutes later, they turned the match around completely. A brilliant pass from Radway found Bishop, who calmly finished to make it 2-1.

Brislington continued to press, and in the 80th minute, Lovell secured his brace with a superb header.

The move started with an important interception from Ames, who snuffed out a dangerous Manor Farm attack. The Foxes countered quickly, and a fantastic cross from Comely on his weaker left foot found Lovell at the far post, who made no mistake.

Despite the Foxes' dominance, Manor Farm weren't done yet. A talented striker came within inches of pulling one back, hitting the post in the closing moments, and had it gone in, the last few minutes could have been nerve-wracking. But it wasn't meant to be, and Brislington held on to claim a 3-1 win, securing the League Cup.

A special mention must go to the Manor Farm lads who fought hard until the final whistle, as well as their supporters who never stopped cheering. This is a team that will surely be a formidable force next season.

With just two games remaining, the young Foxes are focused on finishing the job and completing a memorable double. First up, we travel back to Clevedon, where we'll be hoping to carry the momentum from our recent League Cup final victory. Clevedon will be feeling confident after their dominant 4-0 win over us earlier in the season, but this upcoming clash between Brislington and Clevedon feels like a semi-final. With four teams – Clevedon, Brislington, Mangotsfield, and Hallen – still in the hunt for the title, a win for either Brislington or Clevedon will take it out of Mangotsfield and Hallen's hands, setting up an exciting finish to the season. The pressure is on, and the race for the league title couldn't be more thrilling.

Meet The Visitors

Nicknamed the Fishermen, the club was formed in 2012 when Brixham United and Brixham Villa merged in the South Devon League. Brixham Villa had been a club since 1953 and had previously won the league in 2007, while Brixham United had previously competed in the Western League between 1976 and 1981. After finishing runners-up in the South Devon League the club were promoted to the South West Peninsula League Division One East in 2014. The League was restructured in 2019 and Brixham were promoted to the Premier Division East, having finished in third place the previous season. Floodlights were installed and the first home match under the new lights was on 10 September 2019, a 2-1 win over Bovey Tracey. The club narrowly missed out on promotion on a points-per-game basis over the next two Covid-affected seasons, and having finished runners-up to Torpoint Athletic in 2022, they won the championship in 2023 and thus promotion to the Western League Premier Division. That season also saw the club's best-ever run in the FA Vase, defeating two higher-level clubs before going out on penalties at Corsham Town in the Fifth Round.

The club's ground - now known as The More Seafood Ground - was previously the home of Brixham United.

Brixham AFC is a FA Charter Standard club affiliated to the Devon County FA.
