MESSAGE FROM THE BOARD

Welcome back to The Poplar Insulation Stadium for this evening's FA Cup Extra Preliminary Round tie against Cadbury Heath. We hope their players, officials & supporters enjoy their brief stay with us. Tonights tie will go straight to penalties if the game is level after 90mins

It has been 261 days since the 1st team played a competitive game at the ground that was against Tavistock on 7th December. There has been a lot of uncertainty in the last few months with the Coronavirus Pandemic to when we would resume again but at long last we are back playing again.

We ask that you follow the COVID-19 prevention measures we have in place and respect other supporters' space while visiting the club. Please do not put any club official in an awkward position by disregarding these measures and possibly being asked to leave the ground. The guidelines have been set out by the Government & FA and we have to adhere to them.

As you may have noticed we are constructing new changing rooms on the far side of the ground. We do not have a completion date yet but I am sure those of you who know the club will agree they are much needed.

Today's game is kindly sponsored by Friends of Brislington. Thank you to Shem for his continued support of the club.

We would also like to thank all our other generous sponsors for their continued support

George Dorrington - Goalkeeper

Signed from Odd Down just before the season was cut short. Has a great pedigree having played for Man U & Huddersfield U23s. A very vocal keeper & great shot stopper. As with recent Bris keepers seems to like a pint.

Mitch Greenslade - Defender

Came through the junior section before spells at other clubs. Strong defender who can play right back or centre half. Was unlucky last season with a couple of harsh red cards.

Mark Fear - Defender

2nd season at the club after signing from Hengrove. Plays at left back strong in a tackle and good with the ball at his feet. Scored either the luckiest or great winning goal at Bridport last season.

Scott Lewis - Defender

Previously at Hengrove. Strong no nonsense vocal centre half who is a good leader on the pitch. Thought to be the club joker. Scored the last goal of last season with a last minute header vs Wellington.

Conor McCormack - Defender

New signing this season previously at Frome Town & Mangotsfield. Has looked strong and confident and will strengthen the back four.

Kye Thomas - Defender

4th season at the club after being at Yate & Bridgwater. Footballing defender who is comfortable with the ball at his feet. Current club captain

Danny Barwood - Defender / Midfield

Apart from a short spell at Hengrove has been at Bris since he was a teenager. Another strong grappling defender who will get stuck in where it hurts.

Lewis Dunn - Defender / Midfield

Has been at Bris since he was 7. Has had spells at Hengrove, Welton & Odd Down but always come back home. Good with the ball at his feet and decent in the air as well.

Conor O Sullivan - Defender

New signing this season after 2 years out due to work. Was previously with Clevedon & Weston and has looked decent in pre season and looks like he will be a good addition.

Ruben Nuevo Draper - Midfield

New signing previously at Cadbury Heath & Bitton. Midfield playmaker with loads of energy. Always looking for the ball.

Jayden Nielsen - Midfield

3rd season with us after breaking into the side at 16. Great left foot and skill to go with it never seems to score an easy goal. Never set your watch buy him as he's always late.

James Peart - Midfield

Teams longest serving player been at Bris for about 18 years. Will always give 100% and never let you down. Still one of the fittest players in the team.

Reeko Best - Midfield

Signed from Odd down last season tricky player who loves to run at players and will chip in with important goals.

Kriss Miller - Midfield

Back after a short spell last season clever player who can unlock defences with one pass will also chip in with spectacular goals as well.

Cameron Brown - Midfield / Forward

New signing from Lebeq but has played for Aldershot & Bristol City. When he is fit will be a asset to the team always wants the ball and looking to unlock defences.

Frank Gingell - Midfield / Forward

Leaves the club but always comes back. Quick player who will cause full backs problems. Also has an eye for goal and regularly scored 20+ goals from wide positions.

Mason Dagger - Forward

3rd season at the club but missed most of last season when he went travelling. Has a bit pace, decent in the air and will chip in with goals.

Neikell Plummer - Forward

3rd spell at the club and virtually guaranteed to get you 20+ goals a season not many better finishers in the league and loves pens & free kicks. Known to like a bit of a winge.

Kye Simpson - Forward

New signing from Roman Glass. Pacy forward who has a keen eye for goal which he has shown in pre season.

Management

Lee Perks - Manager

Starting his 5th season in charge after stepping up from the Reserves. Was a prolific goal scorer in local football. Works hard to get decent players to the club.

Rich Ford - Assistant Manager

Was on the books of Notts Forest when was younger and played professionally for Torquay as well as a host of local clubs. This his 3rd season at the club.

Kevin Hazell - Assistant Manager / Physio

Been at the club nearly 20 years as a player & Manager. Is the club secretary, kit man & now Covid officer. Has great passion for the club

CADBURY HEATH FOOTBALL CLUB (THE HEATHENS)

The Club was first established in 1894 by Cadbury Heath Adult School (later to be known as Cadbury Heath Primary School) when Cadbury Heath was just a little narrow, one-street village, way outside the boundaries of Bristol.

Our first pitch was situated at Mill Lane, changing in the Social Club and heating up water for tin baths. With a break for the War years, and the transferring to what is now Coronation Park, we progressed from the Bristol & District League to Division Two of the Bristol Premier Combination, and then to Division One in 1961, after winning the GFA Junior Cup in 1950. In the 60's the team (only a first team then) built their own baths at the Social Club. This period of success coincided with the renting of our present ground – Springfield – for £10 per annum from a local farmer and President Jim Warner. This was then an open pasture land with cows, a rope had to be put around the playing area. It had no Electricity Water or Drainage. The tea bar was a garden shed. The offer to purchase for £250 was short-sighted declined, as the field was later sold as part of major development land and only intense lobbying led by the then Chairman, Mike Packer persuaded the Council to allocate Springfield as part of Public Open Space leased to the Football Club for dual use. This has meant that we have not been entirely masters of our own destiny. Even so, Gloucestershire county League championship in 1971-72, 1972-73, 73 74 and runners up 74/75 at the same time winning the GFA Senior Amateur Cup in 1972/73 73/74 and 1974-75, under Ralph Miller's Management. The success pushed the club into joining the Midland Combination after being turned down by the Western League due to the dressing rooms being situated too far from the pitch (what is now the Social Club bottle store). A stand was built for the requirement of the Midland Combination (with tea bar). After finishing fifth and reaching the quarter finals of the FA Vase with a crowd of 2,000 at Springfield, and more listening live on local Radio Bristol for the tie against Billericay Town from Essex, the Manager left after a disagreement with the committee, and took most of the players, to Cinderford Town. This shook the club to the core, we were relegated and had to drop two divisions to the Avon Premier Combination (we were founder members) there was no 'Pyramid System' in force. A slow recovery took place, half time rooms being built, then a terrapin to provide on-pitch dressing rooms, taking advantage of newly laid drains for the new houses, a water supply, and electricity for training floodlights. Elected back into the Gloucestershire County League in 1984 a reserve team was started in 1988 ran by John Clarke formed from CHYMCA the first team finished as runners-up in the County League in 1990. The Managers in this period were Bob Williams, Dave Pitman, Les Allan, John Harris, Andy Stone, Keith Cottrell, Brian Knighton, Mike Ratcliffe, and Chris Stone. We celebrated our Centenary by winning the League Championship for the fifth time in 1994, under the consistent managership of Brian Knighton, and we continued to dominate the league once

in 1994, under the consistent managership of Brian Knighton, and we continued to dominate the league once again. Continued improvement on and off the field saw new dressing rooms built on the ground in 1997, a youth academy started under Malcolm Knowlson and a new terrapin replaced the one for the youth section formed from an amalgamation with local youth football club, Grimsbury Rangers. After winning the Gloucestershire County League for a record sixth time, under the management of Andy Black, an application to join the Western League was again turned down due to the lack of a fence. Andy then left the club to join Bitton and Steve Plenty was appointed Manager along with Lee Knighton. After a public open meeting and a long battle with the Council, the fence was finally erected at a cost of £15,000 funded by Cadbury Heath Football Club. Steve and Lee's first season in charge got runners up spot, of which consequently secured our election to the Toolstation Western League at long last! After 2 seasons in charge, Steve Plenty stood down due to family commitments and Lee Knighton took over the hot seat for a season and then the reigns were handed over to his assistant, Glen Smart, who consolidated our position for four seasons. Lee Knighton took over as First Team Manager for his second spell and appointed Andy Weeks as his assistant in season 2005/6, also that year Steve Plenty became Chairman when Dave Smart stood down. After five years of planning tribulations Floodlights were successfully installed at the end of season 2008/2009 this being Phase one of Heaths redevelopment plan, being largely due to the efforts of Chairman Steve Plenty. The Heath and The Social Club went their separate ways in season 2011/12. Andy Black joined the club for his third spell in season 2010/11 appointing Glenn Smart as his assistant culminating in the first division championship and promotion to the Premier Div. in season 2011/12. Then followed two good seasons in the premier division with the last two seasons being a period of trying to rebuild the side after most of the original players either retiring or moving on to higher level football. Phase two, is in the planning stage which is for a new dressing room facility incorporating a new clubhouse & new 100 seat stand with a covered area for a further 100. During season 2015-2016 Roger Coke joined the club as coach. Season 2016-2017 starts with a new first team coach Phillip Bater Ex Bristol Rovers and the introduction of a U18 side who will be playing in the Bristol & Glos U18 league. Mid season Rob Mallett joined the coaching staff to assist Andy Black. First team won the GFA Challenge Trophy beating Fairfield Town 4-3 on penalties. End of season Andy Black resigned as manager and became director of football. Season 2017-2018, Rob Mallett was appointed first team manager. Season 2018-2019 Andy Black was appointed first team manager. 2019-2020 John Black has joined the management team. Season 2020-2021 Mitchell Hodge was appointed first team manager assisted by Aaron Dav.

The systems implemented are intended to introduce consistent measures in the football club in line with the Government's current recommendations on social distancing.

These are exceptional circumstances and Brislington Football Club and our members recognise that we must comply with the latest government & FA advice on Coronavirus at all times.

The health & safety requirements the football clubs must not be compromised at this time. If an activity cannot be undertaken safely due to lack of suitably qualified personnel being available or social distancing being implemented, it should not take place.

- Try to avoid close contact. Brislington FC recognise there may be situations where it is not possible to maintain social distancing and to limit close contact to the minimum time that is possible.
- Try to ensure that non essential physical work that requires close contact should not be carried out.
- Any work that involves skin to skin contact will not be carried out.
- Ensure single use PPE is available and disposed of correctly.
- Increase ventilation in enclosed spaces.

The clubs COVID-19 officer will then check the club signing in book and contact the government track & trace department to inform them of a possible infection within the club. The procedures set out by the government must be followed.

The football club will then receive a deep clean.

- All persons entering the ground wash or sanitize their hands.
