From The Boardroom

Good afternoon and a warm welcome to everyone joining us at Ironmould Lane for today's Jewson Western League Premier Division fixture against table toppers Clevedon Town. We extend a special welcome to our visitors, including their players, officials, and supporters, and wish them a safe journey to and from the ground.

This is our first home fixture since our Boxing Day match against league leaders Portishead Town, and while that result didn't go our way, I remain confident that the lads will put on a strong performance today and get back to winning ways.

In recent days, we've seen two players leave the club, and we'd like to take a moment to thank them for their contributions. Ali Sen, who made 29 appearances and scored 10 goals, has decided to return to Wells City. Dean Griffiths, a key part of our 2023 Division One Championship-winning squad and last season's promotion campaign, has also departed. Both players have made a significant impact during their time with us, and we wish them all the best in the next stages of their careers.

Off the pitch, our exciting arts and design residency continues to gather momentum, and those familiar with Ironmould Lane will notice the rejuvenation of the Colin Arnold Grandstand. This project, along with other planned developments, will enhance our facilities and help create a more vibrant and welcoming environment for our supporters and visitors. However, to ensure the success of these ambitious plans, we are seeking sponsors to help fund the progress of these initiatives. These projects provide a fantastic opportunity for local businesses to be part of something truly rewarding, and we would love to hear from anyone interested in supporting us.

Thank you for your continued support of Brislington FC. Let's get behind Lee and the team today and push for three points against Brixham Town!

Enjoy the game, and as always, UpTheFoxes!

Player Profiles

2024/25

George Dorrington – Goalkeeper

3rd Spell at the club after going into retirement last year. Very vocal keeper who brings loads to the changing rooms. Known for his liking of an after match drink.

Ryan Smallwood - Goalkeeper

Ryan plays with the league winning U18's, and spent most of last year playing in the Hellenic Premier league for Stonehouse and this year has started for Hartpury College in the Hellenic Prwmier this term. Comfortable with the ball at his feet and a brilliant shot stopper, another youngster for whom we have high hopes.

Ben Withey – Defender

Was at Frome Town last season and Perksy was quick to get his signature, Usually plays off the right but has shown his versatility and chipped in with a couple of goals.

Jude McCarthy - Defender

Came in mid way through last season, a tough tackling defender with bags of energy Jude usually operates from right back but can also play central.

Danny Barwood – Defender

The clubs longest serving player with close to 400 games. Solid no nonsense defender who loves a tackle.

Lewis Dunn – Defender

Also came through the juniors but has had spell at other clubs since. However, always comes back home. Wide midfielder who has converted to centre half. Very confident on the ball.

Asa White – Defender

22/23's top goalscorer with 25 goals (not bad for a defender)! Probably one of the best headers of the ball in the league and dangerous from set pieces. Asa continues as club Captain this year.

Harry Tobin – Defender/ Midfield

4th Season at the club after signing from Guernsey FC. Good footballer at either left back or in midfield. Will chip in with goals as well.

From The Skipper

Good Afternoon all

Firstly i'd Like to welcome the, players officials and supporters of Brixham and wish them safe journeys to and from todays game.

They're clearly a very good side having been in and around the top spots for pretty much the whole season so far, we know it's going to be a tough ask.

Results haven't been going our way recently, although the last 6 games have been against the teams at the business end of the table, it's fair to say that we haven't done ourselves justice. We can no longer feel sorry for ourselves and worry about the players that have been unavailable, from here on in it's time to stand up and be counted!

Some of those games we've been poor and deserved nothing and some games things just haven't gone our way, but we all know as a group that we're better than we have shown of late.

I want to let supporters and everyone at the club know that I've spoken with the players on Tuesday at training and we're all determined to put the frustrations aside and do everything in our power on Saturday and in the remaining 13 games after that to try and finish as high as possible.

We have lost a couple of players this week, it is what it is!

But I'm confident that we now have a group of players that want to be here in the trenches. Players that want to work hard for each other, and who are up for the fight!

We owe it to ourselves, we owe it to the club, we owe it to the people that have come to watch us week in and week out, but most of all we owe it to the gaffer who's backed us all, at one time or another in good times and bad, whether it's the birth of child, a difficulty off the field, an injury, or just a players night out, Lee has always gone out of his way to be the first to step in or step up and we know it's time to repay the faith.

It starts today.

Club History

The club was established in 1956 as an under-16 team, and initially played in the Bristol Church of England League, winning the Somerset Intermediate Cup in 1961–62 and 1962–63, and the Somerset Junior Cup in 1963–64. By 1965 the club were playing in the Senior Division of the Bristol & Suburban League.

During the 1970s we moved up to the Somerset County League, winning the League Cup in 1976–77, and finishing as runners-up in the Premier Division in 1979–80, 1983–84 and 1984–85.

The club went on to win the Premier Division and the Somerset Senior Cup in 1988–89, and after finishing as runners-up and winning the Senior Cup in 1990–91, they were promoted to Division One of the Western League.

Brislington won the Somerset Senior Cup again in 1992–93, and after a third-place finish in Division One in 1993–94, they won both Division One and the Senior Cup the following season and were promoted to the Premier Division.

After winning the Somerset Premier Cup in 1995–96, the club were Premier Division runners-up in 2002–03 and again in 2012–13.

Due to the escalating travel costs of the Toolstation Western League Premier Division, which forced Odd Down to take voluntary relegation, and with a sideways move to the Hellenic Premier ruled out, the club decided to follow Odd Down's lead and take the step down to the Toolstation Western League Division one.

This proved to be a decisive move as the 2022/23 Season saw the Foxes win the league, scoring 130 goals in the process, and reach the Semi Final of the Les Phillips Cup.

Brislington were unable to return to the Premier Division, although this was a blessing in disguise as that season saw the demise of Ashton & Backwell as a Western league club and Bitton, who failed to fulfil their fixtures, pulling out midway through the season, both falling foul of the increased running costs.

Club History *(Cont'd)*

The 2023/24 Season saw the reintroduction of an U18s side as the club look to rebuild a pathway to adult football from within.

Unfortunately the season was plagued by poor weather, far too many games were cancelled due to persistent rain, leaving all three teams a far-from-ideal heavily-backloaded schedule. Despite that however, all three teams were to gain a level of success on the pitch.

The first team were promoted back to the Premier Division albeit via the play-offs, after finishing a very disappointing seventh in the table (despite finishing the league's leading goalscorers). However they redeemed themselves by beating Radstock Town away in the semi-final then Wincanton Town away 2-3, where a dramatic second-half comeback saw a two-goal first-half deficit overturned with the winner coming in the 93rd minute, courtesy of Lewis Dunn!!

They also reached the Final of the Somerset Senior Cup although that game wasn't played due to the backlog of league fixtures, both the semi-final and final were due to be played before July 31st 2024!

The reserve team made it to their cup Final. Unfortunately they would lose to opponents Haywood Village, missing out on penalties after the game couldn't be settled in 90 minutes.

The U18s, lead by John Smallwood, Phil Wiltshire & John Lovell were a revelation, winning their league losing only one game in the process.

More importantly from a club perspective, 10 young players were to feature for the first team, unsurprisingly none looking out of place, with a few excelling, proving the decision to reintroduce an 18s set-up was a very good one.

Fixtures Results & News

Brislington U18s maintained their unbeaten record in style, delivering a resounding 6-0 victory over league strugglers Welton Rovers. Continuing their excellent form. The young Foxes have now won their last three matches, scoring 11 goals without conceding!

As we enter the second half of the season, Brislington sit proudly at the summit of the league, separated only by goal difference and with a game in hand. Credit must be given to the visitors, who put up a valiant and stubborn defensive effort, keeping the scoreline tight for 57 minutes thanks to an extraordinary performance from their keeper and a helping hand from the woodwork. In-form Charlie Ames wore the captain's armband, with Garrod starting on a strong bench, as manager Lewton took the opportunity to hand a few squad players a start. Stand-in keeper Frankie Lewton, though rarely tested, secured his third consecutive clean sheet, further highlighting the team's defensive solidity. Once the resistance faded, Brislington found their stride and ran away with the win.

Meet The Visitors

Clevedon FC are one of the oldest clubs in the West Country and were founder members of the Western League in 1892, having played friendlies and in county competitions up to that point. They only stayed in the Western League for 3 seasons before dropping into local leagues until returning for a second spell up until World War One. They played their early matches at the local cricket ground at Dial Hill before moving to a new site at Old Street (later named Teignmouth Road) in 1895, remaining there until 1992. After the Great War, they played in the Bristol & District and Bristol & Suburban Leagues before moving to the more senior Somerset Senior League in 1933, staying there until the outbreak of the Second World War. They continued to play throughout the war years, mainly in local leagues, before returning to the Western League after the war, remaining there, other than for one spell away, until they won the League title for the first time ever in 1992/93, when they were elected to the Southern League.

The period after World War 2 was to be one of their best spells and they achieved some national recognition for their exploits in the FA Amateur Cup during the 1950's in particular. For a small West Country club they enjoyed many excellent runs in that competition, playing some of the then giants of the amateur game such as Harwich and Parkeston, Pegasus and Billingham Synthonia, even enjoying a cameo appearance on the emerging television network, with notable victories being achieved against Salisbury, Briggs Sports and Ilford. It was in cup competitions that Clevedon had already gained success and they won the Somerset Senior Cup several times throughout their early history, going on to win the more senior Somerset Premier Cup as well in the 1980's and 90's.

Clevedon spent much of their history playing at junior level, during their early years and in the 1960's, or in the more senior Western League competition. However they finally achieved the next stage of their development when they won the Western League in 1992/93 and were promoted to the Southern League.

Meet The Visitors

The 1992/93 season also saw them move home for the first time in nearly a century when they moved to a purpose built stadium, The Hand Stadium, named after the Hand family who had been instrumental in the running of the club from the 1890's. In their first season at The Hand they went unbeaten and took their first Western League title, in front of an average gate of 421, breaking all kinds of scoring records on the way.

In their first ever season in the Southern League they finished in a very creditable fifth place under manager Steve Fey, all the more remarkable when considering that he took over the side in June with just three players remaining from the championship squad. The club settled into the Southern League and the 1998/99 season saw them win the Midlands Division and gain promotion to the Premier Division, where they remained for two seasons before suffering relegation. The club again gained promotion to the Premier Division under manager Phil Bater in 2006/07 and, in the same season, reached the 1st Round of the F A Cup for the first time in their long history, losing out to Chester City in front of a club record crowd of 2,261 at The Hand Stadium.

However, in common with many clubs, gates and income gradually fell and the club slipped back into Division One in 2009/10. Worse was to follow in summer 2011 when The Hand Stadium was sold outright and the club found themselves as tenants of their former home. There was however some success to cheer in 2011/12 when the club won the Red Insure Southern League Cup beating Premier Division team Banbury United 2-1 on aggregate under manager Micky Bell. Despite finishing 18th in 2014/15 Clevedon Town were demoted back to the Western League due to problems with their floodlights. In October 2015 a sponsorship deal was agreed with a personal fitness company and the Hand Stadium was renamed The Everyone Active Stadium. Clevedon rebuilt under Micky Bell and then Alex White and in 2023/24 came 4th in the Premier Division, their highest finish since returning to The Western League. This qualified them for the play-offs where they won 1-0 in the semi-final at Bridgwater United before losing 2-0 in the final at Falmouth Town.
