BrislingtonFCTV - You 

# ***From The Boardroom***

Welcome to Ironmould Lane for this afternoon's Jewson Western League Premier Division clash against Torpoint Athletic. It's a pleasure to host our visitors from Cornwall, and we extend a warm welcome to their officials, players, and supporters. We look forward to an entertaining match and hope all of you enjoy your time with us here in Brislington.

This past Tuesday, we had the pleasure of welcoming Frome Town from the Southern League Premier to our ground for a Somerset FA Premier Cup fixture. While we were disappointed not to secure the result, the game was a showcase of our club's talent and depth. Several of our U18s stepped up admirably to the occasion: Sam Garrod, Ollie Lovell, Callum Pritchard, Ryan Smallwood, Luca Pereira, and Billy Wiltshire all showed their considerable class and promise. Alongside our seasoned first-team players, these young talents displayed maturity, confidence, and skill, representing the future of Brislington FC with pride. The first-team regulars led by example, creating an atmosphere of encouragement and resilience that carried throughout the match.

I'd also like to remind everyone about this week's 3 Match Pool, with the winnings currently sitting at £500. If you want to be in with a chance of winning the prize, just ask behind the bar to enter. It's a fun way to get involved and support the club!

As always, the management board and I are immensely grateful for the unwavering support of our sponsors and supporters. Our main sponsor BristolBeds, along with Express Windscreens, McDonalds, CoolMarket, and many others, play a crucial role in the club's success. To our loyal supporters, your passion and dedication inspire us every match. Thank you for being an essential part of The Foxes family!

If any businesses are interested in supporting the club by means of sponsorship, while also promoting your services to our fans and visitors, please visit our website or speak to someone at the bar. Your partnership can make a significant difference, and we would be thrilled to have you on board.

Thank you for being here today and for your unwavering support. Let's enjoy the match and get behind the lads!

# **From The Bench**

*Good Afternoon All*

Today we welcome Torpoint to the Poplar Insulation Stadium, I hope that they have a safe journey to and from the game.

I was very pleased with the way we approached our midweek game against Southern Premier League side Frome Town. Clearly it was always going to be a very big ask to get the result but it gave the young lads a chance to gain some valuable experience and they all acquitted themselves admirably, as did the first team boys that were available, who lead from the front against a side two levels higher.

The last couple of months have been tough, it's felt like an uphill battle at times with the constant stream of injuries, that have stopped us gaining any consistency. However some performances have still been pretty good and the young lads have come in and done well for us.

However we really do need to stop feeling sorry for ourselves and start getting some points on the board, hopefully starting today!!

UTF 🐾

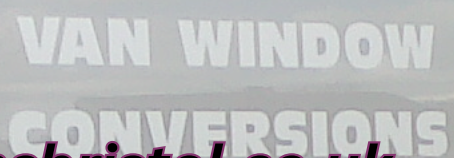

*Enjoy The Game*

# **Club History**

The club was established in 1956 as an under-16 team, and initially played in the Bristol Church of England League, winning the Somerset Intermediate Cup in 1961–62 and 1962–63, and the Somerset Junior Cup in 1963–64. By 1965 the club were playing in the Senior Division of the Bristol & Suburban League.

During the 1970s we moved up to the Somerset County League, winning the League Cup in 1976–77, and finishing as runners-up in the Premier Division in 1979–80, 1983–84 and 1984–85.

The club went on to win the Premier Division and the Somerset Senior Cup in 1988–89, and after finishing as runners-up and winning the Senior Cup in 1990–91, they were promoted to Division One of the Western League.

Brislington won the Somerset Senior Cup again in 1992–93, and after a third-place finish in Division One in 1993–94, they won both Division One and the Senior Cup the following season and were promoted to the Premier Division.

After winning the Somerset Premier Cup in 1995–96, the club were Premier Division runners-up in 2002–03 and again in 2012–13.

Due to the escalating travel costs of the Toolstation Western League Premier Division, which forced Odd Down to take voluntary relegation, and with a sideways move to the Hellenic Premier ruled out, the club decided to follow Odd Down's lead and take the step down to the Toolstation Western League Division one.

This proved to be a decisive move as the 2022/23 Season saw the Foxes win the league, scoring 130 goals in the process, and reach the Semi Final of the Les Phillips Cup.

Brislington were unable to return to the Premier Division, although this was a blessing in disguise as that season saw the demise of Ashton & Backwell as a Western league club and Bitton, who failed to fulfil their fixtures, pulling out midway through the season, both falling foul of the increased running costs.

# **Club History** *(Cont'd)*

The 2023/24 Season saw the reintroduction of an U18s side as the club look to rebuild a pathway to adult football from within.

Unfortunately the season was plagued by poor weather, far too many games were cancelled due to persistent rain, leaving all three teams a far-from-ideal heavily-backloaded schedule. Despite that however, all three teams were to gain a level of success on the pitch.

The first team were promoted back to the Premier Division albeit via the play-offs, after finishing a very disappointing seventh in the table (despite finishing the league's leading goalscorers). However they redeemed themselves by beating Radstock Town away in the semi-final then Wincanton Town away 2-3, where a dramatic second-half comeback saw a two-goal first-half deficit overturned with the winner coming in the 93rd minute, courtesy of Lewis Dunn!!

They also reached the Final of the Somerset Senior Cup although that game wasn't played due to the backlog of league fixtures, both the semi-final and final were due to be played before July 31st 2024!

The reserve team made it to their cup Final. Unfortunately they would lose to opponents Haywood Village, missing out on penalties after the game couldn't be settled in 90 minutes.

The U18s, lead by John Smallwood, Phil Wiltshire & John Lovell were a revelation, winning their league losing only one game in the process.

More importantly from a club perspective, 10 young players were to feature for the first team, unsurprisingly none looking out of place, with a few excelling, proving the decision to reintroduce an 18s set-up was a very good one.

**Heartbreak for Bris U18 as FA Youth Cup Run Comes to an end**

Just 48 hours after Bris U18's big league win, the much-anticipated FA Youth Cup match finally arrived. The stands were filled with supporters, all eager to witness a battle for a coveted spot in the First Round Proper against Forest Green Rovers. With so much on the line, both teams delivered a committed performance, truly leaving everything out on the pitch. The intensity of the game meant that neither side could play with their usual fluency; instead, it became an attritional contest. While Brislington had managed an impressive 380 passes in their previous match, the high stakes of this clash saw them complete just 77. Even so, they managed more than Camberley, who registered only 65 passes and struggled to gain control. Despite the visitors arriving with expectations of a comfortable win, they were held to just 40% possession—a testament to Brislington's resolute defending and tactical discipline. Unfortunately, their cup journey ended with an agonising late goal from Camberley. Nevertheless, Brislington can take pride in their efforts, progressing further than any other Bristol team and winning many new supporters along the way.

As the early minutes unfolded, it was evident that Camberley Town possessed a lot of quality, and Brislington faced a tough challenge ahead. A bitter blow came just after the 5-minute mark when Camberley capitalised on a loose ball at the edge of the box, taking a speculative shot.

Stand-in keeper Aston, unsighted, could only watch as the ball agonisingly trickled in. Brislington heads momentarily dropped, finding themselves in an unaccustomed position. However, they quickly regrouped, with Riley Taylor showcasing his growing confidence through two strong tackles that set a defiant tone. This momentum earned Bris a free kick, which Lewis expertly delivered into the box, allowing captain Ames to connect and equalise just 90 seconds later. Camberley had to start over, and they continued to threaten, but Brislington's defence worked tirelessly to thwart their efforts. Camberley's main threat, their number 10 on the right wing, proved to be a handful for Readings, who nonetheless did just enough to hold him up, the team responding well to the manager's calls to double up. Lewton's game plan was unfolding as intended; the aim was to frustrate the visitors, and it was working. Not only were the players feeling the pressure, but Camberley's professional management team (of six !!) were also visibly losing their composure, attracting attention from the referee. Both sides traded blows, but the half ended level. While Camberley perhaps edged it in terms of quality, the game remained very much in the balance.

HT: Brislington 1-1 Camberley Town

The second half mirrored much of the first, with both teams cancelling each other out. It was a battle of head tennis and long balls, as neither side was able to showcase their usual style of football; the stakes were high, and both teams had to adapt. Brislington, however, were having the better of the half, creating more of the opportunities—though they were largely half-chances and neither goalkeeper was seriously tested.

As the match progressed, the fans were surprised to see Camberley finish the game with all 11 players on the pitch, given their lack of discipline. The lively and tricky Pritchard was often on the receiving end of some rough treatment, and there was plenty of back chat from the opposition, both on and off the pitch. As the game entered its closing stages, penalties seemed the likely outcome. But in the 92nd minute, heartbreak struck. Camberley won a free kick and delivered a well-executed cross into the box. The attacker met it with a header back into the danger zone, and a brief lapse in concentration left Brislington a man short, allowing the Camberley striker to fire home what would be the winner.

Despite pushing hard in the final three minutes, Brislington couldn't create another meaningful chance. Their FA Youth Cup journey came to an end, but they can walk away with their heads held high, knowing they gave everything.

There were several contenders for the Man of the Match award, but the winner was clear. Charlie Ames put in an imperious performance, executing an extraordinary number of impeccably timed tackles, clearances, and defensive headers. His goal to restore Brislington into the tie at a critical moment showcased his leadership – a true captain's performance, leading by example throughout the match. The award was presented by Riley Taylor, who also had an outstanding game himself. Despite being one of the shorter players on the field, Riley set the tone with his tenacity, winning an impressive number of headers and showing his growing influence on the team.

A graphic celebrating Charlie Ames as the Man of the Match. It features a photo of Charlie Ames in a red kit being presented with a trophy by Riley Taylor. The text includes the date 24.10.2024, the club name Brislington Football Club, and the match details: Under 18, Brislington 1-2, FA Youth Cup. The FA Youth Cup logo is also present.

A graphic for the next match. It features a player in a red kit running. The text includes the Western Counties Football League logo, 'NEXT MATCH', the club logos for Brislington Football Club and Hallen, and the match details: Brislington vs Hallen, Wednesday 30th October at 7.30 PM, WCL | Poplar Stadium, £3 Adults | £1 Concessions.

Brislington must now pick themselves up and shift focus back to their domestic competitions. Next up is a home tie against Hallen in the league. Hallen, a seasoned Premier Division side, have had a mixed bag of results this season, but Brislington will be well aware of their capabilities and won't be taking them lightly

*They say there is no room for long ball but Bris 2nd team opponents Lawrence Weston proved otherwise.*

*Bris we're away from home on a difficult surface.*

*A slow start saw us 1-0 down early on. Bris then took control by following their philosophy of playing out from the back through the 3rds taking a 3-1 lead early in the second half with goals from Matt Redman, Dan Lewis and Reece Mead. Lawrence Weston continued long ball which caused Bris to sit back and invite pressure resulting in us responding in type, by going long and unfortunately losing control of the game.*

*Lawrence Weston scored again on 60mins with their 3rd goal in the last minute of the game earning a 3-3 draw.*

*The success this season for Bris has been built on youth policy playing attractive football and Saturday's game will be a big learning curve on how to manage games when you come up against a direct physical team.*

*Next Saturday sees Bris 2nd at home v Wellington Town Res in the county cup*

# Meet The Visitors

Players within the club wanted to compete at a higher level and Torpoint applied to join the South Western League. The club has been a member of this league ever since. Season 1962/63 saw Torpoint's first campaign in the league. The club was fortunate to have many local players within the team John Bolton, Lou Dearden, Ben Lines, Malcolm Prout, Gary Selley and Barrie Stephens. In addition there was also Brian Mallett and Mike Waterfield who moved to Torpoint to live.

Torpoint returned to the winning ways of the pre war years winning the South Western League Championship on two occasions 1964/65 and 1966/67. The club won the Charity Cup on three occasions 1966, 1967 and 1968. Torpoint Athletic lost in the final of the South Western League Cup in 1965/66 and the Cornwall Senior Cup in 1967/68. The club competed in the FA Amateur Cup reaching the second round on several occasions. In this competition the club played teams from the London Athenian League and the Isthmian League. Some of the teams they played were Corinthian Casuals, Cray Wanderers, Harwich and Parkstone, Leyton (twice) and Walton and Hersham (three times).

Altogether eleven enjoyable years were spent at Defiance Field. The ground had an end to end slope with good playing surface that encouraged good football. The support was good with crowds often of over a thousand watching matches, especially during the Amateur Cup runs. However, it was always a wish of the club to return to what many considered to be the traditional home of local football in Torpoint "The Mill". In 1970 the option to buy "The Mill" was offered to the club.

The committee led by Chairman Mr Reg. Devonshire and Secretary Keith Lillyman formed the "Two Hundred Club". This weekly and monthly draw helped the club raise the finance required. In 1971 Torpoint Athletic purchased "The Mill". The grand opening of the pitch took place on Wednesday August 11th 1971. Torpoint Athletic played a County Eleven losing the match by three goals to two. The move back to it's traditional home did not bring a host of trophies. In 1972/73 they lost one nil to Wadebridge Town in the Cornwall Charity Cup. Torpoint finished third in 1977/78 and fourth in 1978/79. George Preece won the clubs' award for most goals in both seasons.

During the seventies many local lads represented the club. Phil Cardew, Steve Cardew, Neil Edwards, Terry Metters, Ritchie Roberts, Alan Shannon and Mike Vigus to name but a few.

One such player, Roy Carter went on to play league football for Hereford, Swindon, Exeter, and Newport. Robbie Russell went on to make the professional ranks with Cowdenbeath.

In 1980/81 the club again lost in the final of the Cornwall Charity Cup by three goals to one to Truro City.

The next season 1981/82 the club finished a creditable third place in the league. That season they scored 106 goals, with Terry Metters getting 26 of them. The team finished the campaign with 51 points, just two points behind the champions.

During the nineties the club competed in the FA Vase competition. They played against sides such as Chippenham Town, Diss Town, Eastleigh, Exmouth and Tunbridge Wells. In the season 1995/96 the club had it's best run in the competition losing to Raunds Town two nil in the fifth round. Unfortunately as the competition requires clubs to have floodlights Torpoint have been out of the FA Vase until 09/10 season.

The season 1995/96 was one of the most successful in the clubs history. Under the managership of Phil Cardew and his assistant Roy Carter the club finished as runners up in the South Western League. In addition they won the Cornwall Senior Cup and the Cornwall Charity Cup.

Season 2003/04 saw the South Western League side team win the South Western League Cup, for the first time in our history, defeating Penzance in the final at Bodmin courtesy of a Chris Menhennick goal. In the last season of the South Western League the 06/07 season, Torpoint got promoted in last minute of the game when Darren Hicks scored to beat Penryn Athletic 3-2 in a very exciting game .
